The order and placement of materials in this Official Statement, which includes the cover page and Appendices hereto, are not to be deemed to be a determination of relevance, materiality or relative importance, and this Official Statement, including the cover page and Appendices hereto, must be considered in its entirety. Certain capitalized terms used in this Official Statement are defined herein and in the Appendices hereto. All capitalized terms used in this Official Statement that are not otherwise defined herein shall have the meanings ascribed to them in the Indenture and the Financing Agreement (as such terms are defined herein).

General

The Multifamily Housing Revenue Bonds (NIB Program - Fort Stevens Place Apartments Project), Series 2009A-2 Bonds in the principal amount of \$5,310,000 (the "Series 2009A Bonds") were originally issued by the District of Columbia Housing Finance Agency (the "Issuer") pursuant to District of Columbia Housing Finance Agency Act (District of Columbia Law 2-135, District of Columbia Code §42-2701.01 *et seq.*), as amended (the "Act") and the General Indenture dated as of December 1, 2009, as amended and supplemented by the First Supplemental Indenture (the "General Indenture") between the Issuer and the Trustee. The Issuer previously issued its Multifamily Housing Revenue Bonds (NIB Program), 2009 Series A (NIB Program) (the "Program Bonds") in the original aggregate principal amount of \$168,100,000 to provide for the financing of multifamily rental housing developments through the New Issue Bond Program of the Housing Finance Agency Initiative announced by the United States Treasury on October 19, 2009 (the "Program").

Simultaneously with the Release Date of the Series 2009A Bonds, the Issuer is issuing its Multifamily Housing Revenue Bonds (Fort Stevens Place Apartments Project), Series 2010 in the principal amount of \$3,730,000 (the "Series 2010 Bonds" and, together with the Series 2009A Bonds, the "Bonds"). The proceeds of the Bonds will be used to make a mortgage loan in the aggregate principal amount of \$9,040,000 (the "Bond Mortgage Loan") to Fort View, LP, a District of Columbia limited

partnership (the “Borrower”) to finance the acquisition, rehabilitation and equipping of a multifamily rental complex, which when completed will consist of approximately sixty-two (62) affordable housing units located in the District of Columbia, as further described herein, to be known as the Fort Stevens Place Apartments Project (the “Project”). See “THE PROJECT AND THE PRIVATE PARTICIPANTS.”

The Bond Mortgage Loan will be made pursuant to a Financing Agreement dated as of April 1, 2010 (the “Financing Agreement”), by and among the Issuer, the Trustee and the Borrower, and upon the satisfaction of various conditions contained in the General Indenture, as amended and supplemented by the Third Supplemental Trust Indenture dated as of April 1, 2010 between the Issuer and Trustee (the “Supplemental Indenture” and together with the General Indenture, the “Indenture”).

The Bond Mortgage Loan will be evidenced by a non-recourse Bond Mortgage Note to be dated the Release Date (together with all riders and addenda thereto, the “Bond Mortgage Note”), delivered to the Issuer, which Bond Mortgage Note will be endorsed by the Issuer to the Trustee. The Bond Mortgage Note will be secured by a Multifamily Deed of Trust, Assignment of Rents and Security Agreement to be dated as of April 1, 2010 (the “Bond Mortgage”), with respect to the Project, which Bond Mortgage will be assigned by the Issuer to the Trustee. The principal amount and payment provisions of the Bond Mortgage Note will be structured so that (a) the aggregate principal amount of the Bond Mortgage Note will not be less than the aggregate principal amount of Outstanding Bonds; (b) the interest payable on the Bond Mortgage Note will not be less than the interest payable on the Outstanding Bonds; and (c) the required payments under the Bond Mortgage Note will be timely and sufficient in amount to make the payments due to the Bondholders on the Outstanding Bonds.

In addition to the other security provided under the Indenture, upon the Release Date the required payments under the Bond Mortgage Note will be secured by Guaranteed Payments under a direct pay Credit Enhancement Agreement dated as of April 1, 2010 (the “Credit Enhancement Agreement” or “Credit Facility”), between the Federal Home Loan Mortgage Corporation (“Freddie Mac” or “Credit Facility Provider”) and the Trustee. Under the Credit Enhancement Agreement, subject to certain requirements set forth therein, on any Interest Payment Date, or any date Bonds are called for optional or mandatory redemption, and on the maturity date of the Bond Mortgage Note, Freddie Mac will be required to pay the sum of the Interest Component and the Principal Component of a Guaranteed Payment (prior to Loan Conversion, Freddie Mac shall make such Guaranteed Payment to the extent the Trustee holds insufficient Bond proceeds to make the payment on the Bonds) and the Purchase Price of the Bonds in the event of a purchase in lieu of redemption. See “THE BONDS” herein and Appendices A and G hereto.

To evidence the repayment obligations of the Borrower to Freddie Mac as a result of payments made by Freddie Mac under the Credit Enhancement Agreement, upon the Release Date the Borrower and Freddie Mac will enter into a Reimbursement and Security Agreement to be dated as of April 1, 2010 (the “Reimbursement Agreement”). To secure the obligations of the Borrower pursuant to the Reimbursement Agreement, the Borrower will execute and deliver for the benefit of Freddie Mac a Multifamily Deed of Trust, Assignment of Rents and Security Agreement to be dated as of April 1, 2010 (the “Reimbursement Mortgage”). Bondholders will have no rights with respect to and are not third party beneficiaries of the Reimbursement Mortgage.

Bank of America, N.A. (the “Construction Phase Credit Facility Provider”) will provide two unconditional irrevocable letters of credit to Freddie Mac, dated as of April 1, 2010 (together, the “Construction Phase Credit Facility”), to secure the reimbursement obligations of the Borrower to Freddie Mac during the Construction Phase. To evidence the Borrower’s reimbursement obligations to the Construction Phase Credit Facility Provider for draws made under the Construction Phase Credit Facility, the Borrower and the Construction Phase Credit Facility Provider will enter into a reimbursement

agreement dated as of April 1, 2010 (the “Construction Phase Credit Reimbursement Agreement”). Bondholders will have no rights with respect to and are not third party beneficiaries of the Construction Phase Credit Facility.

It is a condition to the delivery of the Credit Enhancement Agreement by Freddie Mac and the delivery of the Construction Phase Credit Facility by the Construction Phase Credit Facility Provider that the Issuer, the Trustee, Freddie Mac and the Construction Phase Credit Facility Provider enter into an Intercreditor Agreement, dated as of April 1, 2010 (the “Intercreditor Agreement”), pursuant to which the rights of the Issuer, the Trustee, Freddie Mac and the Construction Phase Credit Facility Provider to enforce remedies under the Bond Mortgage, Reimbursement Mortgage and Construction Phase Reimbursement Mortgage, respectively, are set forth among the parties therein. None of the Issuer, Trustee or the Bondholders will have the right to exercise certain remedies (without the prior consent or direction of Freddie Mac) under the Bond Mortgage during any period the Credit Enhancement Agreement remains in effect and Freddie Mac continues to honor its obligations thereunder.

Unless the Conditions to Loan Conversion which are set forth in the Construction Phase Financing Agreement, dated as of April 1, 2010 (the “Construction Phase Financing Agreement”) by and between Freddie Mac, the Borrower, the Servicer and the Construction Phase Credit Facility Provider are satisfied on or prior to the Forward Commitment Maturity Date, the Bonds will be redeemed if so directed by Freddie Mac. If the Conditions to Loan Conversion are satisfied on or prior to the Forward Commitment Maturity Date (or, to the extent not satisfied, are waived by Freddie Mac) the Bond Mortgage Loan will convert from the Construction Phase to the Permanent Phase (as each such term will be defined in the Construction Phase Financing Agreement) (such an event referred to as the “Loan Conversion”). Upon Loan Conversion, the Credit Enhancement Agreement will continue to secure payments of principal of and interest on the Bond Mortgage Loan and payments of the Purchase Price on the Bonds. If the Conditions to Loan Conversion are not satisfied prior to the Forward Commitment Maturity Date (or, to the extent not satisfied, are not waived by Freddie Mac), Loan Conversion will not occur, and the Bonds will be subject to mandatory redemption in whole (or purchase in lieu thereof) if so directed by Freddie Mac. No such redemption (or purchase in lieu) resulting from such event will be made at a premium. In the event of such a mandatory redemption in whole, the redemption price is to be paid with funds provided under the Credit Enhancement Agreement. Alternatively, in lieu of such redemption, the Bonds may be purchased by the Trustee for the account of the Construction Phase Credit Facility Provider from amounts advanced under the Credit Enhancement Agreement. See “THE BONDS—Mandatory Redemption” herein.

The Conditions to Loan Conversion include, for example (but are not limited to), completion of the construction of the Project substantially in compliance with the approved scope of work and the achievement of certain specified levels of occupancy from the leasing of units in the Project. No assurance can be given that all of the Conditions to Loan Conversion will be satisfied on or prior to the Forward Commitment Maturity Date. From and after the Loan Conversion, the Borrower is required to make its Bond Mortgage Loan payments to the Servicer. From amounts received from the Borrower other than Bond Proceeds, the Servicer is required to (i) reimburse Freddie Mac for amounts paid by Freddie Mac under the Credit Enhancement Agreement and to remit to Freddie Mac the Credit Enhancement Fee, (ii) remit to the Trustee amounts for deposit to the Administration Fund for certain fees payable to the Trustee, the Issuer and the Rebate Analyst and (iii) retain the Servicer’s Servicing Fee.

As a Condition to Loan Conversion, the Series 2010 Bonds are required to be redeemed in full on or prior to the Loan Conversion Date (the “Mandatory Paydown”). See “THE BONDS – Optional Redemption” and “THE BONDS – Mandatory Redemption” herein.

In addition, even if Loan Conversion occurs, no assurance can be given that the principal amount of the Series 2009A Bond Mortgage Loan after Loan Conversion, as finally determined in accordance with the Construction Phase Financing Agreement, will not be less than the original principal amount of the Series 2009A Bond Mortgage Loan. If the principal amount of the Series 2009A Bond Mortgage Loan, as finally determined in accordance with the Construction Phase Financing Agreement is less than the original principal amount of the Series 2009A Bond Mortgage Loan, the principal amount of the Series 2009A Bond Mortgage Loan must, as a Condition to Loan Conversion, be reduced by the Borrower's prepayment of the Series 2009A Bond Mortgage Loan in part (a "Pre-Conversion Loan Equalization Payment"). Upon such prepayment, a corresponding portion of the principal amount of the Series 2009A Bonds will be subject to mandatory redemption or purchase by the Borrower in lieu of such redemption. Any such mandatory redemption (or purchase in lieu thereof) will be at a redemption price equal to the principal amount of the Series 2009A Bonds to be redeemed plus accrued interest to the redemption date. No such redemption will be made at a premium. If such prepayment in part is required as a Condition to Loan Conversion and is not made, Loan Conversion will not occur and the Series 2009A Bonds will be subject to mandatory redemption or purchase in whole, as described above. See also "THE BONDS—Mandatory Redemption" herein.

During the Construction Phase, the Construction Phase Credit Facility Provider will serve as the construction loan administrator and be responsible for providing inspection oversight of the Project, including monitoring of disbursement of the Bond Mortgage Loan proceeds to the Borrower, together with the Issuer, in accordance with the terms of the Indenture, the Construction Phase Credit Reimbursement Agreement and the Construction Phase Financing Agreement. During the Permanent Phase, it is expected that Prudential Affordable Mortgage Company (the "Servicer") will act as servicer for the Bond Mortgage Loan and payments on the Bond Mortgage Loan will be made by the Borrower to the Servicer for the benefit of the Trustee.

THE BONDS, PRINCIPAL OF, PREMIUM, IF ANY, AND THE INTEREST THEREON, ARE SPECIAL, LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE REVENUES AND ASSETS OF THE ISSUER PLEDGED TO SUCH PURPOSES IN THE MANNER AND TO THE EXTENT PROVIDED IN THE SUPPLEMENTAL INDENTURE AND NO OTHER REVENUES OR ASSETS OF THE ISSUER. THE BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OR OBLIGATION OF THE DISTRICT OF COLUMBIA, AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE DISTRICT OF COLUMBIA IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE BONDS. THE ISSUER HAS NO TAXING POWER.

FREDDIE MAC'S OBLIGATIONS WITH RESPECT TO THE BONDS ARE SOLELY AS PROVIDED IN THE CREDIT ENHANCEMENT AGREEMENT. THE OBLIGATIONS OF FREDDIE MAC UNDER THE CREDIT ENHANCEMENT AGREEMENT WILL BE OBLIGATIONS SOLELY OF FREDDIE MAC, A SHAREHOLDER-OWNED, GOVERNMENT-SPONSORED ENTERPRISE ORGANIZED UNDER THE LAWS OF THE UNITED STATES OF AMERICA. FREDDIE MAC HAS NO OBLIGATION TO PURCHASE, DIRECTLY OR INDIRECTLY, ANY OF THE BONDS, BUT WILL BE OBLIGATED, PURSUANT TO THE CREDIT ENHANCEMENT AGREEMENT, TO PROVIDE FUNDS TO THE TRUSTEE TO PAY THE PURCHASE PRICE OF THE BONDS UNDER THE CIRCUMSTANCES DESCRIBED HEREIN. THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, ANY AGENCY THEREOF, OR OF FREDDIE MAC, AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA OR BY FREDDIE MAC.

Brief descriptions of the Issuer, the Bonds, the security for the Bonds, the Borrower, the Project, the Indenture and the Financing Agreement are included in this Official Statement. All references herein

to the Indenture, the Financing Agreement, the Intercreditor Agreement, the Credit Enhancement Agreement, the Tax Regulatory Agreement, the Reimbursement Agreement, the Bond Mortgage, the Construction Phase Financing Agreement and other documents and agreements are qualified in their entirety by reference to such documents and agreements, copies of which are available for inspection at the offices of the Trustee.

THE ISSUER

The Issuer

The Issuer is a body corporate and an instrumentality of the District of Columbia (the “District”), created under the District of Columbia Housing Finance Agency Act, Chapter 27 of Title 42 of the District of Columbia Code, as amended (the “Act”). The Bonds do not constitute obligations of the District, but are special limited obligations of the Issuer payable solely from and secured by the revenues and properties of the Issuer pledged under the Indenture and not from any other revenues or property of the Issuer, and do not constitute an indebtedness or obligation (legal, general, moral, special or otherwise) of the District. Neither the full faith and credit nor the taxing power of the District is pledged for the payment of the principal of, premium, if any, or interest on, the Bonds or for the performance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the Issuer, and none of the Bonds or any of the agreements or obligations of the Issuer shall be construed to constitute an indebtedness of the District within the meaning of any constitutional or statutory provision whatsoever. The Issuer has no taxing power. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS.”

General

The Issuer was established in 1979 pursuant to the Act as a body corporate which has a legal existence separate from the government of the District but which is an instrumentality of the government of the District created to effectuate certain public purposes. The Act declares that there exists in the District a critical shortage of adequate housing for low and moderate income families, and empowers the Issuer to generate funds from private and public sources to increase the supply and lower the cost of funds available for residential mortgages and construction loans and thereby help alleviate the shortage of adequate housing. The principal office of the Issuer is located at 815 Florida Avenue, N.W., Washington, D.C., 20001; telephone (202) 777-1600.

From the Issuer’s inception to September 30, 1992, the Issuer’s operations were primarily funded by interest-bearing, unsecured advances appropriated by the District. The unsecured advances were to be repaid from income of the Issuer in excess of operating expenses in future years, to the extent such net income was available for such repayment. Pursuant to Public Law 104-194 (enacted September 9, 1996), the appropriated debt of the Issuer including interest thereon was eliminated. Since October 1, 1992, the Issuer’s operating expenses have been funded solely from income derived from certain multifamily financial activities, other financial activities of the Issuer and certain program income derived from its Single Family Mortgage Revenue Bond Programs.

Board of Directors

The Act provides for the Issuer to be governed by a Board of Directors (the “Board”) consisting of five members appointed by the Mayor with the advice and consent of the Council of the District of Columbia (the “Council”). The current members of the Board are as follows:

Chairperson – Michael L. Wheat

Currently serving as Managing Director with Frasca and Associates, a leading independent financial advisor primarily to transportation clients, Mr. Michael L. Wheat has more than 22 years of experience in the area of public finance. Mr. Wheat has participated as issuer, lawyer, financial advisor and investment banker, in the issuance of over \$10 billion of bonds during his career. Before joining Frasca and Associates, Mr. Wheat's vast array of experience includes: 4 years as Managing Director in the Public Finance Department of Merrill Lynch & Co; 11 years as Director in the Public Finance Department of Citigroup Global Markets, Inc., a New York based investment bank, formerly named Salomon Smith Barney; and several years as a Vice President with Lazard Freres and Co., where he was responsible for a number of that firm's financial advisory clients, including the District of Columbia and the Metropolitan Washington Airports Authority.

Prior to becoming an investment banker, Mr. Wheat was a lawyer and local government official in the District. During the period from 1981-1986, he was employed in the Office of the Deputy Mayor for Finance, where he worked on the District's reentry into the capital markets through the first sale of bonds by the City in the twentieth century. During his employment with the District, he was responsible for overseeing the issuance of over \$1 billion of general obligation and revenue bonds by the District. He has also been employed as an attorney by two national law firms engaged in the practice of municipal finance and state and local government law from 1979-1981 and from 1986-1988.

Mr. Wheat received his Juris Doctorate degree from the University of Pennsylvania Law School in 1979 and his A.B. degree from Harvard University in 1976.

Vice Chairperson – Jacque D. Patterson

As Project Director with the Federal City Council, Mr. Jacque D. Patterson focuses on affordable housing, libraries, government operations, education and public safety issues confronting the District of Columbia government. Before joining the Federal City Council, he served in the District of Columbia Executive Office of the Mayor's Office of Community Affairs as the Community Affairs Coordinator. Mr. Patterson's career in public service began when he was selected for the Capital City Fellows' Program. His assignments during the Fellowship were with the Deputy Chief Finance Officer, Office of Tax & Revenue and the DC Brownfields Program. He also served as a Policy Analyst in the Office of Policy, Planning, and Program Evaluation for the DC Department of Health.

In 2006, Mr. Patterson was selected as a Fannie Mae Fellow to receive additional housing policy training while attending the Harvard University John F. Kennedy School of Government's Senior Executives in State & Local Governments Program. Mr. Patterson received his Masters of Public Administration from Central Michigan University and a graduate certification as a Certified Public Manager from the George Washington University. He holds an undergraduate degree in Education from Southern Illinois University and is currently pursuing a doctorate in Law & Policy at Northeastern University. He brings to the DC Housing Finance Agency Board of Directors a deep knowledge of urban affairs, public policy, government operations and finance.

Member – Derek Ford

Mr. Derek Ford is currently a Consultant, with more than 14 years of progressive financial experience within the private, governmental and non-profit sectors. He has served in the positions of Chief Financial Officer (CFO), Treasurer, Senior Auditor, Tax Associate, Financial Analyst and Real Estate Agent. Previously Mr. Ford managed the finances of a local community development organization, and provided financial and compliance oversight of the District of Columbia governmental

operations on behalf of the DC Office of the Inspector General. During that time, he identified over \$150 million of unsubstantiated monetary benefits from the implementation of procurement, payroll, property, personnel and budget systems.

THE BONDS

General

The Bonds are issued in fully registered form and are registered in the name of Cede & Co., as registered owner and nominee of The Depository Trust Company, New York, New York (“DTC”). DTC acts as securities depository for the Bonds. Individual purchases are made in book-entry form. Purchasers will not receive certificates representing their interest in the Bonds purchased. So long as Cede & Co. is the registered owner of the Bonds, as nominee of DTC, references herein to the Bondholders or registered owners of the Bonds mean Cede & Co. and not the beneficial owners of the Bonds.

So long as Cede & Co. is the registered owner of the Bonds, principal of and interest on the Bonds are payable by the Trustee by wire transfer of New York clearing house or equivalent next-day funds, to Cede & Co., as nominee for DTC. DTC will, in turn, remit such amounts to any broker-dealer, bank or other financial institution for which DTC holds Bonds from time to time as securities depository (“DTC Participants”) for subsequent disbursement to the beneficial owners. See “THE BONDS—Book-Entry Only System” herein.

The Series 2009A Bonds shall be issued in Authorized Denominations and shall bear interest payable on each Interest Payment Date at the Short-Term Rate from the Release Date to, but not including, the Permanent Rate Conversion Date and thereafter at the Permanent Rate and shall mature, subject to redemption prior to maturity as provided in the Indenture and on the date set forth on the inside front cover hereof. The Series 2010 Bonds shall be issued in Authorized Denominations and shall bear interest payable on each Interest Payment Date at a rate per annum of 2.15% and shall mature, subject to redemption prior to maturity as provided in the Indenture and on the date set forth on the inside front cover hereof. The Bonds shall be due and payable in full on the respective Maturity Date.

Interest on the Bonds shall be computed on the basis of a 360-day year consisting of twelve 30-day months. Interest on the Bonds shall be payable on each Interest Payment Date, in each case from the Interest Payment Date next preceding the date of authentication thereof to which interest has been paid or duly provided for, unless the date of authentication is an Interest Payment Date to which interest has been

paid or duly provided for, in which case from the date of authentication of the Bond, or unless no interest has been paid or duly provided for on the Bonds, in which case from the Delivery Date, until payment of the principal of the Bond has been made or duly provided for. Notwithstanding the foregoing, if a Bond is authenticated after a Record Date and before the following Interest Payment Date, such Bond shall bear interest from such Interest Payment Date; provided, however, that if there shall be a default in the payment of interest due on such Interest Payment Date, then the Bonds shall bear interest from the next preceding Interest Payment Date to which interest has been paid or duly provided for, or, if no interest has been paid or duly provided for on the Bonds, from the Delivery Date.

The Person in whose name any Bond is registered on the Record Date with respect to an Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date (unless such Bond has been called for redemption on a redemption date which is prior to such Interest Payment Date) notwithstanding the cancellation of such Bond upon any registration of transfer or exchange thereof subsequent to such Record Date and prior to such Interest Payment Date; provided, however, that if and to the extent the Issuer shall default in the payment of the interest due on any Interest Payment Date, such defaulted interest shall be paid as described in the next paragraph.

Any interest on any Bond that is due and payable, but is not punctually paid or duly provided for, on any Interest Payment Date (“Defaulted Interest”) shall cease to be payable to the person in whose name such Bond is registered on the relevant Record Date and shall be paid in the manner described in this paragraph. The Trustee may elect to make payment of any Defaulted Interest to the Persons in whose names the Bonds (or their respective predecessor Bonds) are registered at the close of business on a special record date for the payment of such Defaulted Interest (a “Special Record Date”), which shall be fixed in the following manner. The Trustee shall determine the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment (a “Special Interest Payment Date”), shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the Special Interest Payment Date and shall cause notice of the proposed payment of such Defaulted Interest on the Special Interest Payment Date and the Special Record Date therefor to be mailed, first class, postage prepaid, to each Bondholder at such Bondholder’s address as it appears in the Bond Register not less than 10 days prior to such Special Record Date; notice of the proposed payment of such Defaulted Interest on the Special Interest Payment Date and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the Persons in whose names the Bonds (or their respective predecessor Bonds) are registered on such Special Record Date.

Payment of principal of, premium, if any, and interest on the Bonds shall be paid by check mailed to the registered Owner thereof at such registered Owner’s address as it appears on the Bond Register on the Record Date. Upon written request of a registered Owner of at least \$1,000,000 in principal amount of Bonds Outstanding received by the Trustee at least 5 Business Days prior to a Record Date, all payments of principal, premium, if any, and interest on the Bonds, less any reasonable wire transfer fees imposed by the Trustee, shall be paid by wire transfer in immediately available funds to an account within the United States designated by such registered Owner.

Payments Due on Non-Business Days

In any case where a date of payment with respect to any Bonds shall be a day other than a Business Day, then such payment need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on such date, and no interest shall accrue for the period from and after such date providing that payment is made on such next succeeding Business Day.

Book-Entry-Only System

The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each issue of the Bonds, each in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 85 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation, (NSCC, GSCC, MBSCC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has Standard & Poor’s highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond Financing Documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices, if any, will be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Issuer or Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

Optional Redemption of Bonds

The Bonds are subject to optional redemption from payments made under the Credit Facility (subject to the limitation set forth in paragraph (ii) below) or with other Eligible Funds deposited with the Trustee as follows:

(i) With the prior written consent of the Credit Facility Provider, and prior to the Loan Conversion Date, the Construction Phase Credit Facility Provider, (A) the Issuer may optionally redeem the Series 2009A Bonds, in its own right, in whole or in part, to the extent that Eligible Funds are

available (not derived from a draw on the Credit Facility), and (B) the Series 2009A Bonds are subject to optional redemption by the Issuer at the written direction of the Borrower to the Issuer (which shall give corresponding direction to the Trustee), in whole or in part, upon optional prepayments on the Series 2009A Bond Mortgage Loan in accordance with the prepayment restrictions set forth in the Bond Mortgage Note and the Financing Agreement, in each case on the first Business Day of any calendar month, at the redemption price of 100% of the principal amount thereof plus accrued interest, if any, to the redemption date.

(ii) With the prior written consent of the Credit Facility Provider, the Series 2010 Bonds are subject to optional redemption at the direction of the Issuer upon written direction of the Borrower to the Issuer (which shall give corresponding direction to the Trustee) in whole (but not in part) upon optional prepayment of the Series 2010 Bond Mortgage Loan in accordance with the prepayment restrictions set forth in the Bond Mortgage Note and the Financing Agreement on any Business Day at the redemption price of 100% of the principal amount thereof plus accrued interest, if any, to the redemption date plus the amount of any Prepayment Equalization Premium due upon such redemption (determined in accordance with the definition of “Prepayment Equalization Premium”); provided, however, if any Prepayment Equalization Premium is due with respect to the Series 2010 Bonds such optional redemption of the Series 2010 Bonds shall only be made if the Trustee shall have received Eligible Funds (not consisting of funds drawn under the Credit Facility) on or prior to the redemption date in an amount sufficient to pay the Prepayment Equalization Premium.

(iii) The Trustee shall effect a redemption of Bonds pursuant to the Indenture at the earliest practical date for which notice may be given thereunder but in no event later than 35 days following its receipt of money representing an optional prepayment of the Bond Mortgage Loan.

(iv) In the event that the Series 2009A Bonds are redeemed at the direction of the Issuer following written direction of the Borrower to the Issuer pursuant to the Supplemental Indenture prior to April 1, 2022 (excluding any redemption attributable to a Loan Equalization Payment), then the Borrower shall pay to the Issuer on or before the date of redemption, as a prepayment fee, an amount equal to the present value of the amount of the Issuer’s Fee which otherwise would have been payable from the date of redemption through April 1, 2022; provided however, that if the Bonds are redeemed with the proceeds of a refunding issue of bonds issued by the Issuer then the prepayment fee referred to above relating to the Issuer’s Fee will not apply, but the Issuer’s administrative fee with respect to such refunding bonds will be calculated and payable in accordance with the documentation executed with respect to such refunding bonds; provided, further, however, that such fees and the fees and expenses of the Issuer’s counsel, including Bond Counsel, shall be no greater than the fees then customarily charged by the Issuer and such counsel for refunding bond issues. The Issuer and the Borrower agree that, the foregoing to the contrary notwithstanding, the Borrower may not pay any amounts under the Supplemental Indenture which would cause the “yield” to the Issuer to be “materially higher” than the “yield” on the Bonds, within the meaning of Treasury Regulations Section 1.14S-2(d), as determined by a verification agent or Bond Counsel selected by the Issuer, acceptable to the Trustee. The Borrower, and not the Issuer, is solely responsible for compliance with the foregoing provision and for the payment of all expenses associated therewith.

In the event that the Series 2009A Bonds are redeemed at the direction of the Issuer following written direction of the Borrower to the Issuer pursuant to the Supplemental Indenture prior to the end of the Qualified Project Period (as defined in, and determined pursuant to, the Tax Regulatory Agreement), then the Borrower shall pay to the Issuer on or before the date of redemption, the Bond Monitoring Agent Fee (as defined in the Tax Regulatory Agreement) which otherwise would have been payable from April 1, 2022 through the end of the Qualified Project Period, provided, however, that such payment shall be subject to the same restrictions and limitations set forth in the immediately preceding paragraph.

(v) While the Bonds are registered in the name of the Construction Phase Credit Facility Provider as a result of a Special Purchase of the Bonds pursuant to the Indenture, the Bonds are subject to redemption in whole or in part on any date, at the option of the Construction Phase Credit Facility Provider, at a redemption price equal to the principal amount thereof plus accrued interest to the redemption date, without premium, from any moneys acceptable to the Construction Phase Credit Facility Provider deposited with the Trustee.

Mandatory Redemption of Bonds

The Bonds (or specified series thereof) are subject to mandatory redemption in Authorized Denominations on any Business Day, in whole or in part as indicated below, at a redemption price equal to the principal amount thereof plus accrued interest to the redemption date, without premium, at the earliest practicable date from payments made under the Credit Facility upon the occurrence of any of the following:

(i) in whole or in part, upon receipt by the Trustee of (1) proceeds of a draw under the Credit Facility, in the amount of Net Proceeds representing casualty insurance proceeds or condemnation awards paid as a prepayment of the Bond Mortgage Loan, such amount to be applied to reimburse the Credit Facility Provider for the draw under the Credit Facility as a result of casualty or condemnation of the Project and (2) a written direction by the Credit Facility Provider (prior to the Loan Conversion Date, with the consent of the Construction Phase Credit Facility Provider) to redeem such Bonds using money obtained as a result of a draw upon the Credit Facility; or

(ii) in whole or in part, upon receipt by the Trustee of amounts from the Credit Facility Provider pursuant to the Credit Facility as a result of the occurrence of an event of default under any Bond Mortgage Loan Document and receipt by the Trustee of a written direction by the Credit Facility Provider (prior to the Loan Conversion Date, with the consent of the Construction Phase Credit Facility Provider) to redeem the Bonds pursuant to the Credit Facility; or

(iii) in whole on the last Business Day which is not less than 5 days before the date of expiration of the Credit Facility; or

(iv) in part, as described under this heading “Mandatory Sinking Fund Redemption of Bonds”; or

(v) the Series 2010 Bonds are subject to mandatory redemption in whole at the written direction of the Credit Facility Provider on the Loan Conversion Date, at a redemption price equal to the principal amount thereof plus accrued interest to the redemption date, without premium; provided, however, that in the event that the Loan Conversion Date occurs prior to the Maturity Date of the Series 2010 Bonds, such mandatory redemption of Series 2010 Bonds shall be subject to the payment by the Borrower of the Prepayment Equalization Premium, and may only be made if the Trustee shall have received Eligible Funds (not consisting of funds drawn under the Credit Facility) on or prior to the redemption date in an amount sufficient to pay such Prepayment Equalization Premium in full; or

(vi) with respect to the Series 2009A Bonds, in part, at the written direction of the Credit Facility Provider, in the event the Borrower elects to make a Loan Equalization Payment in an amount equal to the Loan Differential pursuant to the Construction Phase Financing Agreement; or

(vii) in part, to the extent amounts remaining in the Bond Mortgage Loan Fund are transferred to the Redemption Fund pursuant to the Supplemental Indenture; or

(viii) in whole, upon receipt by the Trustee of a written direction by the Credit Facility Provider to redeem the Bonds pursuant to the Credit Facility as a result of the occurrence of a Borrower Default, a Construction Lender Default (provided that no substitute construction lender is substituted in the place and stead of the Construction Phase Credit Facility Provider pursuant to the Construction Phase Financing Agreement) or a Direction to Draw; or

(ix) in whole, on or after the Forward Commitment Maturity Date at the written direction of the Credit Facility Provider, if the Loan Conversion Notice is not issued by the Servicer prior to the Forward Commitment Maturity Date.

With respect to the foregoing redemptions specified or permitted to be in part pursuant to this heading (excluding (vi) above), any such partial mandatory redemption shall be effected first with respect to the Series 2010 Bonds to the extent Outstanding under the Supplemental Indenture and thereafter to the Outstanding Series 2009A Bonds, unless otherwise directed by the Credit Facility Provider.

Mandatory Sinking Fund Redemption of Bonds

The Bonds are subject to mandatory sinking fund redemption on any April 1 or October 1, commencing April 1, 2014 in Authorized Denominations in an amount not greater than the amount on deposit in the Principal Reserve Fund on the first day of the month immediately preceding such Interest Payment Date (as such amount shall be confirmed by the Trustee with the Servicer prior to sending the required redemption notice).

Selection of Bonds for Redemption

The Trustee will select Bonds subject to mandatory sinking fund redemption pursuant to the Indenture by lot within the appropriate maturity. If less than all the Bonds then outstanding will be called for redemption other than as a result of mandatory sinking fund redemption, the Trustee will redeem an amount of Bonds so that the resulting decrease in debt service on the Bonds in each semiannual period ending on an Interest Payment Date is proportional, as nearly as practicable, to the decrease in the payments on the Bond Mortgage Note in each such semiannual period, as verified by the Servicer, and the Bonds will be selected by lot within each maturity, the cost of such selection being at the Borrower's expense. Bonds will be redeemed only in Authorized Denomination.

Notice of Redemption

Notice of the intended redemption of each Bond will be given by the Trustee by first class mail, postage prepaid, or by facsimile transmission, to the registered Owner at the address of such Owner shown on the Bond Register. All such redemption notices will be given not less than ten (10) days (not less than thirty (30) days in the case of optional or mandatory sinking fund redemptions) nor more than sixty (60) days prior to the date fixed for redemption. The Trustee may provide a conditional notice of redemption upon the direction of the Credit Facility Provider or the Borrower (with the prior written consent of the Credit Facility Provider and, prior to the Loan Conversion Date, with the prior written consent of the Construction Phase Credit Facility Provider).

Notices of redemption will state the redemption date and the redemption price, the place or places where amounts due upon such redemption will be payable, and, if less than all of the then Outstanding Bonds are called for redemption, will state (i) the numbers of the Bonds to be redeemed by giving the

individual certificate number of each Bond to be redeemed or will state that all Bonds between two stated certificate numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption only if bonds cease to be book entry bonds; (ii) the CUSIP numbers of all Bonds being redeemed if available; (iii) the amount of each Bond being redeemed (in the case of a partial redemption); (iv) the date of issue of the Bond as originally issued; (v) the rate of interest borne by each Bond redeemed; (vi) the maturity date of each Bond being redeemed; (vii) the possibility of a purchase of Bonds in lieu of redemption, if applicable; (viii) the conditions, if any, which must be satisfied in order for the redemption to take place on the scheduled date of redemption, including, as provided in the Indenture, that Eligible Funds are available to pay any redemption premium or the redemption price, as and if applicable, on the Bonds; and (ix) any other descriptive information needed to identify accurately the Bonds being redeemed.

Each notice of redemption will state that further interest on such Bonds will not accrue from and after the redemption date and that payment of the principal amount and premium, if any, will be made upon presentation and surrender of the Bonds at the Principal Office of the Trustee unless the Bonds are then held in a book entry only system of registration.

Notice of such redemption will also be sent by first class mail, overnight delivery service, facsimile transmission or other secure means, postage prepaid, to the Credit Facility Provider, to the Servicer, to the Construction Phase Credit Facility Provider, to the Issuer, to the Rating Agency, to all of the Securities Depositories and to at least two of the national Information Services that disseminate securities redemption notices, when possible, at least two (2) Business Days prior to the mailing of notices required by the first paragraph above, and in any event no later than simultaneously with the mailing of notices required by the first paragraph above; provided, that neither failure to receive such notice nor any defect in any notice so mailed will affect the sufficiency of the proceedings for the redemption of such Bonds.

In addition to providing notice of redemption as set forth above, if the Bonds are no longer held in book-entry form, the Trustee will send a second notice of redemption within sixty (60) days following the redemption date, by first class mail, overnight delivery service, or other secure means, postage prepaid to the registered Owners of any Bonds called for redemption, at their addresses appearing on the Bond Register as of the Record Date immediately preceding the redemption date, who have not surrendered their Bonds for redemption within thirty (30) days following the redemption date.

Failure to give notice by mailing to the registered Owner of any Bond designated for redemption or to any depository or Information Service will not affect the validity of the proceedings for the redemption of any other Bond if notice of such redemption will have been mailed as herein provided.

Effect of Notice of Redemption

If a conditional notice of redemption has been provided and the conditions are not satisfied, such notice of redemption shall be of no force and effect and the Bondholders shall be restored to their former positions as though no such notice of redemption had been delivered. Notice of redemption having been given and if either there were no conditions to such redemption or the conditions have been satisfied, and money for the redemption being held by the Trustee or Paying Agent for that purpose, thereupon the Bonds so called for redemption shall become due and payable on the redemption date, and interest thereon shall cease to accrue on such date; and such Bonds shall thereafter no longer be entitled to any security or benefit under the Supplemental Indenture except to receive payment of the redemption price thereof.

Purchase of Bonds in Whole in Lieu of Redemption

Notwithstanding anything in the Indenture to the contrary but subject to the provisions of the Indenture described under the heading “Special Purchase in Lieu of Redemption” below, at any time the Bonds are subject to redemption in whole, all (but not less than all) of the Bonds to be redeemed may be purchased by the Trustee (for the account of the Borrower or the Credit Facility Provider or their respective designee, as directed by such party) on the date which would be the redemption date at the direction of the Credit Facility Provider or the Borrower, with the prior written consent of the Credit Facility Provider (which direction shall specify that such purchase is pursuant to the provisions of the Indenture described under this heading and shall be given no later than 12:00 noon, Washington, D.C., time on such redemption date), at a purchase price equal to the redemption price which would have been applicable to such Bonds on the redemption date. The Bonds shall be purchased in lieu of redemption only from amounts provided by the Credit Facility Provider or from other Eligible Funds. In the event the Trustee is so directed to purchase Bonds in lieu of redemption, no notice to the holders of the Bonds to be so purchased (other than the notice of redemption otherwise required under the Indenture) shall be required, and the Trustee shall be authorized to apply to such purpose the funds in the Redemption Fund which would have been used to pay the redemption price for such Bonds if such Bonds had been redeemed rather than purchased.

Special Purchase in Lieu of Redemption

If all Bonds Outstanding are called for redemption in whole as described in paragraph (b), (c), (f), (i) or (j) under the heading “Mandatory Redemption of Bonds” at any time that the Construction Phase Credit Facility is in effect, the Bonds may, in lieu of such redemption, be purchased (“Special Purchase Bonds”) by the Trustee, at the written direction of the Construction Phase Credit Facility Provider to the Trustee, for the account of the Construction Phase Credit Facility Provider, so long as the Construction Phase Credit Facility Provider has fully and timely honored, and has paid the Credit Facility Provider the full amount drawn by the Credit Facility Provider under, the Construction Phase Credit Facility. Any purchase of Bonds described under this heading shall be in whole and not in part. Such purchase shall be made on the date the Bonds are otherwise scheduled to be redeemed (the “Special Purchase Date”). The purchase price of the Special Purchase Bonds (the “Special Purchase Price”) shall be equal to the principal amount of the Special Purchase Bonds, plus accrued interest, if any, on the Special Purchase Bonds to the Special Purchase Date. The payment source shall consist solely of funds to be advanced by the Credit Facility Provider under the Credit Facility.

Bonds to be purchased as described under this heading which are not delivered to the Trustee on the Special Purchase Date shall be deemed to have been so purchased and not redeemed on the Special Purchase Date and shall cease to accrue interest as to the former owner on the Special Purchase Date. Special Purchase Bonds shall be registered in the name of the Construction Phase Credit Facility Provider or any subsidiary of the Construction Phase Credit Facility Provider designated by the Construction Phase Credit Facility Provider and shall be delivered to the Construction Phase Credit Facility Provider or the subsidiary of the Construction Phase Credit Facility Provider designated by the Construction Phase Credit Facility Provider. Following such purchase, the registered owner of the Special Purchase Bonds shall be the owner of such Bonds for all purposes under the Supplemental Indenture and interest accruing on such Bonds from and after the Special Purchase Date shall be payable solely to the registered owner of the Special Purchase Bonds.

Notice of the election by the Construction Phase Credit Facility Provider to purchase Bonds otherwise called for redemption shall be delivered in writing to the Trustee, the Credit Facility Provider, the Servicer, the Issuer and the Rating Agency not less than one (1) Business Day prior to the date otherwise scheduled for redemption of the Bonds. In the event the Trustee is so directed to purchase

Bonds in lieu of redemption, no notice to the holders of the Bonds to be so purchased (other than the notice of redemption otherwise required under the Indenture) shall be required, and the Trustee shall be authorized to apply to such purpose the funds in the Redemption Account which would have been used to pay the redemption price for such Bonds if such Bonds had been redeemed rather than purchased.

The Trustee shall proceed to take such action as is required under the Credit Facility to receive payments from the Credit Facility Provider under the Credit Facility as if the Special Purchase Bonds were to be redeemed pursuant to the Indenture in order to pay the Special Purchase Price of the Bonds on the Special Purchase Date.

The purchase of Bonds pursuant to the Indenture shall not constitute a merger or extinguishment of the indebtedness of the Issuer evidenced by the Bonds so purchased or of the indebtedness of the Borrower under the Bond Mortgage Loan; Special Purchase Bonds shall for all purposes be regarded as Outstanding under the Supplemental Indenture, except as otherwise expressly provided in the Supplemental Indenture.

Following any purchase of Bonds pursuant to subsection (a) or (d) of the Indenture, in no event shall the Credit Facility (or any funds advanced under the Credit Facility) directly or indirectly secure, or provide a source of payment of amounts due from time to time with respect to, the Special Purchase Bonds. From and after the Special Purchase Date and until the Construction Phase Credit Facility Provider honors a draw upon the Construction Phase Credit Facility in order to accomplish a purchase of Bonds pursuant to the Indenture, the Credit Facility Provider shall continue to be entitled to all rights, privileges, benefits and security granted to the Credit Facility Provider under the Bond Financing Documents and the Bond Mortgage Loan Documents. In no event shall Freddie Mac be deemed to be the owner of any Special Purchase Bond whether pursuant to the Indenture or otherwise unless such Bond is transferred to, and registered in the name of, Freddie Mac in accordance with the provisions of the Indenture and only at the written direction of Freddie Mac.

Special Purchase Bonds may be transferred to any subsidiary of the Construction Phase Credit Facility Provider, or to a single Bondholder which has provided the Trustee with an investment letter in the form attached to the Supplemental Indenture (and otherwise subject to the provisions of the Supplemental Indenture), provided that any transfer to a single Bondholder as described above shall require delivery of an opinion of Bond Counsel to the Trustee to the effect that such transfer will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

Special Purchase of Bonds in Lieu of Redemption at the Direction of the Issuer

Unless otherwise expressly provided in the Supplemental Indenture, if at any time Eligible Funds (other than amounts provided by the Credit Facility Provider) are held in any Fund or Account to be used to redeem Bonds, in lieu of such redemption the Issuer, with the prior written consent of Freddie Mac, may, in writing, direct the Trustee to use part or all of such moneys to purchase Bonds which would otherwise be subject to redemption from such moneys. The purchase price of such Bonds (excluding accrued interest, but including any brokerage and other charges) shall not exceed the applicable redemption price of the Bonds which would be redeemed but for the operation of the Supplemental Indenture, with accrued interest on any such Bond to be paid from the same Fund or Account from which accrued interest would be paid upon the redemption of such Bond. Any such purchase must be completed prior to the time notice would otherwise be required to be given to redeem the Bonds and may not occur, without the consent of the Trustee, after a Record Date. All Bonds so purchased shall be canceled by the Trustee and the face amount of the Bonds so purchased shall be applied as a credit against the Issuer's obligation to redeem such Bonds from such moneys. In the event the Trustee is so directed to purchase

Bonds in lieu of redemption, no notice to the Holders of the Bonds to be so purchased (other than the notice of redemption otherwise required under the Supplemental Indenture) shall be required, and the Trustee shall be authorized to apply to such purpose the funds in the Redemption Fund which would have been used to pay the redemption price for such Bonds if such Bonds had been redeemed rather than purchased. Any purchase of Bonds under the Supplemental Indenture is not intended as an extinguishment of debt represented by the Bonds.

Initial Investor Letter with respect to the Series 2010 Bonds

The initial Bond Purchaser of the Series 2010 Bonds will deliver to the Issuer and the Trustee on or prior to the date of issuance of the Series 2010 Bonds an investor letter in the form set forth as an exhibit to the Supplemental Indenture. The Issuer and the Trustee shall be entitled to rely, without inquiry, on the statements in such investor letter.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

General

Under the Supplemental Indenture, the Issuer grants to the Trustee a security interest in the following property described below under “Trust Estate” to secure the Bonds (said property being herein referred to as the “Trust Estate”). The Trust Estate is granted to the Trustee in order to secure the payment of principal of, premium, if any, and interest on the Bonds according to their tenor and effect, and the payment to Freddie Mac of the Freddie Mac Reimbursement Amount and the Freddie Mac Credit Enhancement Fee or the payment of amounts due and owing to any other Credit Facility Provider following termination of the Credit Facility Agreement, and the performance and observance by the Issuer of all the covenants expressed or implied in the Supplemental Indenture and in the Bonds:

- (a) all right, title and interest of the Issuer in and to all Revenues;
- (b) all right, title and interest of the Issuer in and to the Financing Agreement, the Bond Mortgage Note, the Bond Mortgage and the Credit Facility (other than the Unassigned Rights), including all extensions and renewals of the terms thereof, if any, including, but without limiting the generality of the foregoing, the present and continuing right to receive, receipt for, collect or make claim for any of the moneys, income, revenues, issues, profits and other amounts payable or receivable thereunder (including all casualty insurance benefits or condemnation awards subject to the interest of the Credit Facility Provider under the Reimbursement Agreement and the Intercreditor Agreement), whether payable under the above-referenced documents or otherwise, to bring actions and proceedings thereunder or for the enforcement thereof, and to do any and all things which the Issuer or any other Person is or may become entitled to do under said documents; and
- (c) except for funds, money or securities in the Costs of Issuance Fund, the Administration Fund, , the Operating Reserve Fund, the Borrower Equity Account and the Rebate Fund, all funds, money and securities and any and all other rights and interests in property whether tangible or intangible from time to time thereafter by delivery or by writing of any kind, conveyed, mortgaged, pledged, assigned or transferred as and for additional security under the Supplemental Indenture for the Bonds by the Issuer or by anyone on its behalf or with its written consent to the Trustee, which is authorized to receive any and all such property at any and all times and to hold and apply the same subject to the terms of the Supplemental Indenture.

Limited Obligations

THE BONDS, PRINCIPAL OF, PREMIUM, IF ANY, AND THE INTEREST THEREON, ARE SPECIAL, LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE REVENUES AND ASSETS OF THE ISSUER PLEDGED TO SUCH PURPOSES IN THE MANNER AND TO THE EXTENT PROVIDED IN THE SUPPLEMENTAL INDENTURE AND NO OTHER REVENUES OR ASSETS OF THE ISSUER. THE BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OR OBLIGATION OF THE DISTRICT OF COLUMBIA, AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE DISTRICT OF COLUMBIA IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE BONDS. THE ISSUER HAS NO TAXING POWER.

FREDDIE MAC'S OBLIGATIONS WITH RESPECT TO THE BONDS ARE SOLELY AS PROVIDED IN THE CREDIT ENHANCEMENT AGREEMENT. THE OBLIGATIONS OF FREDDIE MAC UNDER THE CREDIT ENHANCEMENT AGREEMENT WILL BE OBLIGATIONS SOLELY OF FREDDIE MAC, A SHAREHOLDER-OWNED, GOVERNMENT-SPONSORED ENTERPRISE ORGANIZED UNDER THE LAWS OF THE UNITED STATES OF AMERICA. FREDDIE MAC HAS NO OBLIGATION TO PURCHASE, DIRECTLY OR INDIRECTLY, ANY OF THE BONDS, BUT WILL BE OBLIGATED, PURSUANT TO THE CREDIT ENHANCEMENT AGREEMENT, TO PROVIDE FUNDS TO THE TRUSTEE TO PAY THE PURCHASE PRICE OF THE BONDS UNDER THE CIRCUMSTANCES DESCRIBED HEREIN. THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, ANY AGENCY THEREOF, OR OF FREDDIE MAC, AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA OR BY FREDDIE MAC.

The Credit Enhancement Agreement

To provide security for the Bonds it is expected that Freddie Mac will enter into a direct-pay Credit Enhancement Agreement with the Trustee. Pursuant to the Credit Enhancement Agreement, Freddie Mac will be required to pay Guaranteed Payments with respect to the Bond Mortgage Loan when and in the amounts due, and the Purchase Price of the Bonds in the event of a purchase in lieu of redemption in accordance with the terms of the Indenture and Credit Enhancement Agreement.

FREDDIE MAC

The information presented under this caption "FREDDIE MAC" has been supplied by Freddie Mac. None of the Issuer, the Trustee or the Borrower has independently verified such information, and none assumes responsibility for the accuracy of such information. The information is qualified in its entirety by reference to the Incorporated Documents, as defined below.

Freddie Mac is a shareholder-owned government-sponsored enterprise created on July 24, 1970 pursuant to the Federal Home Loan Mortgage Corporation Act, Title III of the Emergency Home Finance Act of 1970, as amended, 12 U.S.C. §§ 1451-1459 (the "Freddie Mac Act"). Freddie Mac's statutory mission is (i) to provide stability in the secondary market for residential mortgages; (ii) to respond appropriately to the private capital market; (iii) to provide ongoing assistance to the secondary market for residential mortgages (including activities relating to mortgages on housing for low- and moderate-income families involving a reasonable economic return that may be less than the return earned on other activities); and (iv) to promote access to mortgage credit throughout the United States (including central cities, rural areas and underserved areas) by increasing the liquidity of mortgage financing. Neither the United States nor any agency or instrumentality of the United States is obligated, either directly or

indirectly, to fund the mortgage purchase or financing activities of Freddie Mac or to guarantee Freddie Mac's securities or obligations.

Freddie Mac's principal business consists of the purchase of (i) first-lien, conventional residential mortgages subject to certain maximum loan limits and other underwriting requirements under the Freddie Mac Act and (ii) securities backed by such mortgages. Freddie Mac finances its mortgage purchases and mortgage-backed securities purchases through the issuance of a variety of securities, primarily pass-through mortgage participation certificates and unsecured debt, as well as with cash and equity capital.

On September 7, 2008, the Director of the Federal Housing Finance Agency ("FHFA") appointed FHFA as conservator of Freddie Mac in accordance with the Federal Housing Finance Reform Act of 2008 (the "Reform Act") and the Federal Housing Enterprises Financial Safety and Soundness Act of 1992. On September 7, 2008, in connection with the appointment of FHFA as conservator, Freddie Mac and the U.S. Department of the Treasury ("Treasury") entered into a Senior Preferred Stock Purchase Agreement. Also, pursuant to its authority under the Reform Act, Treasury announced that it has established the Government Sponsored Enterprise Credit Facility (a lending facility to ensure credit availability to Freddie Mac, Fannie Mae, and the Federal Home Loan Banks that will provide secured funding on an as needed basis under terms and conditions established by the Treasury Secretary to protect taxpayers) and a program under which Treasury will purchase Government Sponsored Enterprise (including Freddie Mac) mortgage-backed securities (MBS) in the open market. The announcements by FHFA and Treasury and descriptions of these programs are available at their respective websites: <http://www.OFHFO.gov> and <http://www.Treasury.gov>.

Freddie Mac registered its common stock with the U.S. Securities and Exchange Commission (the "SEC") under the Securities Exchange Act of 1934 (the "Exchange Act"), effective July 18, 2008. As a result, Freddie Mac files annual, quarterly and current reports, proxy statements and other information with the SEC. Freddie Mac makes no representations as to the contents of this Official Statement, the suitability of the Bonds for any investor, the feasibility of performance of any project, or compliance with any

securities, tax or other laws or regulations. Freddie Mac's role is limited to discharging its obligations under the Credit Enhancement Agreement.

FREDDIE MAC'S OBLIGATIONS WITH RESPECT TO THE BONDS ARE SOLELY AS PROVIDED IN THE CREDIT ENHANCEMENT AGREEMENT. THE OBLIGATIONS OF FREDDIE MAC UNDER THE CREDIT ENHANCEMENT AGREEMENT WILL BE OBLIGATIONS SOLELY OF FREDDIE MAC, A SHAREHOLDER-OWNED, GOVERNMENT-SPONSORED ENTERPRISE ORGANIZED UNDER THE LAWS OF THE UNITED STATES OF AMERICA. FREDDIE MAC HAS NO OBLIGATION TO PURCHASE, DIRECTLY OR INDIRECTLY, ANY OF THE BONDS, BUT WILL BE OBLIGATED, PURSUANT TO THE CREDIT ENHANCEMENT AGREEMENT, TO PROVIDE FUNDS TO THE TRUSTEE TO PAY THE PURCHASE PRICE OF THE BONDS UNDER THE CIRCUMSTANCES DESCRIBED THEREIN. THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, ANY AGENCY THEREOF, OR OF FREDDIE MAC, AND ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA OR BY FREDDIE MAC.

THE BORROWER AND THE PROJECT

The information under this heading has been provided solely by the Borrower and has not been independently verified. No representation whatsoever as to the accuracy, adequacy or completeness of such information is being made.

The Borrower

The Borrower is Fort View, LP, formed for the sole purpose of acquiring, rehabilitating and operating the Project. The managing general partner of the Borrower is FV Partners, LLC, a District of Columbia limited liability company (the "Managing General Partner") and following the Release Date, expects to own a .01% ownership interest in the Borrower.

Principals of the Managing General Partner and its affiliates have been in the business of acquiring, owning and operating apartment complexes since 2000, and currently own and operate 7 apartment complexes containing approximately 685 units in the District of Columbia and Maryland.

The Borrower has not acquired and does not intend to acquire any substantial assets or engage in any substantial business activities other than those related to the Project. However, affiliates of the Borrower may engage in the acquisition, development, ownership and management of other similar types of projects that may be competitive with the Project.

Low Income Housing Tax Credits

Upon the Initial Release Date, the Borrower expects to sell to an affiliate or affiliates of Enterprise Community Investment, Inc. (the "Tax Credit Partner") a 99.99% ownership interest in the Borrower. Pursuant to the sale, the funding of the tax credit equity is expected to total approximately \$4,296,135, with an initial contribution of \$1,076,574 anticipated to be funded on or about the Release Date. The funding levels and the timing of the funding are subject to numerous adjustments and conditions which could result in the amounts funded and/or the timing or even occurrence of the funding

varying significantly from the projections set forth above and the Issuer does not make any representation as to the availability of such funds.

The Project

The Project, to be known as Fort View Apartments, will be located on an approximately 1 acre site on 6000, 6010, 6020 & 6030, 6040, 6050 13th Place, NW, in the District of Columbia. Construction is expected to commence in April 28, 2010 and be completed in March 28, 2011. The Project will contain 62 units located in 2 buildings. The buildings are currently vacant and have been so since 2009 and 2005, respectively. The buildings will require significant rehabilitation.

The Project amenities are expected to include onsite management, computer lab, and community room, with a laundry room in each building. The Project is expected to include 28 parking spaces, including 12 attached garages. Construction of the Project is anticipated to commence in April 28, 2010 and be completed approximately 11 months later.

Unit amenities are expected to include dishwasher, individual water heaters, individual heating & cooling. The unit mix of the Project is as follows:

Number Of Units	Composition	Approximate Square Footage
40	1 Bedroom – 1 Bath	635
16	2 Bedroom – 1 Bath	813
6	3 Bedroom – 2 Bath	912

The Contractor

The Contractor for the Development will be Hamel Commercial, Inc. a Maryland limited partnership (the “Contractor”). The Contractor and its affiliated construction companies have been constructing and rehabilitating multifamily rental housing developments since 1988.

The Architect

The architect for the Development is PGN Architects, PLLC (the “Architect”). The Architect has been the principal architect for over 16 multifamily developments with an excess of 734 units throughout the United States.

Property Management

The Project will be managed by Edgewood Management Corporation (the “Manager”). The Manager has been involved in the management of apartment complexes since 1972. The Manager currently manages 182 apartment complexes comprising a total of approximately 26,321 units located in California, District of Columbia, Delaware, Florida, Georgia, Kentucky, Maryland, North Carolina, New Jersey, Ohio, Pennsylvania, South Carolina, Tennessee, Virginia.

Regulatory Agreements

Tax Regulatory Agreement. The Tax Regulatory Agreement (the “Regulatory Agreement”) imposes certain requirements with respect to the tax exempt status of the Bonds under the Code, which include a set aside of 40% of the units for rental to persons or families having incomes at or below 60% of

area media gross income, adjusted for family size and determined in accordance with the Section 142(d) of the Code. In addition, in connection with the low income housing tax credits available to the Borrower in connection with the Project, the Regulatory Agreement will, among other things, require that the Borrower lease 100% of the units in the Project to tenants earning 60% or less of the area median gross income. Rents on all restricted units will be limited to 30% of an amount equal to the applicable area median income limit, as outlined above, adjusted for family size, all in accordance with Section 42 of the Code. The DHCD Loan, TCAP Loan, the Tax Credits, and other predevelopment and development subsidies will also require certain regulatory agreements that will impose certain requirements with respect to tenancy and rent restrictions that are substantially similar to the Regulatory Agreement. Certain local rent subsidy agreements will require that up to 18 of the set aside units be further restricted to very low income tenants (30% of area median income) with the rent subsidy paying for the difference between tenant's portion of the rent, set at thirty percent (30%) of the tenant's income, and the imputed rents for a tenant at 60% of area median income; provided, however, that local rent subsidy does not terminate or expire, in which case such tenants and rents can be transitioned to up to 60% of area median income. See "SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT" for a description of the requirements affecting the operation of the Project in order to assume compliance with the Code.

Limited Recourse to Borrower

The Borrower and its partners will not (subject to certain exceptions to nonrecourse liability set forth in the Reimbursement Agreement) be personally liable for payments on the Bond Mortgage Note, the payments on which are to be applied to pay the principal of and interest on the Bonds; nor will the Borrower (subject to certain exceptions to nonrecourse liability set forth in the Reimbursement Agreement) be personally liable under the other documents executed in connection with the issuance of the Bonds and the making of the Bond Mortgage Loan. Furthermore, no representation is made that the Borrower will have substantial funds available for the Project. Accordingly, neither the Borrower's financial statements nor those of its members and managers are included in this Official Statement.

THE TRUSTEE

The information under this heading has been provided solely by the Trustee and has not been independently verified. No representation whatsoever as to the accuracy, adequacy or completeness of such information is being made.

Except for the contents in this section, the Trustee has not reviewed or participated in the preparation of this Official Statement and has assumed no responsibility for the nature, content, accuracy or completeness of the information included in this Official Statement.

CERTAIN BONDHOLDERS' RISKS

The purchase of the Bonds will involve a number of risks. The following is a summary, which does not purport to be comprehensive or definitive, of some of such risk factors.

No Borrower Personal Liability

The Borrower has not been nor will it be (subject to certain limited exceptions to non-recourse liability set forth in the Financing Agreement and the Bond Mortgage) personally liable for payments on the Bond Mortgage Loan, nor under the other Bond Financing Documents. All payments on the Bond Mortgage Loan are expected to be derived from revenues generated by the Project.

Limited Obligations

The Bonds are not a general obligation, debt or bonded indebtedness of the Issuer, the District or any political subdivision thereof and the holder thereof does not have the right to have excises or taxes levied by the Issuer or by the District or any political subdivision thereof for the payment of the principal of and any premium and interest on the Bonds. The Bonds are limited obligations of the Issuer, and are payable solely from the sources provided in the Indenture. The Issuer has no taxing power.

Early Redemption or Mandatory Purchase

Purchasers of Bonds, including those who purchase Bonds at a price in excess of their principal amount or who hold such a Bond trading at a price in excess of par, should consider the fact that the Bonds are subject to redemption or mandatory purchase at a redemption or purchase price equal to their principal amount plus accrued interest as described herein. This could occur, for example, in the event that the Bond Mortgage Loan is prepaid as a result of a casualty or condemnation award payments affecting the Project or there is a default under the Bond Mortgage. See "THE BONDS – Mandatory Redemption of the Bonds," "– Mandatory Sinking Fund Redemption of the Bonds," and "– Optional Redemption of Bonds."

No Acceleration or Redemption upon Loss of Tax Exemption

One condition to the Release Date is that the Borrower will covenant and agree to comply with the provisions of the Code relating to the exclusion from gross income for federal income tax purposes of the interest payable on the Bonds. The financing documents contain provisions and procedures designed to assure compliance with such covenant. However, the Borrower's covenant to comply with the requirements of the Code is non-recourse to the Borrower, and the Borrower's liability is limited to the revenues and assets comprising the Project. Furthermore, the Borrower's failure to comply with such provisions will not constitute a default under the Bond Mortgage Loan and will not give rise to a redemption or acceleration of the Bonds (unless Freddie Mac determines, at its option and in its sole and absolute discretion, that such failure will constitute such a default) and is not the basis for an increase in the rate of interest payable on the Bonds. **Consequently, interest on the Bonds following the Release Date may become includable in gross income for purposes of federal income taxation retroactive to the Release Date by reason of the Borrower's failure to comply with the requirements of federal tax law, and neither the Issuer, the Trustee nor the Bondholders will have remedies available to them to mitigate the adverse economic effects to the Bondholders of such inclusion by reason of the Borrower's non-compliance.**

Economic Feasibility

The economic feasibility of the Project depends in large part upon it being substantially occupied at projected rent levels. There can be no assurance that in the future the Borrower will be able to rent the units at rates which will enable them to make timely payments on the Bond Mortgage Loan.

Enforceability and Bankruptcy

The remedies available to the Trustee and the Bondholders upon an event of default under the Financing Agreement, the Credit Enhancement Agreement or the Indenture are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay.

Under existing laws and judicial decisions, the remedies provided under the aforesaid documents may not readily be available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds and the aforesaid documents will be qualified to the extent that the enforceability of certain legal rights related to the Bonds is subject to limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by equitable remedies and proceedings generally.

Normal Risks

Normal risks attending any investment in real estate include possible adverse use of adjoining land, fire or other casualty, condemnation, increased taxes, changes in demand for such facilities, increases in utility rates, adverse general and local economic conditions, energy shortages, a decline in property values in the Project, increases in operating costs due to inflation, non-compliance of tenants with the terms of their leases, unfavorable governmental regulation (such as enactment of rent controls), force majeure and uninsurable risks, construction strikes and decrease in the relative popularity of real estate investments as contrasted with other investments. These risks and many others cannot be controlled by the Borrower and may have a substantial bearing on the profitability and financial feasibility of the Project, and which may affect the realizable value of the real estate and other collateral securing payment of the Bonds.

TAX MATTERS

Upon issuance of the Bonds, Bond Counsel will provide its opinion in the form appended to this Official Statement to the effect that, under existing law: (i) interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and is not a specific preference item or included in a corporation's adjusted current earnings for purposes of the federal alternative minimum tax imposed on individuals and corporations and (ii) the Bonds and the interest thereon are exempt from District taxation, except estate, inheritance and gift taxes.

The opinion on tax matters will be based on and will assume the accuracy of certain representations and certifications, and continuing compliance with certain covenants, of the Issuer and the Borrower contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Bonds are and will remain obligations the interest on which is excluded from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of the Issuer's and the Borrower's certifications and representations or the continuing compliance with the Issuer's and the Borrower's covenants and will not independently verify the accuracy of the opinion of the Borrower's counsel.

The opinion of Bond Counsel is based on current legal authority and covers certain matters not directly addressed by such authority. It represents Bond Counsel's legal judgment as to exclusion of interest on the Bonds from gross income for federal income tax purposes but is not a guaranty of that conclusion. The opinion is not binding on the Internal Revenue Service ("IRS") or any court. Bond Counsel expresses no opinion about (i) the effect of future changes in the Code and the applicable regulations under the Code or (ii) the interpretation and the enforcement of the Code or those regulations by the IRS.

The Code prescribes a number of qualifications and conditions for the interest on state and local government obligations to be and to remain excluded from gross income for federal income tax purposes, some of which require future or continued compliance after issuance of the obligations. Noncompliance with these requirements by the Issuer or the Borrower may cause loss of such status and result in the interest on the Bonds being included in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds. The Borrower and, subject to certain limitations, the Issuer have each covenanted to take the actions required of it for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes, and not to take any actions that would adversely affect that exclusion. After the date of issuance of the Bonds, Bond Counsel will not undertake to determine (or to so inform any person) whether any actions taken or not taken, or any events occurring or not occurring, or any other matters coming to Bond Counsel's attention, may adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or the market value of the Bonds.

Interest on the Bonds may be subject to a federal branch profits tax imposed on certain foreign corporations doing business in the United States and to a federal tax imposed on excess net passive income of certain S corporations. Under the Code, the exclusion of interest from gross income for federal income tax purposes may have certain adverse federal income tax consequences on items of income, deduction or credit for certain taxpayers, including financial institutions, certain insurance companies, recipients of Social Security and Railroad Retirement benefits, those that are deemed to incur or continue indebtedness to acquire or carry tax-exempt obligations, and individuals otherwise eligible for the earned income tax credit. The applicability and extent of these and other tax consequences will depend upon the particular tax status or other tax items of the owner of the Bonds. Bond Counsel will express no opinion regarding those consequences.

Payments of interest on tax-exempt obligations, including the Bonds, are generally subject to IRS Form 1099-INT information reporting requirements. If a Bond owner is subject to backup withholding under those requirements, then payments of interest will also be subject to backup withholding. Those requirements do not affect the exclusion of such interest from gross income for federal income tax purposes.

Legislation affecting tax-exempt obligations is regularly considered by the United States Congress. Court proceedings may also be filed the outcome of which could modify the tax treatment of obligations such as the Bonds. There can be no assurance that legislation enacted or proposed, or actions by a court, after the date of issuance of the Bonds will not have an adverse effect on the tax status of interest on the Bonds or the market value of the Bonds.

Prospective purchasers of the Bonds should consult their own tax advisers regarding pending or proposed federal and state tax legislation and court proceedings, and prospective purchasers of the Bonds at other than their original issuance at the respective prices indicated on the cover of this Official Statement should also consult their own tax advisers regarding other tax considerations such as the consequences of market discount, as to all of which Bond Counsel expresses no opinion.

Bond Counsel's engagement with respect to the Bonds ends with the issuance of the Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the Issuer, the Borrower or the owners of the Bonds regarding the tax status of interest thereon in the event of an audit examination by the IRS. The IRS has a program to audit tax-exempt obligations to determine whether the interest thereon is includible in gross income for federal income tax purposes. If the IRS does audit the Bonds, under current IRS procedures, the IRS will treat the Issuer as the taxpayer and the beneficial owners of the Bonds will have only limited rights, if any, to obtain and participate in judicial review of such audit. Any action of the IRS, including but not limited to selection of the Bonds for audit, or the course or result of such audit, or an audit of other obligations presenting similar tax issues, may affect the market value of the Bonds.

The opinion of Bond Counsel will be delivered contemporaneously with the delivery of the Bonds substantially in the forms attached hereto as APPENDIX H.

CONTINUING DISCLOSURE

The Borrower has determined that no financial or operating data concerning the Borrower is material to an evaluation of the offering of the Bonds or to any decision to purchase, hold or sell the Bonds and the Borrower will not provide any such information. The Borrower has undertaken all responsibilities for any continuing disclosure to the Beneficial Owners and Holders of any of the Bonds as described below, and the Borrower shall have no liability to the Beneficial Owners or Holders of any of the Bonds or any other person with respect to Rule 15c2-12 promulgated by the Securities and Exchange Commission (the "Rule").

The Borrower, the Trustee and Digital Assurance Certification, LLC, as dissemination agent (the "Dissemination Agent") have entered into a Continuing Disclosure Agreement, dated as of the date of the Supplemental Indenture (the "Continuing Disclosure Agreement"). The Continuing Disclosure Agreement obligates the Borrower to send, or cause to be sent, certain financial information with respect to the Project to the Municipal Securities Rulemaking Board and to provide notice, or cause notice to be provided, to the Municipal Securities Rulemaking Board upon the occurrence of certain enumerated events for the benefit of the Beneficial Owners and Holders of any of the Bonds. The form of the Continuing Disclosure Agreement is attached as Appendix I hereto. The Borrower has not entered into any other such undertaking with respect to the Rule.

A failure by the Borrower to comply with the provisions of the Continuing Disclosure Agreement will not constitute a default under the Indenture or the Financing Agreement (although Bondholders will have any available remedy at law or in equity). Nevertheless, such a failure to comply must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds. See "APPENDIX I – CONTINUING DISCLOSURE AGREEMENT."

SPECIAL ADVISOR

Bank of America, N.A. is acting as special advisor to the Issuer in connection with certain administrative duties associated with the delivery of the Bonds. Bank of America, N.A. does not have a financial advisory relationship with the Borrower or the Issuer with respect to the Bonds and, in its capacity as special advisor, has no fiduciary obligations to either the Borrower or the Issuer.

PLACEMENT OF SERIES 2010 BONDS

The Series 2010 Bonds are being purchased in a private placement by an institutional investor which has agreed to purchase the Series 2010 Bonds at a price of 100% of the par amount thereof.

RATING

Moody's Investors Service, Inc. (the "Rating Agency") has assigned the ratings to the Bonds as shown on the cover page of this Official Statement. Any desired explanation of the significance of the ratings should be obtained from the Rating Agency. Certain information and materials not included in this Official Statement were furnished to the Rating Agency. Generally, rating agencies base their ratings on the information and materials so furnished and on investigations, studies, and assumptions by the Rating Agency. The ratings are not a recommendation to buy, sell, or hold the Bonds. There is no assurance that a particular rating will be maintained for any given period of time or that it will not be lowered or withdrawn entirely if, in the judgment of the rating agency originally establishing the rating, circumstances so warrant. The Issuer has not undertaken responsibility either to bring to the attention of the registered owner of the Bonds any proposed revision or withdrawal of the ratings of the Bonds or to oppose any such proposed revision or withdrawal. Any such change in or withdrawal of such a rating could have an adverse affect on the market price of the Bonds if a registered Borrower attempts to sell the same.

CERTAIN LEGAL MATTERS

Certain legal matters relating to the execution and delivery of the Indenture and the Financing Agreement are subject to the approving opinion of Hogan & Hartson LLP, Washington, D.C., as Bond Counsel, which will be furnished at the expense of the Borrower (the "Bond Counsel Opinion").

Certain legal matters will be passed upon for Freddie Mac by its Legal Division and by its special counsel, Ballard Spahr LLP, Washington D.C., for the Borrower by its counsel, Klein Hornig LLP, Washington, D.C., for the Trustee by its counsel, Ballard Spahr LLP, Baltimore, Maryland, and for the Issuer by its General Counsel, Maria Day-Marshall.

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions on the legal issues explicitly addressed therein. By rendering the legal opinion, the opinion giver does not become an insurer or guarantor of an expression of professional judgment of the transaction opined upon, or of the future performance of parties to such transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

ABSENCE OF LITIGATION

The Issuer

On the date of issuance of the Bonds, the Issuer will deliver certificates to the effect that, to the knowledge of the Issuer, no litigation is pending or threatened against the Issuer (i) to restrain or enjoin the issuance of the Bonds, or contesting or questioning the validity of the Bonds or the proceedings and authority under which the Bonds have been authorized and are to be issued, or the pledge or application of any money or security provided for the payment of the Bonds or (ii) which questions the validity of the Supplemental Indenture, the Financing Agreement, the Tax Regulatory Agreement or the Bonds.

The Borrower

There is no pending or, to the knowledge of the Borrower, any threatened litigation against the Borrower which in any way questions the validity of the Bonds or any proceedings or transactions relating to their issuance, or that would materially adversely affect the Borrower's obligations under the Bond Documents.

ENFORCEABILITY OF REMEDIES

The remedies available to the Trustee and the owners of the Bonds upon an Event of Default under the Indenture, the Financing Agreement, the Credit Enhancement Agreement, if delivered, or any other document described herein are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing law and judicial decisions, the remedies provided may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified to the extent that the enforceability of certain legal rights related to the Bonds is subject to limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by equitable remedies and proceedings generally.

MISCELLANEOUS

Any statements herein involving matters of opinion, whether or not expressly so stated, are intended as such and not as representations of fact. This Official Statement is not to be construed as a contract or agreement between the Issuer and the purchasers or owners of any of the Bonds. The Issuer makes no representations as to the accuracy or completeness of the contents of this Official Statement except with respect to the information under the sections "THE ISSUER" and "ABSENCE OF LITIGATION –The Issuer".

The Trustee shall, at the written direction of an Authorized Officer of the Issuer, and may, in its discretion, establish such additional accounts within any Fund, and subaccounts within any of the accounts, as the Issuer or the Trustee may deem necessary or useful for the purpose of identifying more precisely the sources of payments into and disbursements from that Fund and its accounts, or for the purpose of complying with the requirements of the Code relating to arbitrage, but the establishment of any such account or subaccount shall not alter or modify any of the requirements of the Supplemental Indenture with respect to a deposit or use of money in the funds established under the Indenture, or result in commingling of funds not permitted under the Indenture.

Bond Mortgage Loan Fund

Deposit. The Trustee shall deposit the proceeds of the sale of the Bonds into the Loan Account of the Bond Mortgage Loan Fund as provided in the Indenture. The Trustee shall deposit the Borrower

Equity Deposit into the Borrower Equity Account of the Bond Mortgage Loan Fund, as well as any additional amounts delivered from time to time to the Trustee and directed by the Borrower or Servicer to be deposited therein (excluding any proceeds of the Bonds), as provided in the Indenture.

Disbursements. Amounts on deposit in the Bond Mortgage Loan Fund shall be disbursed from time to time by the Trustee for the purpose of paying (i) interest on the Bonds, (ii) the Bond Fee Component, and any fees due and payable to the Credit Facility Provider and the Construction Phase Credit Facility Provider, or (iii) Costs of the Project. In addition, amounts in the Bond Mortgage Loan Fund shall be transferred to the Redemption Fund, the Rebate Fund and the Borrower at the times and in the manner provided in the Indenture.

Transfers and Requisitions. The Trustee shall make disbursements from the respective accounts of the Bond Mortgage Loan Fund to the appropriate party its accrued fees that are included in the Bond Fee Component that are due and payable upon receipt of an invoice, and shall at the written direction of the Borrower pay to the Credit Facility Provider and the Construction Phase Credit Facility Provider any fees due and payable, without any need for a Requisition or other written direction. Unless the Trustee is instructed otherwise by the Construction Phase Credit Facility Provider, the Trustee shall automatically transfer amounts in the Loan Account of the Bond Mortgage Loan Fund to the Bond Fund to pay interest on the Bonds without any need for a Requisition or other written direction. The Trustee shall make disbursements from the respective accounts of the Bond Mortgage Loan Fund for purposes described in the Supplemental Indenture only upon the receipt of Requisitions submitted in accordance with the Supplemental Indenture. The Trustee may conclusively rely on any Requisition signed in accordance with the Supplemental Indenture and shall have no duty to determine whether any requested disbursement complies with the terms, conditions and provisions of the Construction Phase Credit Documents. The countersignature of the Authorized Officer of the Construction Phase Credit Facility Provider on a Requisition shall be deemed a certification and, insofar as the Trustee and the Issuer are concerned, constitute conclusive evidence, that all of the terms, conditions and requirements of the Construction Phase Credit Documents applicable to such disbursement have been fully satisfied or waived for purposes of Requisition approval as provided in the Supplemental Indenture or disbursement as provided in the Supplemental Indenture (but shall not constitute a waiver of any such terms, conditions or requirements as between the Construction Phase Credit Facility Provider and the Borrower). The Trustee shall, immediately upon each receipt of a completed Requisition signed by an Authorized Officer of the Borrower and countersigned by an Authorized Officer of the Construction Phase Credit Facility Provider, and, if required by the Supplemental Indenture, the Issuer initiate procedures with the provider of a Qualified Investment to make withdrawals as necessary to fund the Requisition.

Notwithstanding anything to the contrary contained in the Indenture, (i) no signature of an Authorized Officer of the Borrower shall be required during any period in which a default has occurred and is then continuing under the Bond Mortgage Loan or any or Construction Phase Credit Document (notice of which default has been given in writing by the Construction Phase Credit Facility Provider to the Trustee and the Issuer, and the Trustee shall be entitled to conclusively rely on any such written notice as to the occurrence and continuation of such a default); and (ii) the Trustee shall disburse amounts in the Bond Mortgage Loan Fund upon receipt of a Requisition signed only by the Construction Phase Credit Facility Provider and, if required by the Supplemental Indenture, the Issuer (and without any need for any signature by an Authorized Officer of the Borrower or Servicer), with notice to the Borrower, so long as the amount to be disbursed is to be used solely to make payments of fees due under the Bond Mortgage Loan Documents or Construction Phase Credit Documents.

Timing of Disbursement from Accounts. If a Requisition completed in accordance with the provisions of the Supplemental Indenture is received by the Trustee, the requested disbursement shall be paid by Trustee in accordance with the Supplemental Indenture. Upon final disbursement of all amounts

on deposit in the Bond Mortgage Loan Fund, including all interest accrued therein, the Trustee shall close the Bond Mortgage Loan Fund.

Immediately prior to any mandatory redemption of Bonds described in paragraph (b), (i) or (j) under the heading “THE BONDS—Mandatory Redemption—Extraordinary Mandatory Redemption” above, any amount then remaining in the Bond Mortgage Loan Fund shall, at the written direction of the Credit Facility Provider and the Issuer, be transferred to the Redemption Fund to be applied to reimburse the Credit Facility Provider for the related redemption of Bonds pursuant to the Indenture. In addition, any amount remaining in the Loan Account of the Bond Mortgage Loan Fund upon the earlier of (a) the Loan Conversion Date and not required to pay Costs of the Project not yet due and payable or being contested in good faith, in each case determined in accordance with the Construction Phase Credit Documents, or (b) the Forward Commitment Maturity Date shall be transferred to the Redemption Fund and used to reimburse the Credit Facility Provider for the related redemption of Bonds in accordance with the Indenture, provided, that if the Forward Commitment Maturity Date occurs prior to the Loan Conversion Date and if the Trustee purchases the Bonds for the account of the Construction Phase Credit Facility Provider, such transfer shall be made no later than three (3) years after the Forward Commitment Maturity Date upon the request of the Construction Phase Credit Facility Provider; provided further, that any amounts in the Loan Account of the Bond Mortgage Loan Fund in excess of the amount needed to reimburse the Credit Facility Provider for the related redemption of the Bonds shall be transferred to the Rebate Fund. Furthermore, any amount remaining in the Borrower Equity Account of the Bond Mortgage Loan Fund upon the earlier of (a) the Loan Conversion Date and not required to pay Costs of the Project not yet due and payable or being contested in good faith, in each case determined in accordance with the Construction Phase Credit Documents, or (b) the Forward Commitment Maturity Date, and provided no default by the Borrower exists under the Indenture or any Bond Mortgage Loan Document, such funds shall be transferred to the Operating Reserve Fund in the event that this account is below the required funding level. To extent that the Operating Reserve Fund is fully funded, such funds shall be paid by the Trustee to the Borrower at the written direction of the Credit Facility Provider and the Issuer.

Amounts on deposit in the Bond Mortgage Loan Fund shall be invested as provided in the Indenture. All Investment Income earned on amounts on deposit in the Bond Mortgage Loan Fund shall be retained in and credited to and become a part of the amounts on deposit in the Bond Mortgage Loan Fund, and shall constitute part of any transfers required by the Indenture.

Application of Revenues

All Revenues shall be deposited by the Trustee, promptly upon receipt thereof, to the General Account of the Revenue Fund, except (i) the proceeds of the Bonds received by the Trustee on the Delivery Date, which shall be applied as described under the heading “Bond Mortgage Loan Fund” above; (ii) amounts received by the Trustee on the Delivery Date to be deposited into the Loan Account of the Bond Mortgage Loan fund which shall be applied in accordance with the provisions of the Supplemental Indenture; (iii) amounts paid pursuant to the Credit Facility, which shall be deposited in the Credit Facility Account; (iv) the Bond Fee Component received from the Servicer or the Borrower, which shall be deposited to the Administration Fund (including, prior to the Loan Conversion Date, any moneys received from the Construction Phase Credit Facility Provider indicated to be a “Bond Fee Component Amount” pursuant to the Construction Phase Financing Agreement); (v) as otherwise described below with respect to certain deposits into the Redemption Fund; (vi) as otherwise described under the heading “Administration Fund” below with respect to deficiencies in the Administration Fund; (vii) with respect to investment earnings to the extent required under the terms hereof to be retained in the funds and accounts to which they are attributable; and (viii) with respect to amounts required to be transferred between funds and accounts as provided in the Indenture.

On each Interest Payment Date or any other date on which payment of principal of or interest on the Bonds becomes due and payable, the Trustee, out of money in the Credit Facility Account and the General Account of the Revenue Fund, shall credit the following amounts to the following funds, but in the order and within the limitations described below with respect thereto, as follows:

FIRST: to the Bond Fund from money in the Credit Facility Account of the Revenue Fund, an amount equal to the principal of and interest due on the Bonds on such date (excluding principal of and interest on any Purchased Bonds and excluding the principal constituting a mandatory sinking fund payment on any Bonds on such date); and

SECOND: to the Redemption Fund from money in the Credit Facility Account of the Revenue Fund, an amount equal to the principal amount due and payable on the Bonds with respect to mandatory sinking fund redemption (excluding principal of any Purchased Bonds) on such date; and

THIRD: to the Redemption Fund from money in the Credit Facility Account (i) amounts paid to the Trustee under the Credit Facility to be applied to the mandatory redemption of all or a portion of the Bonds (other than a mandatory sinking fund redemption) and (ii) amounts paid to the Trustee under the Credit Facility to be applied to the optional redemption of all or a portion of the Bonds; and

FOURTH: to the Purchased Bonds Account in the Bond Fund from money in the General Account, such amount as the Credit Facility Provider shall advise the Trustee is equal to the interest due on the Purchased Bonds on such date.

Promptly upon receipt, the Trustee shall deposit directly to the Redemption Fund (i) Net Proceeds representing casualty insurance proceeds or condemnation awards paid as a prepayment of the Bond Mortgage Loan, such amount to be applied to reimburse the Credit Facility Provider for a draw under the Credit Facility in such amount to provide for extraordinary mandatory redemption of all or a portion of the Bonds described in paragraph (a) under the heading "THE BONDS—Mandatory Redemption" above; (ii) Eligible Funds (other than draws under the Credit Facility) paid to the Trustee to be applied to the optional redemption of all or a portion of the Bonds; (iii) Eligible Funds (other than draws under the Credit Facility) paid to the Trustee to be applied to the payment of any redemption premium in connection with an optional redemption of all or a portion of the Bonds and (iv) amounts transferred to the Redemption Fund from the Bond Mortgage Loan Fund pursuant to the Indenture.

Should the amount in the Bond Fund be insufficient to pay the amount due on the Bonds on any given Interest Payment Date or other payment date after the transfers from the Credit Facility Account, the Trustee shall credit to the Bond Fund the amount of such deficiency by charging the following funds and accounts in the following order of priority: (1) the General Account of the Revenue Fund; (2) the Administration Fund; and (3) the Redemption Fund, except no such charge to the Redemption Fund shall be made from money to be used to effect a redemption for which notice of redemption has been provided for or from money which are held for payment of Bonds which are no longer Outstanding.

At the written direction of the Borrower, and with the written consent of the Credit Facility Provider and the Issuer, together with a certificate setting forth that no default exists under the Bond Mortgage Loan Documents signed by the Servicer, the Issuer and, prior to the Loan Conversion Date, the Construction Phase Credit Facility Provider, interest earnings deposited into the General Account of the Revenue Fund shall be paid to the Borrower semi-annually on each April 1 and October 1, commencing October 1, 2010, so long as (i) there is no deficiency in the Administration Fund, the Rebate Fund or any

Custodial Account, (ii) no default exists under the Bond Mortgage Loan and (iii) no event of default exists under any of the Bond Mortgage Loan Documents.

Prior to the Loan Conversion Date, if the Trustee receives moneys from the Construction Phase Credit Facility Provider on behalf of the Borrower designated as a “Monthly Interest Amount” pursuant to the Construction Phase Financing Agreement, the Trustee shall immediately deposit such Monthly Interest Amount into the Credit Facility Reimbursement Account. Amounts on deposit in the Credit Facility Reimbursement Account shall be used solely to reimburse Freddie Mac for amounts drawn under the Credit Enhancement Agreement to pay interest on the Bonds. No later than two Business Days prior to each Interest Payment Date, the Trustee shall disburse any amounts on deposit in the Credit Facility Reimbursement Account to Freddie Mac as reimbursement for the upcoming interest draw under the Credit Enhancement Agreement. To the extent amounts on deposit in the Credit Facility Reimbursement Account will be insufficient to reimburse Freddie Mac for the upcoming interest draw on the Credit Enhancement Agreement, the Trustee shall provide notice of such deficiency to Freddie Mac and the Construction Phase Credit Facility Provider no later than four Business Days prior to the related Interest Payment Date. Amounts on deposit in the Credit Facility Reimbursement Account shall be invested solely in Qualified Investments of the type described in subparagraph (g)(B) of the definition of Qualified Investments. Investment Income earned on amounts on deposit in the Credit Facility Reimbursement Account shall be retained therein until otherwise disbursed to Freddie Mac. Following the Loan Conversion Date, the Trustee shall disburse any amounts on deposit in the Credit Facility Reimbursement Account pursuant to Freddie Mac's direction and following final disbursement the Trustee shall close the Credit Facility Reimbursement Account.

Application of Bond Fund

The Trustee shall charge the Bond Fund, on each Interest Payment Date, an amount equal to the unpaid interest and principal due on the Bonds on such Interest Payment Date, and shall cause the same to be applied to the payment of such interest and principal when due (excluding principal on any Purchased Bond). Any money remaining in the Bond Fund on any Interest Payment Date after application as described in the preceding sentence may, to the extent there shall exist any deficiency in the Redemption Fund to redeem Bonds called for mandatory sinking fund redemption on such Interest Payment Date, be transferred to the Redemption Fund to be applied for such purpose. Any balance remaining in the Bond Fund on the Business Day immediately succeeding an Interest Payment Date shall be transferred to the Servicer for payment to the Credit Facility Provider to be applied in accordance with the Reimbursement Agreement.

Income realized from the investment or deposit of money in the Bond Fund shall be deposited by the Trustee upon receipt thereof in the General Account of the Revenue Fund.

No amount shall be charged against the Bond Fund except as expressly provided in the Indenture.

Application of Redemption Fund

Any money credited to the Redemption Fund shall be applied as described under the heading “Revenue Fund” above; provided, however, that to the extent any money credited to the Redemption Fund from Eligible Funds (other than draws under the Credit Facility) is in excess of the amount necessary to effect the redemptions described under the heading “Revenue Fund” above it shall be applied to make up any deficiency in the Bond Fund on any Interest Payment Date, to the extent money then available in accordance with the Indenture in the General Account of the Revenue Fund and the Administration Fund are insufficient to make up such deficiency, provided that no money to be used to effect a redemption for which a conditional notice of redemption, the conditions of which have been

satisfied, or an unconditional notice of redemption has been provided or money which are held for payment of Bonds which are no longer Outstanding shall be so transferred to the Bond Fund.

On or before each Interest Payment Date, the income realized from the investment of money in the Redemption Fund shall be credited by the Trustee to the General Account of the Revenue Fund.

No amount shall be charged against the Redemption Fund except as expressly provided in the Indenture.

Administration Fund

Prior to the earlier of the Loan Conversion Date or the payment in full of all Bonds Outstanding, amounts on deposit in the Administration Fund shall be applied on each Interest Payment Date as follows: first, to the payment of accrued fees that are included in the Bond Fee Component and the Special Issuer Fee that are due and payable; second, the payment of any fees due and payable to Freddie Mac under the Reimbursement Agreement; and third, to the Construction Phase Credit Facility Provider any fees due and payable under the Construction Phase Credit Reimbursement Agreement. Thereafter, amounts in the Administration Fund shall be withdrawn or maintained, as appropriate, by the Trustee and used FIRST, to make up any deficiency in the Bond Fund on any Interest Payment Date, to the extent money then available in the General Account of the Revenue Fund are insufficient to make up such deficiency; SECOND, to pay to the Trustee when due the Ordinary Trustee's Fees and Expenses; THIRD, to pay to the Issuer when due the Issuer Fee; FOURTH, to pay when due the reasonable fees and expenses of a Rebate Analyst in connection with the computations relating to arbitrage rebate required under the Supplemental Indenture and the Financing Agreement, upon receipt of an invoice from the Rebate Analyst; FIFTH, to deposit to any Custodial Escrow Account any deficiency in the amount held therein as certified in writing by the Servicer (or subsequent holder of such an account) to the Trustee; SIXTH, to pay to the Trustee any Extraordinary Trustee's Fees and Expenses due and payable from time to time, as set forth in an invoice submitted to the Borrower and Freddie Mac; SEVENTH, to pay to the Issuer any extraordinary fees and expenses it may incur in connection with the Bonds or the Supplemental Indenture from time to time and any amounts due and owing to the Issuer (including indemnification), as set forth in an invoice submitted to the Trustee and Freddie Mac; EIGHTH, to pay to the Credit Facility Provider any unpaid portion of the amounts due under the Reimbursement Agreement, as certified in writing by the Credit Facility Provider to the Trustee; NINTH, to pay to the Servicer any unpaid portion of the Ordinary Servicing Fees and Expenses and any Extraordinary Servicing Fees and Expenses due and owing from time to time, as set forth in an invoice submitted to the Trustee and Freddie Mac; TENTH, to make up any deficiency in the Redemption Fund on any redemption date of Bonds, to the extent money then available in accordance with the Indenture in the Redemption Fund are insufficient to redeem Bonds called for redemption on such redemption date; ELEVENTH, to pay to the Dissemination Agent when due the Dissemination Agent's Fee; TWELFTH, to pay to the Rating Agency when due the annual rating maintenance fee, if any, as set forth in an invoice submitted to the Trustee; and THIRTEENTH, to transfer any remaining balance after application as aforesaid to the General Account of the Revenue Fund.

In the event that the amounts on deposit in the Administration Fund are not equal to the amounts payable from the Administration Fund as described in the preceding paragraph on any date on which such amounts are due and payable, the Trustee shall give notice to the Borrower of such deficiency and of the amount of such deficiency and request payment within two Business Days to the Trustee of the amount of such deficiency. Upon payment by the Borrower of such deficiency, the amounts for which such deficiency was requested shall be paid by the Trustee.

On or before each Interest Payment Date, the income realized from the investment of money in the Administration Fund not needed to pay the foregoing amounts shall be credited by the Trustee to the General Account of the Revenue Fund.

No amount shall be charged against the Administration Fund except as expressly provided in the Indenture.

Operating Reserve Fund

The Borrower shall deliver or cause to be delivered, from equity contributions received pursuant to the Supplemental Indenture, for deposit to the Operating Reserve Fund additional amounts to be sufficient to cause the total sum of all such deposits into the Operating Reserve Fund to be equal to \$397,200. The Trustee shall have no obligation to monitor or verify the dates upon which any such deposits are to be made to the Operating Reserve Fund or to verify that the requirements of the Issuer with respect to such deposits have been satisfied. The Trustee shall only be obligated to deposit such amounts upon receipt thereof from or on behalf of the Borrower.

The Trustee shall disburse amounts from the Operating Reserve Fund upon the written requisition of the Borrower, with the written approval of the Issuer. Amounts disbursed from the Operating Reserve Fund shall be disbursed for and applied by the Borrower to the payment of operating deficits or the payment of debt service on the Bond Mortgage Loan. The Borrower agrees to request approval by the Issuer in advance of disbursements of funds from the Operating Reserve Fund by providing written notice to the General Counsel of the Issuer together with appropriate back-up documentation.

Rebate Fund; Compliance with Tax Certificates

On the Release Date, the Rebate Fund shall be established by the Trustee and held and applied as provided under this heading. On any date on which any amounts are required by applicable federal tax law to be rebated to the federal government, amounts shall be deposited into the Rebate Fund by the Borrower for such purpose. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the rebate requirement (as set forth in the Tax Certificates) and as calculated by the Rebate Analyst, for payment to the United States Government, and neither the Issuer, the Borrower, the Credit Facility Provider nor the Bondholders shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this section and by the Tax Certificates. The Trustee shall conclusively be deemed to have complied with such provisions if it follows the written instructions of the Issuer, Bond Counsel or the Rebate Analyst, including supplying all necessary information in the manner set forth in the Tax Certificate, and shall not be required to take any actions under the Tax Certificate in the absence of written instructions from the Issuer, Bond Counsel or the Rebate Analyst.

Within 55 days of the end of each fifth Bond Year, the Borrower shall cause the Rebate Analyst to calculate the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Treasury Regulations (taking into account any exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificates (e.g., the temporary investments exceptions of Section 148(f)(4)(B) and (C) of the Code)), for this purpose treating the last day of the applicable Bond Year as a (computation) date, within the meaning of Section 1.148-1(b) of the Treasury Regulations (the "Rebatable Arbitrage"). Pursuant to the Financing Agreement, the Borrower shall cause the Rebate Analyst to provide such calculations to the Trustee and the Issuer. In the event that the Borrower fails to provide such information to the Trustee and the Issuer within 55 days of the end of each fifth Bond Year, the Trustee, at the expense of the Borrower, shall select the Rebate

Analyst, with the prior written approval of the Issuer, and shall cause the Rebate Analyst to calculate the amount of rebatable arbitrage as required in the Indenture.

Within 55 days of the end of each fifth Bond Year, upon the written direction of the Issuer, Bond Counsel or the Rebate Analyst, an amount shall be deposited to the Rebate Fund by the Trustee from amounts provided by the Borrower, if and to the extent required so that the balance in the Rebate Fund shall equal the amount of Rebatable Arbitrage so calculated as described in the preceding paragraph.

The Trustee shall pay, as directed by the Issuer, Bond Counsel or the Rebate Analyst, to the United States Department of the Treasury, out of amounts in the Rebate Fund:

(i) Not later than 60 days after the end of (A) the fifth Bond Year, and (B) each applicable fifth Bond Year thereafter, an amount equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Bond Year; and

(ii) Not later than 60 days after the payment of all the Bonds, an amount equal to 100% of the Rebatable Arbitrage calculated as of the end of such applicable Bond Year, and any income attributable to the Rebatable Arbitrage, computed in accordance with Section 148(f) of the Code.

Each payment required to be made under this heading shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 (or such other address provided in such direction), on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038 T, which shall be prepared by the Rebate Analyst and provided to the Trustee.

Notwithstanding any provision of the Supplemental Indenture to the contrary, the obligation to remit payment of the Rebatable Arbitrage to the United States and to comply with all other requirements of the Indenture and the Financing Agreement and the requirements of the Tax Certificates shall survive the defeasance or payment in full of the Bonds.

Any funds remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any Rebate Requirement, or provision made therefor satisfactory to the Trustee, shall be withdrawn and remitted to the Borrower.

The Trustee shall obtain and keep such records of the computations made pursuant to the Indenture as are required under Section 148(f) of the Code to the extent furnished to the Trustee. The Borrower shall or shall cause the Rebate Analyst to provide to the Issuer and the Trustee copies of all rebate computations made pursuant to the Indenture. The Trustee shall keep and make available to the Borrower such records concerning the investments of the gross proceeds of the Bonds and the investments of earnings from those investments made by the Trustee as may be requested by the Borrower in order to enable the Borrower to cause the Rebate Analyst to make the aforesaid computations as are required under Section 148(f) of the Code.

Notwithstanding the foregoing, the computations and payments of Rebatable Arbitrage need not be made to the extent that neither the Issuer nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on an opinion of Bond Counsel, to the effect that such failure will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds, a copy of which shall be provided to the Trustee, at the expense of the Borrower.

Costs of Issuance Fund

The Trustee shall use money on deposit to the credit of the Costs of Issuance Fund to pay the Costs of Issuance on the Delivery Date or as soon as practicable thereafter in accordance with written instructions to be given to the Trustee by the Borrower, as set forth in the closing memorandum prepared by the underwriter for the Bonds (and accepted and agreed to by the Issuer, the Borrower and the Construction Phase Credit Facility Provider) on the Delivery Date or by Requisition, upon delivery to the Trustee of appropriate invoices for such expenses. Amounts in the Costs of Issuance Fund funded with proceeds of the Bonds, if any, shall be expended prior to the application of the Costs of Issuance Deposit. Investment earnings on amounts in the Costs of Issuance Fund shall be retained in such fund. Amounts remaining on deposit in the Costs of Issuance Fund six (6) months after the Delivery Date shall be transferred to the Construction Phase Credit Facility Provider for deposit in the "Borrower's Deposit Account" (as defined in the Construction Phase Reimbursement Agreement). Upon such final disbursement, the Trustee shall close the Costs of Issuance Fund.

Replacement Reserve Fund

Beginning on the first to occur of April 1 or October 1 after the Loan Conversion Date, the Unit Reserve Amount shall be deposited on each April 1 and October 1 in the Replacement Reserve Fund solely from Surplus Cash, if any, or amounts received pursuant to the Guaranty. Notwithstanding any other provision of the Supplemental Indenture, the Financing Agreement or any other Bond Mortgage Loan Document, failure by the Borrower to make a deposit of the Unit Reserve Amount into the Replacement Reserve Fund shall not constitute an Event of Default hereunder nor under the Financing Agreement nor any other Bond Mortgage Loan Document. Moneys in the Replacement Reserve Fund shall be disbursed by the Trustee only upon receipt of a requisition executed by the Authorized Representative of the Borrower and approved in writing by the Issuer for application to repairs of or replacements in part of the Project, except that upon the occurrence and continuation of an Event of Default under the Supplemental Indenture and a cancellation of the Bonds pursuant thereto, all moneys and investments in the Replacement Reserve Fund (other than moneys held to pay costs required to be paid but not yet payable) shall be transferred to the Revenue Fund and applied to the payment of the Bonds (or reimbursement of the Credit Facility Provider for early payment). Upon the payment in full of the Bonds and the fees and expenses of the Issuer and the Trustee and upon payment of amounts payable to the United States pursuant to the Supplemental Indenture, any amounts remaining in the Replacement Reserve Fund shall be paid to the Borrower, with the prior written approval of the Issuer, as soon as practicable upon the Owner's written request therefor.

Special Issuer Fee

Simultaneously with the Trustee's withdrawal of funds from the Loan Account to pay interest due on the Series 2009A Bonds on the Permanent Rate Conversion Date pursuant to the Supplemental Indenture, the Trustee shall also automatically withdraw without need of requisition from the Loan Account (or from the Borrower Equity Account to the extent there are insufficient moneys in the Loan Account) an amount equal to the Special Issuer Fee and shall transfer such amount to the Administration Fund for use to pay the Issuer the Special Issuer Fee. To the extent moneys on deposit in the Loan Account or the Borrower Equity Account will be insufficient to pay the interest due on the Series 2009A Bonds and the Special Issuer Fee on the Permanent Rate Conversion Date, the Trustee shall, after drawing on the Credit Facility pursuant to the Supplemental Indenture and depositing into the Bond Fund sufficient amounts to pay the interest on the Series 2009A Bonds, transfer any amounts remaining in the Credit Facility Account of the Revenue Fund to the Administration Fund for use to pay the Issuer the Special Issuer Fee.

The Trustee acknowledges that if it is required to draw on the Credit Facility to pay interest accruing to the Permanent Rate Conversion Date, that the Series 2009A Bond Mortgage Loan has borne interest at the applicable Permanent Rate from the Delivery Date to, but not including, the Permanent Rate Conversion Date, and that the Credit Facility shall be drawn in accordance with its terms on such date as if the Series 2009A Bonds also accrued interest from the Delivery Date to the Permanent Rate Conversion Date at the applicable Permanent Rate.

Debt Service Reserve Fund

(a) The Borrower shall deliver or cause to be delivered not later than the Delivery Date, from equity contributions received pursuant to the Supplemental Indenture for deposit to the Debt Service Reserve Fund additional amounts to be sufficient to cause the total sum of all deposits into the Debt Service Reserve Fund to be equal to \$174,569. The Trustee shall have no obligation to monitor or verify the dates upon which any such deposits are to be made to the Debt Service Reserve Fund or to verify that the requirements of the Issuer with respect to such deposits have been satisfied. The Trustee shall only be obligated to deposit such amounts upon receipt thereof from or on behalf of the Borrower.

(b) Amounts on deposit in the Debt Service Reserve Fund shall be used (i) solely to reimburse Freddie Mac for amounts drawn under the Credit Enhancement Agreement to pay principal and interest on the Bonds upon receipt of a notice by the Trustee from the Servicer or Freddie Mac stating that such amounts remain unreimbursed by the Borrower pursuant to the Reimbursement Agreement, and (ii) solely in the event of a Wrongful Dishonor, to pay the principal of and interest on the Bonds to the extent that the amounts on deposit in the General Account of the Revenue Fund are insufficient to pay such amounts on any Interest Payment Date, in which event amounts needed to make such debt service payments shall be applied to such payment.

(c) In the event any funds are drawn from the Debt Service Reserve Fund, then the Borrower shall deposit funds into the Debt Service Reserve Fund in an amount equal to the amounts drawn to replenish such fund within thirty (30) days from the date such amounts are withdrawn.

(d) Amounts on deposit in the Debt Service Reserve Fund shall be invested solely in Qualified Investments of the type described in subparagraphs (g)(B) of the definition of "Qualified Investments." Investment Income earned on amounts on deposit in the Debt Service Reserve Fund shall be retained in the Debt Service Reserve Fund.

(e) The Trustee shall maintain the Debt Service Reserve Fund for so long as the Bonds shall remain Outstanding.

Investment of Funds

The money held by the Trustee shall constitute trust funds for the purposes of the Indenture. Any money attributable to each of the funds and accounts under the Indenture shall be, except as otherwise expressly provided in the Indenture, invested by the Trustee, at the written direction of the Issuer, upon request of the Borrower (or, in the case of the Rebate Fund, at the written instruction of Bond Counsel pursuant to the Supplemental Indenture), in Qualified Investments which mature on the earlier of (i) six months from the date of investment and (ii) the date such money is needed; provided, that if the Trustee shall have entered into any investment agreement requiring investment of money in any fund or account under the Supplemental Indenture in accordance with such investment agreement and if such investment agreement constitutes a Qualified Investment, such money shall be invested in accordance with such

requirements; provided further, that all funds derived from draws on the Credit Facility shall be held uninvested or shall be invested only in Government Obligations or in Qualified Investments of the type described in subparagraph (g) of the definition thereof which, in any case, shall mature or be subject to redemption at par on or prior to the earlier of: (i) 30 days from the date of investment or (ii) the date such money is required to be applied pursuant to the provisions of the Supplemental Indenture. Except as otherwise described in the preceding sentence, in the absence of written direction from the Issuer upon the request of the Borrower, the Trustee shall invest amounts on deposit in the funds and accounts established under the Supplemental Indenture in investments of the type described in subparagraph (g) of the definition of Qualified Investments. Such investments may be made through the investment or securities department of the Trustee. All such Qualified Investments purchased with money in any fund or account under the Indenture shall mature, or shall be subject to redemption or withdrawal without discount or penalty at the option of the Trustee, prior to the next succeeding Interest Payment Date. The Trustee may purchase from or sell to itself or an affiliate, as principal or agent, securities herein authorized. Any instruction from the Borrower shall be deemed to include a representation that the investment constitutes a Qualified Investment and is in accordance with the terms hereof and the Tax Certificates. The Trustee shall be entitled to assume, absent receipt by the Trustee of written notice to the contrary, that any investment which at the time of purchase in a Qualified Investment remains a Qualified Investment thereafter.

Qualified Investments representing an investment of money attributable to any fund or account shall be deemed at all times to be a part of said fund or account, and, except as otherwise may be provided expressly in the Indenture, the interest thereon and any profit arising on the sale thereof shall be credited to the General Account of the Revenue Fund, and any loss resulting on the sale thereof shall be charged against the General Account of the Revenue Fund. Such investments shall be sold at the best price obtainable (at least par) whenever it shall be necessary so to do in order to provide money to make any transfer, withdrawal, payment or disbursement from said fund or account. In the case of any required transfer of money to another such fund or account, such investments may be transferred to that fund or account in lieu of the required money if permitted hereby as an investment of money in that fund or account. The Trustee shall not be liable or responsible for any loss resulting from any investment made in accordance with the Indenture.

In computing for any purpose under the Indenture the amount in any fund or account on any date, obligations so purchased shall be valued at Fair Market Value.

Money Held for Particular Bonds; Funds Held in Trust

The amounts held by the Trustee for the payment of the interest, principal or redemption price due on any date with respect to particular Bonds pending such payment, shall be set aside and held in trust by it for the Holders of the Bonds entitled thereto, and for the purposes of the Indenture such interest, principal or redemption price, after the due date thereof, shall no longer be considered to be unpaid.

All money held by the Trustee for purpose at any time pursuant to the terms of the Supplemental Indenture shall be and have been assigned, transferred and set over unto the Trustee in trust for the purposes and under the terms and conditions of the Supplemental Indenture.

Amounts Remaining in Funds

After full payment of the Bonds (or provision for payment thereof having been made in accordance with the Indenture) and full payment of the fees, charges and expenses of the Issuer and the Trustee and other amounts required to be paid under the Indenture or under any Bond Mortgage Loan Document, including, but not limited to, the Credit Facility and the Reimbursement Agreement or the

Construction Phase Credit Documents, any amounts remaining in any fund or account under the Indenture other than the Rebate Fund shall be paid to the Borrower; provided however, that if a default shall have occurred and remain uncured under any Bond Mortgage Loan Document of which the Trustee shall have received written notice from the Credit Facility Provider or the Servicer, then any such amounts remaining in any fund or account under the Indenture shall be paid to the Credit Facility Provider in accordance with the Reimbursement Agreement; provided, further, that if a default shall have occurred and remain uncured under the Construction Phase Credit Documents of which the Trustee shall have received written notice from the Construction Phase Credit Facility Provider, then following payment of any amounts due and payable to the Credit Facility Provider, any such amounts remaining in any fund or account under the Indenture shall be paid to the Construction Phase Credit Facility Provider in accordance with the Construction Phase Credit Documents.

Payments Under Bond Mortgage Loan

The Trustee and the Issuer expressly acknowledge that references in the Indenture to payments or prepayments of the Bond Mortgage Loan shall, for all purposes of the Supplemental Indenture, refer solely to such portion of such payments or prepayments actually paid by the Credit Facility Provider to the Trustee as Guaranteed Payments pursuant to the Credit Facility for which the Borrower has correspondingly reimbursed the Credit Facility Provider in an amount equal to the Guaranteed Payments. Without in any way limiting the foregoing, the Trustee, and the Issuer acknowledge that, following the Loan Conversion Date, pursuant to the Guide, the Servicer will pay the Freddie Mac Credit Enhancement Fee, the Freddie Mac Reimbursement Amount and the Ordinary Servicing Fees and Expenses from payments under the Bond Mortgage Loan made by the Borrower prior to remitting the balance of such payments or prepayments to the Trustee for application as provided in the Supplemental Indenture.

Drawings Under Credit Facility

The Credit Facility shall be held by the Trustee and drawn upon in accordance with its terms and the provisions of the Supplemental Indenture. Money derived from draws upon the Credit Facility shall be deposited in the Credit Facility Account of the Revenue Fund and applied by the Trustee to pay the principal of and interest on the Bonds, and, in the event of a purchase of the Bonds in lieu of redemption as described under the heading “THE BONDS—Purchase of Bonds in Whole in Lieu of Redemption” above, to pay, to the extent provided in the Credit Facility, the Purchase Price of the Bonds in accordance with the Supplemental Indenture.

Beginning on the first Interest Payment Date and continuing through the Loan Conversion Date, the Trustee shall transfer moneys from the Loan Account of the Bond Mortgage Loan Fund, if any, to make timely payments of interest on the Bonds when due and payable (i.e., on Interest Payment Dates, at Bond maturity or upon the redemption or acceleration of the maturity of the Bonds) and to the extent such moneys are insufficient to pay such interest, the Trustee shall draw moneys under the Credit Facility in accordance with its terms in an amount sufficient to make timely payments of the interest, but not principal or premium, on the Bonds to be made from the Bond Fund. Prior to the Loan Conversion Date, the Trustee shall draw moneys under the Credit Facility in accordance with the terms thereof in an amount sufficient to make timely payments of the principal of the Bonds when due and payable (i.e., on Interest Payment Dates, at Bond Maturity or upon the redemption or acceleration of the maturity of the Bonds).

Following the Loan Conversion Date, the Trustee shall draw money under the Credit Facility in accordance with the terms thereof when needed and in amounts sufficient to make timely payments of the principal of and interest, but not premium, on the Bonds when due and payable (i.e., on any Interest

Payment Date, any Settlement Date, any redemption date or the Maturity Date). The Trustee shall not, however, be permitted to draw on the Credit Facility to pay principal of and interest on Purchased Bonds.

Should the Credit Facility Provider become the owner of the Project by foreclosure or otherwise, the Trustee shall nevertheless continue to make payments on the Bonds only from draws on the Credit Facility or from other Eligible Funds.

The Trustee shall send to the Borrower and, prior to the Loan Conversion Date, the Construction Phase Credit Facility Provider, via facsimile a copy of any documents which are presented to the Credit Facility Provider in connection with a drawing on the Credit Facility concurrently with its submission of those documents to the Credit Facility Provider, if requested to do so by the Borrower.

The Trustee shall also draw moneys under the Credit Enhancement Agreement in accordance with its terms to cover any deficiency in payment of the Issuer Fee (such draws, if any, acknowledged to be on a standby basis, not on a direct pay basis. Notwithstanding the foregoing or any other provision in the Supplemental Indenture to the contrary, the Trustee shall not draw money under the Credit Enhancement Agreement for any amount due to the Issuer thereunder, such amounts being payable solely by the Borrower.

Events of Default

Each of the following shall be an event of default with respect to the Bonds (an “Event of Default”) under the Indenture:

(a) failure to pay the principal of, premium, if any, or interest on any Bond (other than Purchased Bonds or Special Purchased Bonds) when due, whether on an Interest Payment Date, at the stated maturity thereof, by proceedings for redemption thereof, by acceleration or otherwise; or

(b) failure by the Credit Facility Provider to make when due a required payment under the Credit Facility; or

(c) failure to observe or perform any of the covenants, agreements or conditions on the part of the Issuer (other than those relating to the payment of the principal of, premium, if any, the Purchase Price of and interest on the Bonds) set forth in the Indenture or in the Bonds and the continuance thereof for a period of 30 days (or such longer period, if any, as is specified in the Indenture for particular defaults) after written notice thereof (which notice shall be effective only with the written consent of the Credit Facility Provider if no Event of Default has occurred and is then continuing under paragraph (b) above) to the Issuer from the Trustee or the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding at such time specifying such default and requiring the same to be remedied; provided that if such default cannot be cured within such 30 day period through the exercise of diligence and the Issuer commences the required cure within such 30 day period and continues the cure with diligence and the Issuer reasonably anticipates that the default could be cured within 60 days, the Issuer shall have 60 days following receipt of such notice to effect the cure.

The Trustee and the Issuer agree that, notwithstanding the provisions of the Indenture, no default under the terms of the Indenture shall be construed as resulting in a default under the Bond Mortgage Note, the Bond Mortgage or any other Bond Mortgage Loan Document, unless such event also constitutes an event of default thereunder.

The Trustee will promptly and without delay notify the Issuer, the Servicer, the Credit Facility Provider and the Construction Phase Credit Facility Provider after a Responsible Officer obtains actual knowledge of the occurrence of an Event of Default or obtains actual knowledge of the occurrence of an event which would become an Event of Default with the passage of time or the giving of notice or both.

Acceleration; Other Remedies Upon Event of Default

Upon the occurrence of an Event of Default described in paragraph (b) above, the Trustee shall, upon the written request of the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding and receipt of indemnity satisfactory to it, by notice in writing delivered to the Issuer, declare the principal of all Bonds then Outstanding and the interest accrued thereon immediately due and payable, and interest shall continue to accrue thereon until such amounts are paid.

Upon the occurrence of an Event of Default (other than an Event of Default described in paragraph (b) above), the Trustee shall, but only upon receipt from the Credit Facility Provider of a notice directing such acceleration (which notice may be given in the sole discretion of the Credit Facility Provider and, prior to the Loan Conversion Date, only with the consent of the Construction Phase Credit Facility Provider), by notice in writing delivered to the Issuer, declare the principal of all Bonds then Outstanding and the interest accrued thereon immediately due and payable and, upon the Credit Facility Provider having honored a properly presented and conforming draw under the Credit Facility to pay such amounts, interest on the Bonds shall cease to accrue, anything contained in the Indenture or in the Bonds to the contrary notwithstanding.

The payment on the Bonds resulting from a declaration of acceleration on the Bonds as the result of an Event of Default described in paragraph (a) or (c) above shall be made from the Credit Facility.

If at any time after the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or entered, the Issuer, the Borrower, the Credit Facility Provider or the Construction Phase Credit Facility Provider, as applicable, shall pay to or deposit with the Trustee a sum sufficient to pay all principal of the Bonds then due (other than solely by reason of such declaration) and all unpaid installments of interest (if any) upon all the Bonds then due, with interest at the rate borne by the Bonds on such overdue principal and (to the extent legally enforceable) on such overdue installments of interest, and the reasonable fees and expenses of the Trustee (including its counsel) shall have been made good or cured or adequate provision shall have been made therefor, and all outstanding amounts then due and unpaid under the Reimbursement Agreement (including, without limitation, with respect to the Credit Facility Provider all outstanding amounts owed to the Credit Facility Provider and all fees owed to the Credit Facility Provider) (collectively, the "Cure Amount") shall have been paid in full, and all other defaults under the Indenture shall have been made good or cured or waived in writing by the Credit Facility Provider (or, if an Event of Default described in paragraph (b) above has occurred and is then continuing, by the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding), then and in every case, the Trustee on behalf of the Holders of all the Outstanding Bonds shall rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent default, nor shall it impair or exhaust any right or power consequent thereon. Notwithstanding the foregoing provisions of this paragraph, in the event the Cure Amount is derived in whole or in part from a draw on the Credit Facility, any such rescission or annulment of such declaration of acceleration shall not occur without the written consent of the Credit Facility Provider. The right of the Construction Phase Credit Facility Provider to deposit sums with the Trustee as set forth above shall not be construed to mean that the Letter of Credit enhances the Bonds or runs to the benefit of any party other than Freddie Mac.

Upon the occurrence and during the continuance of an Event of Default, the Trustee in its own name and as trustee of an express trust, on behalf and for the benefit and protection of the Holders of all Bonds with respect to which such an Event of Default has occurred and of the Credit Facility Provider (if no Event of Default has occurred and is continuing as described in paragraph (b) above), may also proceed to protect and enforce any rights of the Trustee and, to the full extent that the Holders of such Bonds themselves might do, the rights of such Bondholders under the laws of the District or under the Indenture by such of the following remedies as the Trustee shall deem most effectual to protect and enforce such rights; provided that, so long as no Event of Default has occurred and is then continuing described in paragraph (b) above, the Trustee may undertake any such remedy only upon the receipt of the prior written consent of the Credit Facility Provider (which consent may be given in the sole discretion of the Credit Facility Provider) and the Construction Phase Credit Facility Provider:

(i) by mandamus or other suit, action or proceeding at law or in equity, to enforce the payment of the principal of, premium, if any, or interest on the Bonds then Outstanding and to require the Issuer or the Credit Facility Provider to carry out any covenants or agreements with or for the benefit of the Bondholders and to perform its duties under the Act, the Indenture, the Financing Agreement or the Credit Facility (as applicable) to the extent permitted under the applicable provisions thereof;

(ii) by pursuing any available remedies under the Financing Agreement, the Credit Facility or any other Bond Financing Document;

(iii) by realizing or causing to be realized through sale or otherwise upon the security pledged under the Indenture; and

(iv) by action or suit in equity enjoin any acts or things that may be unlawful or in violation of the rights of the Holders of the Bonds and execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Trustee in order to have the respective claims of the Bondholders against the Issuer allowed in any bankruptcy or other proceeding.

No remedy by the terms of the Indenture conferred upon or reserved to the Trustee or to the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee, the Credit Facility Provider or the Bondholders under the Indenture or under the Financing Agreement, the Credit Facility, the Reimbursement Agreement or any other Bond Financing Document, as applicable, or existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. No waiver of any Event of Default under the Indenture, whether by the Trustee, the Credit Facility Provider or the Bondholders, shall extend to or shall affect any subsequent default or event of default or shall impair any rights or remedies consequent thereto.

In all events the rights of the Trustee to exercise remedies under the Supplemental Indenture upon the occurrence of an Event of Default shall be subject to the provisions of the Intercreditor Agreement.

Rights of Bondholders

If an Event of Default described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above shall have occurred and is then continuing, and if requested in writing so to do by the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding

with respect to which there is a default, and if indemnified to its satisfaction, the Trustee shall exercise one or more of the rights and powers conferred by the Indenture as the Trustee, being advised by counsel or a committee of Responsible Officers, shall deem to be in the best interest of the affected Bondholders. If an Event of Default described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above shall have occurred and is then continuing, the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding with respect to which an Event of Default has occurred shall have the right at any time, subject to the provisions of the Indenture described under the heading “Remedies of Bondholders” below, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Indenture, or for the appointment of a receiver or any other proceedings under the Indenture, in accordance with the provisions of law and of the Indenture.

Application of Moneys After Default

All money (other than amounts drawn from the Credit Facility as described under the heading “Events of Default; Acceleration; Remedies” above) collected by the Trustee at any time pursuant to the provisions of the Indenture relating to Events of Default shall, except to the extent, if any, otherwise directed by a court of competent jurisdiction, be credited by the Trustee to the General Account of the Revenue Fund. Such money so credited to the General Account of the Revenue Fund and all other money from time to time credited to the General Account of the Revenue Fund shall at all times be held, transferred, withdrawn and applied as prescribed by the provisions of the Indenture.

In the event that at any time the money credited to the Revenue Fund, the Bond Fund, the Redemption Fund and the Administration Fund available for the payment of interest or principal then due with respect to the Bonds shall be insufficient for such payment, such money (other than money held for the payment or redemption of particular Bonds as provided in the Indenture and amounts drawn from the Credit Facility as described under the heading “Events of Default; Acceleration; Remedies” above) shall be applied as follows and in the following order of priority:

(a) For payment of all amounts due to the Trustee incurred in performance of its duties under the Indenture, including, without limitation, the payment of all reasonable fees and expenses of the Trustee incurred in exercising any remedies under the Indenture.

(b) So long as no Event of Default has occurred and is then continuing as described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above, first for the payment to the Credit Facility Provider of all amounts then due and unpaid under the Reimbursement Agreement (including with respect to Freddie Mac all Freddie Mac Credit Enhancement Fees and Freddie Mac Reimbursement Amounts) and second, prior to the Loan Conversion Date, for the payment to the Construction Phase Credit Facility Provider of all amounts then due and unpaid under the Construction Phase Credit Reimbursement Agreement.

(c) Unless the principal of all Bonds shall have become or have been declared due and payable:

FIRST: to the payment to the Persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available is not sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or preference; and

SECOND: to the payment to the Persons entitled thereto of the unpaid principal of and premium, if any (which payment of premium shall not be restricted to Eligible Funds), on any Bonds which shall have become due, whether at maturity or by call for redemption, in the order in which they became due and payable, and, if the amount available is not sufficient to pay in full all the principal of and premium, if any, on the Bonds so due on any date, then to the payment of principal ratably, according to the amounts due on such date, to the Persons entitled thereto, without any discrimination or preference, and then to the payment of any premium due on the Bonds, ratably, according to the amounts due on such date, to the Persons entitled thereto, without any discrimination or preference.

(d) If the principal of all of the Bonds shall have become or have been declared due and payable, to the payment of the principal of, premium, if any (which payment of premium shall not be restricted to Eligible Funds), and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due, respectively, for principal, premium and interest, to the Persons entitled thereto without any discrimination or preference except as to any differences in the respective rates of interest specified in the Bonds.

(e) If an Event of Default has occurred and is then continuing as described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above, for the payment to the Credit Facility Provider of all amounts then due and unpaid under the Reimbursement Agreement to the date of such Event of Default.

Remedies of Bondholders

No Holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of the Indenture or for the execution of any trust under the Supplemental Indenture or for the appointment of a receiver or any other remedy under the Indenture, unless (a) a default shall have occurred of which the Trustee shall have been notified as provided in the Indenture; (b) such default shall have become an Event of Default described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above; (c) the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding with respect to which there is such an Event of Default shall have made written request to the Trustee and shall have offered reasonable opportunity to the Trustee either to proceed to exercise the powers granted by the Indenture or to institute such action, suit or proceeding in its own name; (d) such Holders shall have offered to the Trustee indemnity as provided in the Indenture; and (e) the Trustee shall within 60 days thereafter fail or refuse to exercise the powers granted by the Indenture, or to institute such action, suit or proceeding; it being understood and intended that no one or more Holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of the Indenture or the rights of any other Holders of Bonds or to obtain priority or preference over any other Holders or to enforce any right under the Indenture, except in the manner provided in the Indenture with respect to the equal and ratable benefit of all Holders of Bonds with respect to which there is a default. Nothing contained in the Indenture shall, however, affect or impair the right of any Bondholder to enforce the payment of the principal of, the premium, if any, and interest on any Bond at the maturity thereof or the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds issued under the Indenture to the respective holders thereof, at the time, in the place, from the sources and in the manner expressed in the Indenture and in said Bonds.

Rights of the Credit Facility Provider

If an Event of Default described in paragraph (a) or (c) under the heading “Events of Default; Acceleration; Remedies” above shall have occurred and so long as no Event of Default has occurred and is then continuing as described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above, upon receipt of the written direction of the Credit Facility Provider (which direction may be given in the sole discretion of the Credit Facility Provider), the Trustee shall be obligated to exercise any right or power conferred by the Indenture in the manner set forth in such written direction of the Credit Facility Provider. If such written direction expressly states that the Trustee may exercise one or more of the rights and powers conferred by the Indenture as the Trustee shall deem to be in the interest of the Bondholders and the Credit Facility Provider, the Trustee, being advised by counsel, shall exercise one or more of such rights and powers as the Trustee, being advised by counsel or committee of Responsible Officers, shall deem to be in the best interests of the Bondholders and the Credit Facility Provider; provided, however, that in any event, so long as no Event of Default has occurred and is then continuing as described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above, the Trustee may not undertake any action to realize, through sale or otherwise, upon the Bond Mortgage Loan without the express written direction of the Credit Facility Provider. So long as no Event of Default has occurred and is then continuing described in paragraph (b) under the heading “Events of Default; Acceleration; Remedies” above, in the case of an Event of Default described in paragraph (a) or (c) under the heading “Events of Default; Acceleration; Remedies” above, the Credit Facility Provider shall have the right, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Indenture, or for the appointment of a receiver or any other proceedings under the Indenture, in accordance with the provisions of law and of the Indenture.

Supplemental Indentures Not Requiring Consent of Bondholders

The Issuer and the Trustee may from time to time and at any time, without the consent of, or notice to, any of the Bondholders, but with the prior written consent of the Credit Facility Provider and the Construction Phase Credit Facility Provider, enter into an indenture or indentures supplemental to the Indenture for any one or more of the following purposes:

- (a) to cure any formal defect, omission, inconsistency or ambiguity in the Indenture in a manner not materially adverse to the Holder of any Bond to be Outstanding after the effective date of the change;
- (b) to grant to or confer upon the Trustee for the benefit of the Holders of the Bonds any additional rights, remedies, powers or authority that may lawfully be granted or conferred and that are not contrary to or inconsistent with the Indenture or the rights of the Trustee under the Indenture as theretofore in effect;
- (c) to subject to the lien and pledge of the Indenture additional revenues, properties or collateral;
- (d) to modify, amend or supplement the Indenture or any Supplemental Indenture to the Indenture in such manner as to permit the qualification under the Trust Indenture Act of 1939, as amended, or any similar federal statute in effect or to permit the qualification of the Bonds for sale under any state blue sky laws;

(e) to make such additions, deletions or modifications as may be, in the opinion of Bond Counsel delivered to the Issuer, the Trustee and the Credit Facility Provider, necessary to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds;

(f) to modify, amend or supplement the Indenture as required by the Rating Agency to obtain or maintain a rating or ratings for the Bonds, except no change may be made that will materially adversely affect the interests of the Holders of the Bonds to be Outstanding after the effective date of the change;

(g) to implement or modify any secondary market disclosure requirements; and

(h) to modify, amend or supplement the Indenture in any other respect which is not materially adverse to the Holders of the Bonds to be Outstanding after the effective date of the change and which does not involve a change described under the heading “Supplemental Indentures Requiring Consent of Bondholders” below.

Supplemental Indentures Requiring Consent of Bondholders

With the prior written consent of the Credit Facility Provider and the Construction Phase Credit Facility Provider, the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, to consent to and approve the execution by the Issuer and the Trustee of such indenture or indentures supplemental to the Indenture as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Indenture; provided, however, that nothing described under this heading shall permit, or be construed as permitting, (a) an extension of the time for payment of, or an extension of the stated maturity or reduction in the principal amount or reduction in the rate of interest on or extension of the time of payment, of interest on, or reduction of any premium payable on the redemption of, any Bonds, or a reduction in the Borrower’s obligation on the Bond Mortgage Note, without the consent of the Holders of all of the Bonds then Outstanding, (b) the creation of any lien prior to or on a parity with the lien of the Indenture, (c) a reduction in the aforesaid percentage of the principal amount of Bonds which is required in connection with the giving of consent to any such supplemental indenture, without the consent of the Holders of all of the Bonds then Outstanding, (d) the modification of the rights, duties or immunities of the Trustee, without the written consent of the Trustee, (e) a privilege or priority of any Bond over any other Bonds, or (f) any action that results in the interest on the Bonds becoming included in gross income for federal income tax purposes.

If at any time the Issuer shall request the Trustee to enter into any such supplemental indenture for any of the purposes described under this heading, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be mailed, postage prepaid, to all registered Bondholders and to the Credit Facility Provider and the Construction Phase Credit Facility Provider. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the corporate trust office of the Trustee for inspection by all Bondholders.

Thirty days after the date of the mailing of such notice, the Issuer and the Trustee may enter into such supplemental indenture substantially in the form described in such notice, but only if there shall have first been or is simultaneously delivered to the Trustee the required consents, in writing, of the Credit Facility Provider, the Construction Phase Credit Facility Provider and the Holders of not less than the percentage of Bonds as described under this heading. If the Holders of not less than the percentage of

Bonds as described under this heading shall have consented to and approved the execution and delivery of a supplemental indenture as provided in the Indenture, no Holder of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in the Indenture permitted and provided, the Indenture shall be and be deemed to be modified and amended in accordance therewith. The Trustee may rely upon an opinion of counsel as conclusive evidence that execution and delivery of a supplemental indenture has been effected in compliance with the provisions of the Indenture

Anything in the Indenture to the contrary notwithstanding, unless the Borrower shall then be in default of any of its obligations under the Financing Agreement, the Reimbursement Agreement, the Tax Regulatory Agreement, the Bond Mortgage Note, the Bond Mortgage or the Reimbursement Mortgage, a supplemental indenture which affects any rights of the Borrower shall not become effective unless and until the Borrower shall have expressly consented in writing to the execution and delivery of such supplemental indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such supplemental indenture to be mailed by certified or registered mail to the Borrower or the Borrower's attorney at least 15 days prior to the proposed date of execution and delivery of any supplemental indenture.

Notwithstanding any other provision of the Indenture, the Issuer and the Trustee may consent to any supplemental indenture upon receipt of the consent of the Credit Facility Provider, the Construction Phase Credit Facility Provider, the Holders of all Bonds then Outstanding and, as applicable, the Borrower.

Amendments to Financing Agreement Not Requiring Consent of Bondholders

The Trustee shall, without the consent of, or notice to, the Bondholders, but with the consent of the Borrower, the Credit Facility Provider and the Construction Phase Credit Facility Provider, consent to any amendment, change or modification of the Financing Agreement as follows:

- (a) as may be required by the provisions of the Credit Facility, the Financing Agreement or the Indenture;
- (b) to cure any formal defect, omission, inconsistency or ambiguity in the Financing Agreement in a manner not materially adverse to the Holder of any Bond to be Outstanding after the effective date of the change;
- (c) to make such additions, deletions or modifications as may be necessary, in the opinion of Bond Counsel delivered to the Issuer, the Trustee and the Credit Facility Provider, to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds;
- (d) to modify, amend or supplement the Financing Agreement as required by the Rating Agency to obtain or maintain a rating or ratings for the Bonds, except no change may be made that will materially adversely affect the interests of the Holders of the Bonds to be Outstanding after the effective date of the change; or

(e) to modify, amend or supplement the Financing Agreement in any other respect which is not materially adverse to the Trustee or Holders of the Bonds to be Outstanding after the effective date of the change and which does not involve a change described under the heading “Amendments to Financing Agreement Requiring Consent of Bondholders” below.

Amendments to Financing Agreement Requiring Consent of Bondholders

Except for the amendments, changes or modifications of the Financing Agreement described under the heading “Amendments to Financing Agreement Not Requiring Consent of Bondholders” above, neither the Issuer nor the Trustee shall consent to any other amendment, change or modification of the Financing Agreement without the consent of the Credit Facility Provider, the Borrower and the Construction Phase Credit Facility Provider, and without the giving of notice and the written approval or consent of the Holders of at least 51% of the aggregate principal amount of the Bonds then Outstanding given and procured in accordance with the procedure set described under the heading “Supplemental Indentures Requiring Consent of Bondholders” above; provided, however, that nothing described under this heading shall permit, or be construed as permitting, any amendment, change or modification of the Borrower’s obligation to make the payments required under the Financing Agreement without the consent of the Holders of all of the Bonds then Outstanding. If at any time the Issuer and the Borrower shall request the consent of the Trustee to any such proposed amendment, change or modification of the Financing Agreement, the Trustee shall cause notice of such proposed amendment, change or modification to be given in the same manner described under the heading “Supplemental Indentures Requiring Consent of Bondholders” above. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the Principal Office of the Trustee for inspection by Bondholders.

Amendments to the Credit Facility

The Trustee may, without the consent of, or notice to, any of the Bondholders enter into any amendment, change or modification of the Credit Facility (a) as may be required by the provisions of the Credit Facility, (b) to cure any formal defect, omission, inconsistency or ambiguity in the Credit Facility, (c) in a manner which is not prejudicial to the interests of the Bondholders as determined by the Trustee being advised by counsel, a committee of Responsible Officers or by a written confirmation from the Rating Agency of the then existing rating on the Bonds, or (d) as required by the Rating Agency to maintain the then current rating on the Bonds.

Opinion of Bond Counsel Required

No supplement or amendment to the Financing Agreement or the Indenture, as described above shall be effective until the Issuer, the Trustee and the Credit Facility Provider shall have received an opinion of Bond Counsel to the effect that such supplement or amendment is authorized or permitted by the Indenture and, upon execution and delivery thereof, will be valid and binding upon the Issuer in accordance with its terms and will not cause interest on the Bonds to be includable in gross income of the Holders thereof for federal income tax purposes. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, the opinion of any counsel approved by it as conclusive evidence that (i) any proposed supplemental indenture or amendment permitted by the Indenture complies with the provisions of the Indenture, (ii) it is proper for the Trustee to join in the execution of that supplemental indenture or amendment under the provisions of the Indenture and (iii) if applicable, such proposed supplemental indenture or amendment is not materially adverse to the interests of the Bondholders.

Trustee

The Trustee, prior to an Event of Default under the Indenture and after the curing or waiver of all such events which may have occurred, shall perform such duties and only such duties as are specifically set forth in the Indenture. The Trustee, during the existence of any such Event of Default (which shall not have been cured or waived), shall exercise such rights and powers vested in it by the Indenture and use the same degree of care and skill in its exercise as a prudent Person would exercise or use under similar circumstances in the conduct of such Person's own affairs.

No provision of the Indenture shall be construed to relieve the Trustee from liability for its breach of trust, own negligence or willful misconduct, except that:

(a) prior to an Event of Default under the Indenture, and after the curing or waiver of all such Events of Default which may have occurred:

(i) the duties and obligations of the Trustee shall be determined solely by the express provisions of the Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in the Indenture; and

(ii) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Trustee by the Person or Persons authorized to furnish the same;

(b) at all times, regardless of whether or not any such Event of Default shall exist:

(i) the Trustee shall not be liable for any error of judgment made in good faith by an officer or employee of the Trustee except for willful misconduct or negligence by the officer or employee of the Trustee as the case may be; and

(ii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Credit Facility Provider or the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding (or such lesser or greater percentage as is specifically required or permitted by the Indenture) relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under the Indenture.

There shall at all times be a Trustee under the Supplemental Indenture which shall be a corporation organized and doing business under and in good standing under the laws of the United States of America or any state thereof authorized under such laws to exercise corporate trust powers, having its principal office and place of business in any state having a combined capital and surplus of at least \$50,000,000, and subject to supervision or examination by Federal or state authority. If such corporation or association publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section the combined capital and surplus of such corporation or association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of the Supplemental Indenture, the Trustee shall resign immediately in the manner and with the effect specified therein.

There shall at all times be a Trustee under the Indenture which shall be an association or corporation organized and doing business under the laws of the United States or any state thereof, authorized under such laws to exercise corporate trust powers. Any successor Trustee shall have a combined capital and surplus of at least \$50,000,000 (or shall be a wholly-owned subsidiary of an association or corporation that has such combined capital and surplus), and be subject to supervision or examination by federal or state authority, or shall have been appointed by a court of competent jurisdiction pursuant to the Indenture. If such association or corporation publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority referred to above, then for the purposes of this heading, the combined capital and surplus of such association or corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of the Indenture and another association or corporation is eligible, the Trustee shall resign immediately in the manner and with the effect specified in the Indenture.

The Trustee may at any time resign from the trusts created by the Indenture by giving written notice to the Issuer, the Borrower, the Credit Facility Provider and the Construction Phase Credit Facility Provider, and by giving notice by certified mail or overnight delivery service to each Holder of the Bonds then Outstanding. Such notice to the Issuer, the Borrower, the Credit Facility Provider and the Construction Phase Credit Facility Provider may be served personally or sent by certified mail or overnight delivery service. The resignation of the Trustee shall not be effective until a successor Trustee has been appointed as provided in the Indenture and such successor Trustee shall have agreed in writing to be bound by the duties and obligations of the Trustee under the Indenture and under the Intercreditor Agreement.

The Trustee may be removed at any time, either with or without cause, with the consent of the Credit Facility Provider (which consent of the Credit Facility Provider shall not be unreasonably withheld) and the Construction Phase Credit Facility Provider (which consent of the Construction Phase Credit Facility Provider shall not be unreasonably withheld), by a written instrument signed by the Issuer and delivered to the Trustee and the Borrower, and if an Event of Default shall have occurred and be continuing, other than an Event of Default described in paragraph (b) under the heading "Events of Default; Acceleration; Remedies" above, by a written instrument signed by the Credit Facility Provider and delivered to the Trustee, the Issuer, the Borrower and the Construction Phase Credit Facility Provider. The Trustee may also be removed, if an Event of Default described in paragraph (b) under the heading "Events of Default; Acceleration; Remedies" above shall have occurred and be continuing, by a written instrument or concurrent instruments signed by the Holders of more than 51% of the aggregate principal amount of the Bonds then Outstanding and delivered to the Trustee, the Issuer, the Borrower, the Credit Facility Provider and the Construction Phase Credit Facility Provider. The Trustee may also be removed by the Credit Facility Provider following notice to the Issuer and after a 30 day period during which the Issuer may attempt to cause the Trustee to discharge its duties in a manner acceptable to Credit Facility Provider, and in each case written notice of such removal shall be given to the Servicer, the Borrower and to each registered Owner of Bonds then Outstanding as shown on the Bond Registrar. Any such removal shall take effect on the day specified in such written instrument(s), but the Trustee shall not be discharged from the trusts created by the Indenture until a successor Trustee has been appointed and has accepted such appointment and has agreed in writing to be bound by the duties and obligations of the Trustee under the Indenture and under the Intercreditor Agreement and the Supplemental Indenture.

In case at any time the Trustee shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting under the Indenture, or shall be adjudged a bankrupt or insolvent, or if a receiver of the Trustee or of its property shall be appointed, or if a public supervisory office shall take charge or control of the Trustee or of its property or affairs, a vacancy shall forthwith and ipso facto be created in the office of such Trustee under the Indenture, and

the Issuer, with the written consent of the Credit Facility Provider and the Construction Phase Credit Facility Provider, shall promptly appoint a successor Trustee. Any such appointment shall be made by a written instrument executed by an Authorized Officer of the Issuer.

There shall be engaged at all times that Freddie Mac is the Credit Facility Provider an eligible servicing institution designated by Freddie Mac as the Servicer (which may be Freddie Mac if Freddie Mac elects to service the Bond Mortgage Loan) to service the Bond Mortgage Loan pursuant to the Guide.

Satisfaction and Discharge of Indenture

If the Issuer shall pay or cause to be paid to the Holders of the Bonds the principal, interest and premium, if any, to become due thereon at the times and in the manner stipulated therein and in the Indenture, in any one or more of the following ways:

- (a) by the payment of the principal of (including redemption premium, if any) and interest on all Bonds outstanding; or
- (b) by the deposit or credit to the account of the Trustee, in trust, of money or securities in the necessary amount (as provided in the Indenture) to pay the principal, redemption price and interest to the date established for redemption whether by redemption or otherwise; or
- (c) by the delivery to the Trustee, for cancellation by it, of all Bonds Outstanding;

and shall have paid all amounts due and owing to the Credit Facility Provider under the Indenture and under the Credit Facility and the Reimbursement Agreement, including but not limited to the Freddie Mac Reimbursement Amount and the Freddie Mac Credit Enhancement Fee, and shall have paid all fees and expenses of and any other amounts due to the Trustee, the Servicer, the Construction Phase Credit Facility Provider and each Paying Agent, and if the Issuer shall keep, perform and observe all and singular the covenants and promises in the Bonds and in the Indenture expressed as to be kept, performed and observed by it or on its part, then these presents and the estates and rights granted shall cease, determine and be void, and thereupon the Trustee shall cancel and discharge the lien of the Indenture and execute and deliver to the Issuer such instruments in writing as shall be requisite to satisfy the lien of the Indenture, and reconvey to the Issuer the estate conveyed, and assign and deliver to the Issuer any interest in property at the time subject to the lien of the Indenture which may then be in its possession, except amounts held by the Trustee for the payment of principal of, interest and premium, if any, on the Bonds, the payment of any amounts owed to the United States pursuant to the Indenture or the payment of any amounts payable to the Credit Facility Provider or the Construction Phase Credit Facility Provider.

Any Outstanding Bond shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect described in the preceding paragraph if, under circumstances which do not cause interest on the Bonds to become includable in the Holders' gross income for purposes of federal income taxation, the following conditions shall have been fulfilled: (a) in case such Bond is to be redeemed on any date prior to its maturity, the Trustee shall have given to the Bondholder irrevocable notice of redemption of such Bond on said date; (b) there shall be on deposit with the Trustee either money or direct obligations of the United States of America in an amount, together with anticipated earnings thereon (but not including any reinvestment of such earnings), which will be sufficient to pay, when due, the principal or redemption price, if applicable, and interest due and to become due on such Bond on the redemption date or maturity date thereof, as the case may be; (c) in the case of Bonds which do not mature or will not be redeemed within 60 days of such deposit, the Trustee shall have received a verification report of a firm of certified public accountants reasonably acceptable to

the Trustee as to the adequacy of the amounts so deposited to fully pay the Bonds deemed to be paid; and (d) the Trustee shall have received an opinion of nationally recognized bankruptcy counsel, if required by subpart (e) of the definition of “Eligible Funds” herein, to the effect that such money constitutes Eligible Funds.

The Trustee shall in no event cause the Bonds to be optionally redeemed from money deposited as described under this heading unless the requirements of the Indenture relating to redemption of the Bonds have been met with respect to such redemption.

Construction Phase Credit Facility Provider

If prior to the Loan Conversion Date the Bonds have been defeased as described in the Indenture, and the Trustee shall receive a written statement from the Construction Phase Credit Facility Provider stating that moneys are owed to the Construction Phase Credit Facility Provider on account of the Bonds and/or the Bond Mortgage Loan, whether with respect to the Construction Phase Credit Facility, any other Construction Phase Credit Document or otherwise in connection with the Bonds or the Bond Mortgage Loan, the Trustee shall, upon receipt of written notification from Freddie Mac that all amounts due and owing to Freddie Mac under the Reimbursement Agreement and the Reimbursement Mortgage have been paid in full, prior to cancellation and discharge of the Indenture and prior to any reconveyance, assignment and delivery to the Borrower of the Trust Estate or any part of it, pay over, assign and deliver to the Construction Phase Credit Facility Provider so much of (and not to exceed) the Trust Estate as shall be necessary to fully pay, satisfy and discharge all amounts due and owing to the Construction Phase Credit Facility Provider in respect of the Bonds and the Bond Mortgage Loan, whether with respect to the Construction Phase Credit Facility Documents or otherwise in connection with the Bonds or the Bond Mortgage Loan, as determined by the Construction Phase Credit Facility Provider, in its sole and absolute discretion.

Discharge of Liability on Bonds

Upon the deposit with the Trustee, in trust, at or before maturity, of money or securities in the necessary amount (as described above) to pay or redeem Outstanding Bonds (whether upon or prior to their maturity or the redemption date of such Bonds) provided that, if such Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been given as provided in the Indenture or provision satisfactory to the Trustee shall have been made for the giving of such notice, all liability of the Issuer in respect of such Bonds shall cease, terminate and be completely discharged, except only that thereafter the holders thereof shall be entitled to payment by the Issuer, and the Issuer shall remain liable for such payment, but only out of the money or securities deposited with the Trustee as aforesaid for their payment, subject, however, to the provisions of the Indenture described in the paragraph below.

Payment of Bonds After Discharge of Indenture

Notwithstanding any provisions of the Supplemental Indenture, and subject to applicable unclaimed property laws of the District, any money deposited with the Trustee or any paying agent in trust for the payment of the principal of, interest or premium on the Bonds remaining unclaimed for five (5) years after the payment thereof to the extent permitted by applicable law, shall be paid to the Issuer, whereupon all liability of the Trustee with respect to such money shall cease, and the holders of the Bonds shall thereafter look solely to the Issuer for payment of any amounts then due. The Issuer may transfer the property to the District of Columbia government for disposition under the District of Columbia unclaimed property laws and, in such case, such Holders of the Bonds in respect of which such moneys were deposited shall thereafter be deemed to be unsecured creditors of the District of Columbia

for amounts equivalent to the respective amounts so transferred to the District of Columbia and deposited for the payment of such Bonds (without interest to such Holders thereon)..

Deposit of Money or Securities with Trustee

Whenever in the Indenture it is provided or permitted that there be deposited with or credited to the account of or held in trust by the Trustee money or securities in the necessary amount to pay or redeem any Bonds, the money or securities so to be deposited or held shall be Eligible Funds (or Government Obligations purchased with Eligible Funds) consisting of:

(a) lawful money of the United States of America in an amount equal to the principal amount of such Bonds and all unpaid interest thereon to maturity, except that, in the case of Bonds which are to be redeemed prior to maturity and in respect of which there shall have been furnished to the Trustee proof satisfactory to it that notice of such redemption on a specified redemption date has been duly given or provision satisfactory to the Trustee shall be made for such notice, the amount so to be deposited or held shall be the principal amount of such Bonds and interest thereon to the redemption date, together with the redemption premium, if any; or

(b) noncallable and nonprepayable direct obligations of the United States of America or noncallable and nonprepayable obligations which as to principal and interest constitute full faith and credit obligations of the United States of America, in such amounts and maturing at such times that the proceeds of said obligations received upon their respective maturities and interest payment dates, without further reinvestment, will provide funds sufficient, in the opinion of a nationally recognized firm of certified public accountants, to pay the principal, premium, if any, and interest to maturity, or to the redemption date, as the case may be, with respect to all of the Bonds to be paid or redeemed, as such principal, premium and interest become due; provided that the Trustee shall have been irrevocably instructed by the Issuer to apply the proceeds of said obligations to the payment of said principal, premium, if any, and interest with respect to such Bonds.

APPENDIX C

SUMMARY OF CERTAIN PROVISIONS OF THE FINANCING AGREEMENT

The following is a brief summary of certain provisions of the Financing Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Financing Agreement, copies of which are on file with the Trustee.

The provisions set forth below are applicable on and after the Release Date.

Terms of the Bond Mortgage Loan

The Bond Mortgage Loan shall (i) be evidenced by the Bond Mortgage Note; (ii) be initially secured by the Credit Facility and the Bond Mortgage; (iii) be in the principal amount of \$9,040,000; (iv) will bear interest as provided in the Bond Mortgage Note; (v) provide for principal and interest payments in accordance with the Bond Mortgage Note; and (vi) be subject to optional and mandatory prepayment at the times, in the manner and on the terms, and have such other terms and provisions, as provided herein and in the Bond Mortgage Note.

From and after the Loan Conversion Date, the Servicer shall service the Bond Mortgage Loan pursuant to the Commitment and the Guide. The Issuer, the Trustee and the Borrower acknowledge and agree that (i) selection or removal of any Servicer is in the sole and absolute discretion of the Credit Facility Provider; (ii) neither the Issuer nor the Trustee shall terminate or attempt to terminate any Servicer as the servicer for the Bond Mortgage Loan or appoint or attempt to appoint a substitute servicer for the Bond Mortgage Loan; (iii) the Commitment and the Guide are each subject to amendment without the consent of the Trustee, the Issuer or the Borrower; and (iv) none of the Trustee, the Issuer or the Borrower shall have any rights under, or be a third party beneficiary of, the Guide. The Servicer shall have the right to collect all payments made by the Borrower in connection with the Bond Mortgage Loan (from and after the Loan Conversion Date) and to receive copies of all reports and notices provided for by the Bond Financing Documents.

Payments Under the Bond Mortgage Note; Independent Obligation of Borrower

The Borrower agrees to repay the Bond Mortgage Loan as provided in the Bond Mortgage Note, and in all events at the times and in the amounts necessary to enable the Trustee, on behalf of the Issuer, to pay all amounts payable with respect to the Bonds, when due, whether at maturity or upon redemption (with premium, if applicable), acceleration or otherwise. The obligation of the Borrower to make the payments set forth in the Indenture will be an independent and separate obligation of the Borrower from its obligation to make payments under the Bond Mortgage Note, provided that in all events payments made by the Borrower under and pursuant to the Bond Mortgage Note will be credited against the Borrower's obligations under the Financing Agreement on a dollar for dollar basis. If for any reason the Bond Mortgage Note or any provision of the Bond Mortgage Note will be held invalid or unenforceable against the Borrower by any court of competent jurisdiction, the Bond Mortgage Note or such provision of the Bond Mortgage Note will be deemed to be the obligation of the Borrower pursuant to the Financing Agreement to the full extent permitted by law and such holding will not invalidate or render unenforceable any of the provisions of the Indenture and will not serve to discharge any of the Borrower's payment obligations under the Financing Agreement or eliminate the credit against such obligations to the extent of payments made under the Bond Mortgage Note.

The Borrower acknowledges and agrees the Servicer, from and after the Loan Conversion Date, may collect monthly payments from the Borrower with respect to the Bond Mortgage Loan in accordance with the Reimbursement Agreement, but such payments shall not be credited against the principal or

interest due with respect to the Bond Mortgage Loan or the Bond Mortgage Note until and only to the extent such amounts are used to reimburse the Credit Facility Provider for amounts paid under the Credit Facility to pay principal of or interest on the Bonds.

The obligations of the Borrower to repay the Bond Mortgage Loan, to perform all of its obligations under the Bond Mortgage Loan Documents, to provide indemnification, to pay costs, expenses and charges pursuant to the Financing Agreement and to make any and all other payments required by the Financing Agreement, the Indenture or any other documents contemplated by the Financing Agreement or by the Bond Mortgage Loan Documents will be absolute and unconditional and will not be subject to diminution by setoff, recoupment, counterclaim, abatement or otherwise.

Payment of Certain Fees and Expenses Under the Bond Mortgage Note

The payments to be made by the Borrower under the Bond Mortgage Note include certain moneys to be paid in respect of, among others, the Bond Fee Component, the Special Issuer Fee, the Ordinary Servicing Fees and Expenses, the Freddie Mac Credit Enhancement Fee, any annual rating maintenance fees of the Rating Agency and amounts required to be deposited in the Custodial Escrow Account, if any, pursuant to the Bond Mortgage Loan Documents, as provided in the Financing Agreement. To the extent that any portion of the Bond Fee Component, the Special Issuer Fee, the Ordinary Servicing Fees and Expenses, Freddie Mac Credit Enhancement Fee, any annual rating maintenance fees of the Rating Agency or amounts required to be deposited in a Custodial Escrow Account remain due and owing at any time, such amounts remaining due and owing will be payable from moneys on deposit in the Administration Fund as provided in the Indenture or from other moneys of the Borrower, to the extent that moneys in the Administration Fund are insufficient for such purposes. All other fees and expenses will be payable from moneys of the Borrower as provided in the Financing Agreement.

The Borrower shall pay (or cause to be paid by the Trustee, to the extent paid from money on deposit in the Administration Fund or the Costs of Issuance Fund, as applicable), in consideration of the funding of the Bond Mortgage Loan, the following fees, expenses and other money payable in connection with the Bond Mortgage Loan as set forth in the Financing Agreement.

In addition to the obligations set forth in the Financing Agreement, the Borrower acknowledges its obligation to make payments to the Operating Reserve Fund and the Debt Service Reserve Fund pursuant to, and in accordance with, the provisions set forth in the Supplemental Indenture. Notwithstanding any other provision of the Financing Agreement, the Supplemental Indenture or any other Bond Mortgage Loan Document, failure of the Borrower to make a deposit into the Debt Service Reserve Fund or Operating Reserve Fund shall not constitute an Event of Default under the Financing Agreement, or under the Indenture or under any other Bond Mortgage Loan Document.

Prepayment of Bond Mortgage Loan

The Borrower shall have the option to prepay the Bond Mortgage Loan in full or in part prior to the payment and discharge of all the outstanding Bonds in accordance with the provisions of the Bond Mortgage Note, the Supplemental Indenture and the Financing Agreement, and only with the prior written consent of the Credit Facility Provider and the payment of any amount due under the next succeeding paragraph. The Borrower will be required to prepay the Bond Mortgage Loan in each case that Bonds are required to be redeemed in accordance with the terms and conditions set forth in the Supplemental Indenture.

The Bonds are subject to redemption in accordance with the terms and conditions set forth in the Supplemental Indenture. In connection with any prepayment, whether optional or mandatory, in addition

to all other payments required under the Bond Mortgage Note, the Borrower will pay, or cause to be paid to the Servicer (from and after the Loan Conversion Date) or other party as directed by the Credit Facility Provider (or, if no Credit Facility is then in effect, to the Trustee), an amount sufficient to pay the redemption price of the Bonds to be redeemed, including principal, interest and premium (if any), such premium to be paid with Eligible Funds not consisting of funds drawn under the Credit Facility, and further including any interest to accrue with respect to the Bond Mortgage Loan and such Bonds between the prepayment date and the redemption date, together with a sum sufficient to pay all fees, costs and expenses in connection with such redemption and, in the case of redemption in whole, to pay all other amounts payable under the Financing Agreement, the Supplemental Indenture and the Reimbursement Agreement. The Borrower shall provide notice of the prepayment to the Issuer, the Trustee, the Credit Facility Provider, the Servicer and the Construction Phase Credit Facility Provider in writing forty five (45) days, or such shorter time as is possible in the case of mandatory prepayments, prior to the date on which the Borrower will make the prepayment. Each such notice shall state, to the extent such information is available, (a) the amount to be prepaid, (b) the date on which the prepayment will be made by the Borrower, and (c) the cause for the prepayment, if any.

Borrower's Obligations Upon Redemption

In the event of any redemption, the Borrower will timely pay, or cause to be paid through the Servicer, to the Trustee an amount equal to the principal amount of such Bonds or portions thereof called for redemption, together with interest accrued to the redemption date and premium, (including any Prepayment Equalization Premium), if any, such premium to be paid with Eligible Funds not consisting of funds drawn under the Credit Facility. In addition, the Borrower will timely pay all fees, costs and expenses associated with any redemption of Bonds.

Replacement Reserve Fund Deposits

The Borrower shall deposit solely from and to the extent of Surplus Cash, if any, or from amounts received pursuant to the Guaranty, the Unit Reserve Amount on each April 1 and October 1 following substantial completion of the Project, into the Replacement Reserve Fund in accordance with the Supplemental Indenture. Notwithstanding any other provision of the Financing Agreement, of the Supplemental Indenture or of any other Bond Mortgage Loan Document, failure of the Borrower to make a deposit of the Unit Reserve Amount into the Replacement Reserve Fund shall not constitute an Event of Default under the Financing Agreement, or under the Supplemental Indenture or under any other Bond Mortgage Loan Document.

Compliance With Applicable Laws

All work performed in connection with the Project will be performed in strict compliance with all applicable federal, state, county and municipal laws, ordinances, rules and regulations now in force or that may be enacted hereafter.

Tax Covenants of the Borrower

The Borrower has covenanted that it will not take, or permit to be taken on its behalf, any action which would cause the interest payable on the Bonds to be included in gross income, for federal income tax purposes, and will take such action as may be necessary in the opinion of Bond Counsel to continue such exclusion from gross income, including, without limitation, the preparation and filing of all statements required to be filed by it in order to maintain the exclusion (including, but not limited to, the filing of all reports and certifications required by the Tax Regulatory Agreement).

Events of Default

The following shall be “Events of Default” under the Financing Agreement and the term “Event of Default” shall mean, whenever it is used in the Financing Agreement, one or all of the following events:

(a) Any representation or warranty made by the Borrower in the Bond Financing Documents or any certificate, statement, data or information furnished by the Borrower in connection therewith or included by the Borrower in its application to the Issuer for assistance proves at any time to have been incorrect when made in any material respect;

(b) Failure by the Borrower to pay any amounts due under the Financing Agreement, the Bond Mortgage Note or the Bond Mortgage at the times and in the amounts required by the Financing Agreement, the Bond Mortgage Note and the Bond Mortgage, as applicable;

(c) The Borrower’s failure to observe and perform any of its other covenants, conditions or agreements contained herein, other than as referred to in clause (a) above, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given by the Issuer or the Trustee to the Borrower; provided, however, that if the failure will be such that it can be corrected but not within such period, the Issuer and the Trustee, as directed by the Issuer, will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Borrower within such period and diligently pursued until the failure is corrected;

(d) The occurrence of a default under the Reimbursement Agreement will at the discretion of the Credit Facility Provider constitute an Event of Default under the Financing Agreement but only if the Trustee is provided written notice thereof by the Credit Facility Provider that an Event of Default has occurred under the Reimbursement Agreement and the Trustee is instructed by the Credit Facility Provider that such default constitutes an Event of Default under the Financing Agreement. The occurrence of an Event of Default under the Financing Agreement shall in the discretion of the Credit Facility Provider constitute a default under the Bond Mortgage Loan Documents and the Reimbursement Agreement.

Nothing contained in the Financing Agreement is intended to amend or modify any of the provisions of the Bond Financing Documents or to bind the Issuer, the Trustee, the Credit Facility Provider, the Servicer or the Construction Phase Credit Facility Provider to any notice and cure periods other than as expressly set forth in the Bond Financing Documents.

Remedies on Default

Subject to the Financing Agreement and provisions of the Intercreditor Agreement, whenever any Event of Default under the Financing Agreement shall have occurred and be continuing, the Trustee or the Issuer where so provided may take any one or more of the following remedial steps:

(a) The Issuer shall cooperate with the Trustee as the Trustee acts pursuant to the Supplemental Indenture.

(b) In the event any of the Bonds shall at the time be Outstanding and not paid and discharged in accordance with the provisions of the Supplemental Indenture, the Issuer or the Trustee may have access to and inspect, examine and make copies of the books and records and any and all accounts, data and income tax and other tax returns of the Borrower.

(c) The Issuer or the Trustee may, without being required to give any notice (other than to the Issuer or the Trustee, as applicable), except as provided herein, pursue all remedies of a creditor under the laws of the District, as supplemented and amended, or any other applicable laws.

(d) The Issuer or Trustee may take whatever action at law or in equity may appear necessary or desirable to collect the payments due under the Financing Agreement then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under the Financing Agreement.

Any amounts collected pursuant to the Indenture and any other amounts which would be applicable to payment of principal of and interest and any premium on the Bonds collected pursuant to action taken under “Remedies on Default” above will be applied in accordance with the provisions of the Supplemental Indenture.

The provisions of “Remedies on Default” are subject to the further limitation that if, after any Event of Default all amounts which would then be payable under the Indenture by the Borrower if such Event of Default had not occurred and was not continuing shall have been paid by or on behalf of the Borrower, and the Borrower shall have also performed all other obligations in respect of which it is then in default, and shall have paid the reasonable charges and expenses of the Issuer, the Trustee, the Servicer and the Credit Facility Provider, including reasonable attorneys’ fees paid or incurred in connection with such default, and shall have paid all amounts then due to the Credit Facility Provider, including, but not limited to, any Freddie Mac Reimbursement Amounts and Freddie Mac Credit Enhancement Fees, and if there shall then be no Event of Default existing under the Supplemental Indenture, then and in every such case such Event of Default under the Indenture shall be waived and annulled, but no such waiver or annulment shall affect any subsequent or other Event of Default or impair any right consequent thereon.

APPENDIX D

SUMMARY OF CERTAIN PROVISIONS OF THE TAX REGULATORY AGREEMENT

The following is a brief summary of certain provisions of the Tax Regulatory Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Tax Regulatory Agreement, copies of which are on file with the Trustee.

In the Tax Regulatory Agreement, the Issuer, the Borrower and the Trustee each made certain covenants for the purpose of preserving the exclusion from gross income of interest on the Bonds for purposes of Federal income taxation and qualifying the Project for the Tax Credits (as defined therein) by regulating and restricting the use and occupancy of the Project as set forth therein. This summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Tax Regulatory Agreement, a copy of which is on file with the Trustee.

Special Tax Covenants

(a) The Borrower covenants and agrees to perform each and every covenant and agreement set forth in the Tax Regulatory Agreement. The Issuer may enforce the obligations of the Borrower under the Tax Regulatory Agreement by all available legal and equitable means.

(b) (1) The Borrower will acquire, rehabilitate, own and operate the Project for the purpose of providing a “qualified residential rental project” as such phrase is used in Sections 142(a)(7) and 142(d) of the Code, the applicable Treasury Regulations as from time to time promulgated or amended, and the other Tax Requirements, (2) the Borrower shall own the entire Project for federal tax purposes, and (3) the Project shall be owned, managed and operated as a multifamily residential rental property comprised of a building or structure or several buildings or structures containing similarly constructed units, together with any functionally related and subordinate facilities and no other facilities, in accordance with Section 142(d) of the Code and Sections 1.103-8(b)(4) and 1.103-8(a)(3) of the Regulations, and in accordance with such requirements as may be imposed thereby and by the Code on the Project from time to time.

(d) The Borrower will own and operate the Project in a manner that complies with the Act.

(e) The Bond proceeds shall be deemed allocated on a pro rata basis to each building in the Project so that such improvements and land on which such improvements are located shall have been financed 50% or more by proceeds of the Bonds for the purpose of complying with the “50% test” under Section 42(h)(4) of the Code.

2. Representations Regarding the Project.

(a) The Issuer passed a resolution with respect to the eligibility of the Project for tax-exempt financing on the date the Issuer passed a resolution with respect to the eligibility of the Project for tax-exempt financing (the “Official Action Date”). No expenditures paid by the Borrower more than 60 days prior to the Official Action Date in connection with the equipping or rehabilitation of the Project by the Borrower (other than architect’s fees and other preliminary expenditures allowed under Section 1.150-2

of the Regulations) will be reimbursed directly or indirectly by the proceeds of the Bonds or the Bond Mortgage Loan.

(b) Each Unit (i) will contain separate and complete facilities for living, sleeping, eating, cooking, and sanitation for a single tenant or multiple tenants, as applicable or (ii) will be a single-room occupancy unit (with in the meaning of Section 42 of the Code).

(d) The Project shall consist of two discrete apartment buildings, each consisting of an independent foundation, outer walls and roof, all of which will be (i) owned by the same "person" (as such term is used in the Code) for federal tax purposes, (ii) located on a common tract of land or two or more tracts of land that are contiguous except for being separated only by a road, street, stream or similar property, and (iii) financed by the Bond Mortgage Loan or otherwise pursuant to a common plan of financing, and which will consist entirely of:

(1) Units that are similar in quality and type of construction and amenities;

(2) Facilities functionally related and subordinate in purpose and size to property described under this heading (d), (none of which may be unavailable to any person because such person is a Qualifying Unit Tenant) and other facilities that are reasonably required for the Project, *e.g.*, heating and cooling equipment, trash disposal equipment or Units for residential managers or maintenance personnel; and

(3) Such other facilities that do not represent more than an insubstantial portion of the cost of the Project financed by the Bonds as determined in Exhibit J attached to the Tax Regulatory Agreement.

(e) (i) All Units in the Project shall be leased and rented or made available for lease and rental on a continuous basis to members of the general public, and (ii) the Borrower shall not give preference in renting Units in the Project to any particular class or group of persons, other than Qualifying Unit Tenants as provided in the Tax Regulatory Agreement; provided, however, an insubstantial number of Units in the Project (which number, if more than two (2) units, shall have been approved by Bond Counsel in writing) may be occupied by maintenance, security or managerial employees of the Borrower or its property manager, which employees must be reasonably necessary for operation of the Project. Qualifying Unit Tenants will have equal access to and enjoyment of all common facilities of the Project.

(f) All Units will be suitable for occupancy, as determined under regulations of the U.S. Treasury Department, taking into account local health, safety and building codes.

(g) No Unit in the Project shall be occupied by the Borrower or an Affiliated Party at any time unless the Borrower or an Affiliated Party resides in a Unit in a building or structure which contains at least five Units and unless the resident of such Unit is a resident manager or other necessary employee (*e.g.*, maintenance and security personnel).

(h) To the knowledge of the Borrower, no member of the governing board of the Issuer, or any other official or employee of the Issuer (in their personal, non-official capacities), has any interest, financial, employment or other in the Borrower, the Project, or the transactions contemplated.

(i) At least 95% of the net proceeds of the Bonds will be used to provide a “qualified residential rental project” within the meaning of Section 142 (a)(7) of the Code. On the Issuance Date, the Borrower will execute a project cost certificate in substantially the form provided in Exhibit J, based on the amount of Bonds issued on such date.

(j) The Borrower will not convert the ownership of the Project into a condominium or a cooperative housing corporation form of ownership other than a limited equity cooperative that is a qualified cooperative housing corporation as defined in Section 143(k)(8) and (9) of the Code.

(k) The Borrower may impose additional charges for the use of certain functionally related and subordinate facilities (*e.g.*, recreational facilities) provided all such facilities are available to and affordable by all tenants in the Project on equal terms, no persons who are not tenants or guests of tenants will be permitted to use such facilities and the charges, if any, are reasonable in relation to the use of such facilities.

(l) The Project will not include a Unit in a building unless all Units in such building are also included in the Project.

(m) The Borrower has not and shall not discriminate on the basis of race, creed, religion, color, sex, age or national origin in the lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project other than as permitted by law with respect to housing for the elderly.

(n) The Borrower will not discriminate against prospective tenants on the basis of their receipt of, or eligibility for, housing assistance under any federal, state or local program, but the Borrower will not be required to permit more persons to occupy a Unit than may be allowed under local zoning laws, the Tax Regulatory Agreement or applicable HUD program standards.

(o) No Units in the Project shall be leased to persons other than individuals and families unless the Issuer and the Trustee receive an opinion of Bond Counsel to the effect that such leases will not adversely affect the exclusion from gross income of the interest on the Bonds (or any bonds issued to refund the Bonds) for purposes of federal income taxation.

(p) The Borrower shall cause the Project to be managed, maintained and operated in a decent, safe and sanitary manner in accordance with applicable “HUD Housing Quality Standards” (as promulgated by HUD) and in compliance with (i) the Act and any and all rules and regulations promulgated thereunder by the Issuer; provided, that only with respect to such rules and regulations promulgated, the same are not inconsistent with the Tax Regulatory Agreement and not in derogation of any rights of the Borrower which arise and vest under the Tax Regulatory Agreement, (ii) Section 142(d) of the Code and any regulations promulgated thereunder during the Qualified Project Period, and (iii) Section 42 of the Code and any regulations promulgated thereunder.

(q) The Project will be owned in its entirety by the Borrower, will be financed pursuant to a common plan, and will be located on two or more contiguous parcels of land (except for the interposition of a road, street, stream or similar property), and all of the improvements will comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, account, and operation of the Project.

(r) In addition to compliance with the foregoing requirements set forth by the Tax Regulatory Agreement, the Project is intended to qualify under Section 42(g)(1)(B) of the Code and the Borrower represents that no less than 100% of the Units will be held available for tenants at 60% of MSA Median Family Income throughout the Extended Use Period, and the Borrower will not at any time during the Extended Use period terminate any tenant leases other than for cause.

3. General Tax Covenant; Reliance. The Borrower will at all times comply with the Tenant Selection Plan set forth as Exhibit G to the Tax Regulatory Agreement (as agreed to between the Borrower and the Issuer) and all requirements of the Act applicable to it and the rules and regulations promulgated by the Issuer which are applicable to the Borrower thereunder. In order to verify compliance with the Tenant Selection Plan, the Issuer will have the right to inspect the Borrower's records regarding tenants and tenant selection policy, including any applications received by the Borrower during the 6 months prior to initial occupancy of the Project for rental of the Units in the Project, at any time during normal business hours upon 72 hours prior notice. The Tenant Selection Plan will not be amended without prior written consent of the Issuer.

Occupancy Requirements

1. Tenant Selection Plan. The Borrower shall at all times comply with the Marketing and Tenant Selection Plan and all requirements of the Act and the rules and regulations promulgated by the Issuer thereunder. In order to verify compliance with the Marketing and Tenant Selection Plan, the Issuer shall have the right to inspect the Borrower's records regarding tenants and tenant selection policy, including any applications received by the Borrower during the 6 months prior to initial occupancy of the Project for rental of the Units in the Project, at any time during normal business hours. The Marketing and Tenant Selection Plan shall not be amended without prior written consent of the Issuer.

2. Occupancy.

For the purpose of satisfying the requirements of the Act, the 40/60 test requirement of Section 142(d) of the Code, the Borrower represents, covenants and agrees:

(a) Commencing on the first day of the Qualified Project Period, not less than 40% of the Units in the Project at all times throughout the Qualified Project Period shall be rented to and occupied (or held available for rent, if previously rented to and occupied by a Qualifying Unit Tenant) by Qualifying Unit Tenants as required by Section 142(d) of the Code. For purposes of satisfying this requirement, a Qualifying Unit Tenant shall continue to qualify as a Qualifying Unit Tenant if, after admission, the Qualifying Unit Tenant's Annual Income exceeds the applicable qualifying income level set forth in the definition of "Qualifying Unit Tenant" so long as the Annual Income of such tenant does not exceed 140% of the then current maximum allowable Annual Income for Qualifying Unit Tenants of the same family size.

(b) Throughout the Compliance Period not less than forty percent (40%) of the Units in the Project at all times shall be rented to and occupied (or held available for rent, if previously rented to and occupied by a Qualifying Unit Tenant) by Qualifying Unit Tenants as provided in paragraphs (c)(2) and (g)(1)(B) of Section 42 of the Code. The Borrower, however, has agreed that one hundred percent (100%) of the Units in the Project shall be so rented and occupied; provided, however, that no existing tenant, as of the Issuance Date, whose income is greater than sixty percent (60%) of MSA Median Family Income shall be displaced as a result of the requirements of the Tax Regulatory Agreement.

(c) If, as of the most recent annual Income Certification, it is determined that the Annual Income of a person or family occupying a Qualified Unit exceeds 140% of the then current maximum allowable Annual Income, such person shall not be disqualified as a Qualifying Unit Tenant, provided that the next vacant Unit of comparable or smaller size is rented to a person or family that qualifies as a Qualifying Unit Tenant. Only if the next vacant Unit of comparable or smaller size is rented to a new resident who does not qualify as a Qualifying Unit Tenant will such person or family whose income increased above the 140% limit no longer qualify as a Qualifying Unit Tenant. If necessary, the Borrower shall refrain from renting dwelling Units in the Project to persons other than Qualifying Unit Tenants in order to avoid violating the requirement that at all times during the Qualified Project Period not less than 40% of the completed dwelling Units in the Project shall be occupied by Qualifying Unit Tenants. If a Unit is vacated by an individual or family who qualified as a Qualifying Unit Tenant, such Unit shall be treated as occupied by a Qualifying Unit Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of the Unit shall be redetermined provided the next available Unit of comparable or smaller size is rented to and occupied by a Qualifying Unit Tenant. For determinations under this paragraph (c) made for determination periods beginning after July 30, 2008, if the Project is a project with respect to which Tax Credits are allowed under Section 42 of the Code, the "next vacant Unit" requirement or condition in the first two sentences of this paragraph (c) shall be applied based on the "next vacant unit of the building" (within the meaning of Section 42 of the Code) instead of being based on the next vacant Unit of the Project.

(d) (1) Notwithstanding the covenant of the Borrower to comply with the minimum occupancy restrictions required by Sections 142(d) and 42 of the Code as set forth in the Tax Regulatory Agreement, the Borrower covenants that, subject to the further provisions under this heading, throughout the Extended Use Period not less than one hundred percent (100%) of the Units in the Project at all times shall be rented to and occupied (or held available for rent, if previously rented to and occupied by a Qualifying Unit Tenant) by Qualifying Unit Tenants.

(2) If such occupancy by Qualifying Unit Tenants drops below one hundred percent (100%) at anytime during the Extended Use Period, the Issuer may permit a 60-day period, or longer if the Issuer deems appropriate, to the Borrower to cure the deficiency and achieve the required occupancy by Qualifying Unit Tenants. Such cure period will not be denied if the Borrower is making acceptable efforts, in the Issuer's sole discretion, to rent all available units, including those occupied but not subject to a lease, to Qualifying Unit Tenants. At any time during the Tax Credit Compliance Period, if the problem is not cured during the approved cure period or if such cure period is not allowed by the Issuer, the Issuer can request that the General Partner of the Borrower withdraw or retire from the Borrower pursuant to the Tax Regulatory Agreement. In the event that the General Partner of the Borrower is required to withdraw or retire from the Borrower pursuant to the Tax Regulatory Agreement, the Limited Partner shall have 90 days to cure the deficiency, provided, however, that no existing tenant, as of the Issuance Date, whose income is greater than 60% of MSA Median Family Income shall be displaced as a result of the requirements of the Tax Regulatory Agreement.

(3) The General Partner of the Borrower shall provide monthly notices to the Issuer if during the prior month the Project failed to achieve 100% occupancy by Qualifying Unit Tenants. Such notice will minimally provide the percentage of units currently occupied by Qualifying Unit Tenants and such other information requested by the Issuer, provided, however, that this shall not apply if all remaining vacant units are made available to such Qualifying Unit Tenants, and provided, further that this shall not apply to any existing tenant, as of the Issuance Date, whose income is greater than 60% of MSA Median Family Income.

(e) Notwithstanding the covenant of the Borrower to comply with the minimum rental restrictions required by Section 42 of the Code, the Borrower covenants that throughout the Extended Use

Period, the maximum rent on one hundred percent (100%) of the Units shall not exceed thirty percent (30%) of the then current MSA Median Family Income (as determined by HUD) adjusted for a household consisting of the number obtained by multiplying one and one-half (1.5) by the number of bedrooms for any such Unit unless specifically agreed to by the Issuer at its sole discretion; provided, however, that the Tax Regulatory Agreement shall not apply to any existing tenant, as of the Issuance Date, whose income is greater than sixty percent (60%) of MSA Median Family Income.

(f) **McKinney Funding Program Restriction.** The Owner further covenants that commencing on the first day of the Qualified Project Period and through the tenth (10th) anniversary of such date, that at least one (1) unit shall be occupied by persons and families who qualify as Very Low Income persons and families within the meaning of the United States Housing Act of 1937, as amended, and regulations thereunder.

3. Determination of Income.

The Borrower shall obtain from all Qualifying Unit Tenants no more than 60 days prior to their respective initial occupancy of Units, and thereafter shall use its best efforts to obtain not less than 60 days prior to the anniversary of each such Tenant's occupancy (a) the Tenant's Federal income tax return for the taxable year immediately preceding such occupancy or anniversary or such other third party income verification as may substantiate the Tenant's sources of income during the year preceding such occupancy or anniversary and (b) a sworn and notarized current income certification substantially in the form of Exhibit B attached to the Tax Regulatory Agreement as the same may be amended from time to time by the Issuer on the written advice of Bond Counsel, or in such other form and manner as may be required by the Tax Requirements, and, if requested by the Issuer for a particular Qualifying Unit Tenant or Tenants following its or their initial occupancy of a Unit, an income verification from such Tenant's employer or other source of income. The Borrower shall be deemed to have used its best efforts under this heading if it exercises all available remedies under its lease with the respective Tenant, including a suit for possession.

4. Occupancy Notification.

The Borrower acknowledges that, for the purpose of establishing compliance with Section 142(d) of the Code, the Qualified Project Period will commence upon the later of (i) the first day on which 10% of the Units in the Project are occupied or (ii) the Issuance Date. The Borrower shall promptly notify the Issuer of the first day on which 10% of the Units are occupied and the first (1st) day on which 50% of the Units are occupied for purposes of determining the Qualified Project Period.

For purposes of satisfying the low income occupancy requirements under Section 142(d) of the Code, the Borrower will establish with adequate documentation (e.g., tenant certifications, copies of tax returns, employment records) that, as of the first day of the Qualified Project Period, at least 40% of the residential units that are occupied on that date are occupied by individuals or families who, as of their initial date of occupancy (as established by information provided by the tenant at the time of initial occupancy), had income not in excess of 60% of MSA Median Family Income (as adjusted for family size) effective as of the date of initial occupancy of each such tenant (the "Holdover Low Income Tenants"). Unless the Borrower is able to produce contrary documentation, it will be assumed that the current income of each Holdover Low Income Tenant exceeds 140% of 60% of the applicable MSA Median Family Income currently in effect. Therefore, any vacancy in effect on or after the commencement of the Qualified Project Period must be reoccupied by a low income tenant until the Borrower is able to establish with current income information (i.e., income documentation that is not more than one year old) that at least 40% of the rental units are occupied by individuals or families with incomes that do not exceed 60% of the current MSA Median Family Income (as adjusted for family size).

Rent Restrictions

1. Tax Credit Compliance Period; Rents on Tax Credit Units.

(a) During the Tax Credit Compliance Period, the Borrowers shall lease no less than 40% of the Units to Qualifying Unit Tenants (“Tax Credit Tenants”) in accordance with the requirements of Section 42 of the Code. Notwithstanding the minimum requirements of Section 42 of the Code, the Borrower has agreed to lease no less than one hundred percent (100%) of the Units to Tax Credit tenants; provided, however, that no existing tenant, as of the Issuance Date, whose income is greater than 60% of MSA Median Family Income shall be displaced as a result of the requirements of this Section 5.1(a). The Tax Credit requirements shall be met continuously throughout the Tax Credit Compliance Period, and the Units must remain rental property throughout the Tax Credit Compliance Period.

(b) Throughout the Extended Use Period, Rent for each Tax Credit Unit with one or more separate bedrooms shall not exceed 30% of 60% of the then current MSA Median Family Income (as determined by HUD) adjusted for a household consisting of the number obtained by multiplying 1.5 by the number of bedrooms for any such Unit.

(c) Any increase in the Rents shall be subject to the prior approval of the Issuer as provided in the Tax Regulatory Agreement.

2. Rent Increases. The annual adjustment of Rents for Units qualifying for Tax Credits shall be calculated in accordance with then current MSA Median Family Income as adjusted as described in the Tax Regulatory Agreement. The initial Rents for all Qualified Units are listed in Exhibit K attached to the Tax Regulatory Agreement. The Borrower may not implement any changes in the rent charged for any Unit without the prior written consent of the Issuer. The Borrower shall make its request to the Issuer in writing of any proposed rent changes for Units and shall include the percentage of the increase in the monthly rents. No Rent increases shall be effective until the first day on which rent is normally paid occurring at least 30 days after notice of such increase is given to a tenant. At the request of the Borrower and with a showing of need, the Issuer will consider requests for adjustment to rents prior to the annual adjustments. The Issuer will not unreasonably withhold, condition or delay consent to a reasonable rent increase.

Event Of Default and Enforcement

(a) If the Borrower defaults in the performance or observance of any covenant, agreement or obligation under the Tax Regulatory Agreement, and if such default remains uncured for a period of sixty (60) days after written notice specifying such default and the actions required to correct the same shall have been given by the Trustee or the Issuer to the Borrower (or for an extended cure period approved in writing by Bond Counsel if such default stated in such notice can be corrected, but not within such 60-day period), then such uncured breach or default shall constitute an “Event of Default” under the Tax Regulatory Agreement.

(b) Upon the occurrence of an Event of Default under the Tax Regulatory Agreement, the Issuer or the Trustee may take whatever other action at law or in equity or otherwise, whether for specific performance of any covenant in the Tax Regulatory Agreement or such other remedy as may be deemed most effectual by the Issuer or the Trustee to enforce the obligations of the Borrower under the Tax Regulatory Agreement, and including the appointment of a receiver to operate the Project in compliance with the Tax Regulatory Agreement, or the institution and prosecution of any action or proceeding at law or in equity to abate, prevent or enjoin any such violation or attempted violation or to enforce compliance

or to recover monetary damages caused by such violation or attempted violation, and no such damages shall be collected from any source.

(c) In addition to any and all other available remedies, the Borrower consents and agrees that any one or more of the following remedies shall be available upon the occurrence of an Event of Default under the Tax Regulatory Agreement:

(i) The Borrower acknowledges and agrees that specific performance of the covenants and requirements of the Tax Regulatory Agreement shall be necessary, and that no appropriate remedy at law would be available upon an Event of Default under the Tax Regulatory Agreement, or if available, any such remedy would be inadequate to implement the public purposes of the Act and to maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes, and that the Trustee, the Issuer and the holders of the Bonds would be irreparably injured by the Borrower's failure specifically to perform the covenants and requirements; therefore, notwithstanding anything to the contrary stated in the Tax Regulatory Agreement, the Trustee and the Issuer each will have the right to seek specific performance of any of the covenants and requirements of the Tax Regulatory Agreement concerning the acquisition, rehabilitation, equipping and operation of the Project or an order enjoining any violation of the Tax Regulatory Agreement.

(ii) The Borrower agrees that the appointment of a receiver may be necessary to prevent waste to the Project and to maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes following an Event of Default by the Borrower under the Tax Regulatory Agreement. The Issuer or Trustee may require the appointment of such a receiver.

(d) In addition to the indemnification provided by the Tax Regulatory Agreement, the Borrower agrees to pay, indemnify and hold the Issuer and the Trustee harmless from any and all reasonable costs, expenses and fees, including all reasonable attorneys' fees which may be incurred by the Issuer or the Trustee in enforcing or attempting to enforce the Tax Regulatory Agreement following an Event of Default on the part of the Borrower under the Tax Regulatory Agreement or their successors, whether the same shall be enforced by suit or otherwise or incurred by any such party as a result of such Event of Default; together with all reasonable costs, fees and expenses which may be incurred in connection with any amendment to the Tax Regulatory Agreement (or to the Financing Agreement, the Supplemental Indenture or any other document) or otherwise by the Issuer at the request of the Borrower (including the reasonable fees and expenses of Bond Counsel in connection with any opinion to be rendered under the Tax Regulatory Agreement).

(e) No remedy conferred upon or reserved to the Issuer or the Trustee by the Tax Regulatory Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Tax Regulatory Agreement, the Financing Agreement, the Supplemental Indenture or any related documents, or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any failure to perform under the Tax Regulatory Agreement shall impair any such right or power or shall be construed to be a waiver thereof. The Issuer authorizes and directs the Trustee to enforce any and all of the Issuer's rights and remedies under the Tax Regulatory Agreement on behalf of the Issuer in the event the Issuer fails to exercise the same and the Trustee acknowledges its right to enforce such rights and remedies.

(f) The Trustee and the Issuer shall have the right, either jointly or severally, to enforce the Tax Regulatory Agreement and require curing of an Event of Default by the Borrower under the Tax

Regulatory Agreement in periods shorter than otherwise specified under this heading, if Bond Counsel shall, in writing, opine to the parties that it is necessary to effect a cure within a shorter period in order to maintain the exclusion from gross income of interest on the Bonds for purposes of Federal income taxation.

(g) No Event of Default under the Tax Regulatory Agreement shall constitute a default under the Financing Agreement or the Bond Mortgage.

(h) No Event of Default with respect to any Tax Credit requirement shall constitute a default on the Bonds.

(i) From and after the date of the Tax Regulatory Agreement, (i) the liability of the Borrower and the General Partner under the Tax Regulatory Agreement shall be limited to the Borrower's and the General Partner's interest in the Project and the Borrower's right to receive any proceeds of insurance thereon, and the Issuer and the Trustee shall look exclusively thereto, or to such other security as may from time to time be given or which has been given for payment of the obligations under the Tax Regulatory Agreement, and any judgment rendered against the Borrower or the General Partner under the Tax Regulatory Agreement shall be limited to the Project and the Borrower's right to receive any proceeds of insurance thereon, and any other security so given for satisfaction thereof; and (ii) no deficiency or other personal judgment shall be sought or rendered against the Borrower, its General Partner, or their respective successors, transferees or assigns, in any action or proceeding arising out of the Tax Regulatory Agreement, or any judgment, order or decree rendered pursuant to any such action or proceeding; provided, however, that nothing under this heading shall limit the Issuer's ability to exercise any right or remedy that it may have with respect to any property pledged or granted to the Issuer or any trustee under the Tax Regulatory Agreement, or both of them, or to exercise any right against the Borrower or the General Partner on account of any claim for fraud and deceit and against any other person or entity on account of any claim for fraud and deceit. The Borrower and the General Partner shall be fully liable for: (1) amounts payable to the Issuer constituting Unassigned Rights, (2) any amount due and owing as a result of any calculation or determination which may be required in connection with the Bonds for the purpose of complying with Section 148 of the Code (including rebate liability) or any applicable Treasury regulation, (3) the indemnification and payment obligations to the Issuer under the Tax Regulatory Agreement and under the Financing Agreement, (4) the misapplication of (i) proceeds paid prior to any foreclosure under any and all insurance policies, under which the Issuer is named as insured, by reason of damage, loss or destruction to any portion of the Project, to the full extent of such proceeds, (ii) proceeds or awards resulting from the condemnation, or other taking in lieu of condemnation, prior to any foreclosure of any portion of the Project, to the full extent of such proceeds and awards, (iii) rents, issues, profits and revenues received or applicable to a period subsequent to the occurrence and during the continuance of an Event of Default under the Tax Regulatory Agreement but prior to foreclosure, and (iv) proceeds from the sale of all or any part of the Project (except the proceeds from the sale of any personal property), (5) any payment obligation contained in the Financing Agreement which is not also a payment obligation under the Bond Mortgage Note, or any other payment obligation contained in the Financing Agreement or in the Tax Regulatory Agreement, including the obligations of the Borrower with respect to the Unassigned Rights.

The limit on the Borrower's liability set forth under this heading shall not, however, be construed, and is not intended in any way, to constitute a release, in whole or in part, of the indebtedness evidenced by the Tax Regulatory Agreement, a release, in whole or in part, or effect the enforcement of any other Unassigned Rights of the Issuer to alter, limit or affect the liability of any person or party who may now or hereafter or prior hereto guarantee, or pledge, grant or assign its assets or collateral as security for, the obligations of the Borrower under the Tax Regulatory Agreement.

Freddie Mac Rider

During any period that Freddie Mac is the Credit Facility Provider for the Bonds, the Freddie Mac Rider attached as an exhibit to the Regulatory Agreement and made a part the Regulatory Agreement by reference thereto, shall be in full force and effect.

APPENDIX E

SUMMARY OF CERTAIN PROVISIONS OF THE INTERCREDITOR AGREEMENT

The Issuer, the Trustee, Freddie Mac and the Construction Phase Credit Facility Provider have agreed upon their respective rights arising from an Event of Default under any of the Bond Financing Documents or the Bond Mortgage Loan Documents relating to the Bonds in the Intercreditor Agreement. The following is a brief summary of certain provisions of the Intercreditor Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the full text of the Intercreditor Agreement, a copy of which is on file with the Trustee.

The Issuer, the Trustee, Freddie Mac and the Construction Phase Credit Facility Provider will agree upon their respective rights arising from an Event of Default under the Bond Financing Documents in an Intercreditor Agreement, dated as of the date of the Indenture (the “Intercreditor Agreement”). Under the terms of the Intercreditor Agreement, the Issuer, the Trustee, the Construction Phase Credit Facility Provider and Freddie Mac agree, among other things, that, until either (a) Freddie Mac fails to honor a draw properly presented in accordance with the terms of the Credit Enhancement Agreement (a “Wrongful Dishonor”) or (b) the Credit Enhancement Agreement terminates in accordance with its terms and all of the Borrower’s obligations to Freddie Mac under the Reimbursement Agreement shall have been paid in full, certain of the rights and remedies of the Issuer, the Trustee and Freddie Mac, under certain of the Bond Financing Documents, including (without limitation) the rights and remedies of the Bond Mortgagee (as defined in the Bond Mortgage) under the Bond Mortgage may (except for the exercise of remedies to preserve the tax-exempt status of the Bonds and the Trustee’s right to seek payment of certain fees due under the Financing Agreement) be exercised only with the consent or at the direction of Freddie Mac, in its sole discretion, including (without limitation) the right to waive certain terms and conditions of certain of the Bond Financing Documents pertaining to the Borrower.

Notwithstanding anything to the contrary contained in the Financing Agreement and pursuant to the Intercreditor Agreement, as long as Freddie Mac is not in default of its obligations under the Credit Enhancement Agreement, neither the Issuer, the Trustee nor any other person, upon the occurrence of an Event of Default under the Financing Agreement or any event of default under the Bond Mortgage Loan, is to take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Bond Mortgage Loan Documents, except at the direction of Freddie Mac; provided that such prohibition will not be construed to limit the rights of the Issuer or the Trustee to specifically enforce the Tax Regulatory Agreement in order to provide for operation of the Project in accordance with the Code and the Act or to enforce other Unassigned Rights or reserved rights of the Trustee; and provided further that such prohibition will not be construed to limit the indemnification rights of the Issuer, the Trustee, the Servicer, Freddie Mac or any other indemnified party to enforce its rights against the Borrower under the Financing Agreement or Reimbursement Agreement by mandamus or other suit, action or proceeding at law or in equity where such suit, action or proceeding does not seek any remedies under or with respect to the Bond Mortgage Loan.

Provided the Construction Phase Credit Facility Provider is not in default under the Construction Phase Credit Facility, it shall have certain consent rights as provided in the Intercreditor Agreement. Additionally, pursuant to the Construction Phase Financing Agreement, Freddie Mac and the Construction Phase Credit Facility Provider agree to certain conditions to exercising remedies pursuant to the Reimbursement Agreement.

APPENDIX F

SUMMARY OF CERTAIN PROVISIONS OF THE REIMBURSEMENT AGREEMENT

The following is a brief summary of the Reimbursement Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the full text of the Reimbursement Agreement, a copy of which is on file with the Trustee.

Defined Terms

Capitalized terms used under this heading and not defined hereunder or elsewhere in this Official Statement will have the meanings assigned thereto in the Reimbursement Agreement.

General

The obligations of the Borrower to the Freddie Mac under the Credit Enhancement Agreement will be evidenced by a Reimbursement Agreement. Under the Reimbursement Agreement, the Borrower will be obligated to repay Freddie Mac all sums of money Freddie Mac has advanced to the Trustee under the Credit Enhancement Agreement. The Reimbursement Agreement also provides that the Borrower is to pay the Freddie Mac Credit Enhancement Fee, the Ordinary Servicing Fees and Expenses, and other fees and expenses as provided therein.

Events of Default

The occurrence of any one or more of the following shall constitute an Event of Default under the Reimbursement Agreement:

(i) the Borrower shall fail to pay when due any amount payable by the Borrower under the Reimbursement Agreement, including, without limitation, any Loan Equalization Payment, fees, costs or expenses;

(ii) the Borrower shall fail to perform its obligations under the Reimbursement Agreement relating to maintaining the tax exempt status of the Bonds, maintaining its character as a single purpose entity, amending or modifying its organizational documents without Freddie Mac's consent, dissolving or liquidating in whole or in part, refunding the Bonds within six months of acquiring the Project, permitting subordinate financings with respect to the Project or prepaying the Bond Mortgage Loan except in accordance with the Reimbursement Agreement;

(iii) the Borrower shall fail to observe or perform any other term, covenant, condition or agreement set forth in the Reimbursement Agreement, which failure continues for a period of 30 days after notice of such failure by Freddie Mac to Borrower (unless such default cannot with due diligence be cured within 30 days but can be cured within a reasonable period and will not, in Freddie Mac's sole discretion, adversely affect Freddie Mac or result in impairment of the Reimbursement Agreement, the Bond Mortgage, the Reimbursement Mortgage or any other Reimbursement Security Document, in which case no Event of Default shall be deemed to exist so long as Borrower shall have commenced to cure the default or Event of Default within 30 days after receipt of notice, and thereafter diligently and continuously prosecutes such cure to completion); provided, however, no such notice or grace periods shall apply in the case of any such failure which could, in Freddie Mac's judgment, absent immediate exercise by Freddie Mac of a right or remedy under the Reimbursement Agreement, result in harm to Freddie Mac,

impairment of the Reimbursement Agreement, the Bond Mortgage or the Reimbursement Mortgage or any other Reimbursement Security Document;

(iv) the Borrower shall fail to observe or perform any other term, covenant, condition or agreement set forth in any of the other Borrower Documents (as defined in the Reimbursement Agreement) or there shall otherwise occur an “Event of Default” under the Reimbursement Mortgage or an event of default under any of the other Borrower Documents (taking into account any applicable cure period);

(v) any representation or warranty made by or on behalf of the Borrower in the Reimbursement Agreement, in any other Borrower Document or in any certificate delivered by the Borrower to Freddie Mac or to the Servicer pursuant to the Reimbursement Agreement or any other Borrower Document shall be inaccurate or incorrect in any material respect when made or deemed made;

(vi) prior to Loan Conversion, the Trustee draws upon the Credit Enhancement Agreement for any reason other than to make a regularly scheduled payment of interest with respect to the Bond Mortgage Loan or a payment of interest and principal in connection with a Pre-Conversion Loan Equalization Payment or the Mandatory Paydown;

(vii) prior to Loan Conversion, Freddie Mac is given a “Direction to Draw” (as defined in the Construction Phase Financing Agreement) by the Construction Phase Credit Facility Provider;

(viii) the occurrence of a “Borrower Default”, “Letter of Credit Default” or “Construction Lender Default” (as such terms are defined in the Construction Phase Financing Agreement) prior to Loan Conversion; or

(ix) a default or event of default occurs under the terms of any other indebtedness permitted to be incurred by the Borrower (after taking into account any applicable notice and cure period).

Remedies

Upon the occurrence of an Event of Default, Freddie Mac may declare all the obligations of the Borrower under the Reimbursement Agreement to be immediately due and payable, in which case all such obligations will become due and payable, without presentment, demand, protest or notice of any kind, including notice of default, notice of intent to accelerate or notice of acceleration. In addition to the foregoing, Freddie Mac has the right to take such action at law or in equity, without notice or demand, as it deems advisable to protect and enforce the rights of Freddie Mac against the Borrower in and to the Project conveyed by the Reimbursement Mortgage or the Bond Mortgage, including, but not limited to, the following actions: (i) demand cash collateral or Qualified Investments in the full amount of the obligations under the Bonds whether or not then due and payable by Freddie Mac under the Credit Enhancement Agreement; (ii) give written notice to the Trustee stating that an Event of Default has occurred and is continuing under the Reimbursement Agreement and directing the Trustee to accelerate or cause the mandatory redemption (or purchase in lieu) of the Bonds; (iii) exercise any rights and remedies available to Freddie Mac under any of the Borrower Documents or, if prior to Loan Conversion, the Construction Phase Financing Agreement (including drawing upon the Construction Phase Credit Facility); and (iv) exercise the same rights, powers, and remedies with respect to the UCC Collateral (as defined in the Reimbursement Agreement) that the Borrower may exercise, which rights, powers, and remedies are incorporated therein by this reference for all purposes. In furtherance and not in limitation

of the foregoing, Freddie Mac shall have all rights, remedies and recourses with respect to the UCC Collateral granted in the Borrower Documents and any other instrument executed in connection therewith, or existing at common law or equity (including specifically those granted by the Uniform Commercial Code as adopted in the District of Columbia), the right of offset, the right to sell the UCC Collateral at public or private sale, and the right to receive distributions to the Borrower.

Freddie Mac has the right, to be exercised in its discretion, to waive any Event of Default under the Reimbursement Agreement. If the Trustee shall have received a Freddie Mac Credit Enhancement Payment from Freddie Mac with respect to any particular Guaranteed Payment and the Trustee shall have received or shall thereafter receive from the Borrower all or any portion of such Guaranteed Payment or any other amount in lieu of such Guaranteed Payment, the Trustee shall promptly reimburse to Freddie Mac, from any such amounts received from the Borrower, the Freddie Mac Credit Enhancement Payment paid by Freddie Mac as provided in the Indenture.

(b) The Trustee shall maintain records of all Freddie Mac Credit Enhancement Payments received from Freddie Mac hereunder. The Trustee shall, upon receipt of a written request of Freddie Mac, cooperate with Freddie Mac and the Servicer in connection with the reconciliation of the Trustee's records maintained pursuant to this Subsection and any similar records maintained by Freddie Mac or the Servicer.

ARTICLE V COVENANTS

Section 5.1 *Annual Reports.* Freddie Mac registered its common stock with the U.S. Securities and Exchange Commission (the "SEC") under the Securities Exchange Act of 1934 (the "Exchange Act"), effective July 18, 2008. As a result, Freddie Mac files annual, quarterly and current reports, proxy statements and other information with the SEC. Any document that Freddie Mac files with the SEC may be read and copied at the SEC's public reference room at 100 F Street, N.E., Washington, D.C. 20549. These SEC filings are also available to the public from the SEC's web site at <http://www.sec.gov>.

Section 5.2 *Notice of Certain Events.* The Trustee shall promptly give notice by facsimile or electronic transmission to Freddie Mac at (571) 382-4798, if by facsimile transmission, or the Freddie Mac Trustee E-mail Account, if by electronic transmission, of (i) the occurrence of any Event of Default

under the Indenture or any event which, with the passage of time or service of notice, or both, would constitute an Event of Default thereunder of which the Trustee has actual knowledge, specifying the action taken or proposed to be taken with respect to such event, and (ii) each proposed redemption of Bonds and the amount thereof, in writing, not later than 20 days (or as soon as practicable after receiving notice or other information that such a redemption is expected to occur, if such proposed redemption is to be effected with less than 20 days' prior notice in accordance with the Indenture) prior to such redemption, other than scheduled mandatory sinking fund redemptions.

Section 5.3 *Amendment of Documents.* So long as no Event of Default hereunder shall have occurred and be continuing, the Trustee will not amend or modify, or consent to any amendment or modification of any Bond Financing Document without the prior written consent of Freddie Mac.

Section 5.4 *Replacement of Servicer.* The Trustee acknowledges that, under certain circumstances set forth in the Guide, Freddie Mac shall have the right to terminate the Servicer's servicing of the Bond Mortgage Loan and to transfer the servicing of the Bond Mortgage Loan to a successor servicer in accordance with the Guide. Freddie Mac will promptly notify the Trustee upon termination of the Servicer and the appointment of a successor servicer.

Section 5.5 *Wiring Information.* All payments under this Agreement may be made by means of wire transfer of funds to the Trustee to the following account or such other account as the Trustee may specify in writing from time to time:

Bank: U.S. Bank N.A.
ABA: 091 000 022

ARTICLE VI DEFAULT AND REMEDIES

Section 6.1 *Events of Default.* Any one or more of the following acts or occurrences shall constitute an Event of Default hereunder:

(a) Failure by Freddie Mac to pay any amounts due under Section 3.1 or 3.2 when due; or

(b) Failure by Freddie Mac to perform or observe any of its covenants, agreements or obligations hereunder, except a failure described in (a) above, if the same shall remain uncured for a period of 45 days after written notice of such failure shall have been given by the Trustee to Freddie Mac; provided, however, that if such default is curable but requires acts to be done or conditions to be remedied which, by their nature, cannot be done or remedied within such 45-day period, no Event of Default shall be deemed to have occurred if Freddie Mac shall commence such acts or remedies within such 45-day period and thereafter, in the opinion of the Trustee, diligently pursue the same to completion; or

(c) any governmental authority shall require Freddie Mac to suspend its operations for more than three (3) Business Days (unless such requirement is applicable to corporate

instrumentalities or financial institutions generally in the United States), or require the sale or transfer of all or substantially all of the assets of Freddie Mac.

Section 6.2 Remedies of Trustee. Upon the occurrence and continuance of any Event of Default by Freddie Mac hereunder, unless such Event of Default has been cured, the Trustee may take any one or more of the following steps, at its option:

(1) by action at law or in equity, require Freddie Mac to perform its covenants and obligations hereunder, or enjoin any acts which may be unlawful or in violation of the rights of the Trustee; and

(2) take whatever other action at law or in equity may appear necessary or desirable to enforce any monetary obligation of Freddie Mac hereunder, or to enforce any other obligations, covenant or agreement of Freddie Mac hereunder.

The above provisions are subject to the condition that if, after any Event of Default hereunder, all amounts which would then be payable hereunder by Freddie Mac if such Event of Default had not occurred and were not continuing, shall have been paid by or on behalf of Freddie Mac, and Freddie Mac shall have also performed all other obligations in respect of which it is then in default hereunder to the satisfaction of the Trustee, then such Event of Default may be waived and annulled, but no such waiver or annulment shall extend to or affect any subsequent Event of Default or impair any consequent right or remedy.

Section 6.3 Remedies Not Exclusive. No remedy conferred in this Agreement or reserved to the Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 6.4 Restoration of Rights and Remedies. If the Trustee shall have instituted any proceeding to enforce any right or remedy under this Agreement and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the party instituting such proceeding, then and in every such case Freddie Mac, and the Trustee shall, subject to any determination in such proceeding, be restored to their former positions hereunder and thereafter all rights and remedies of the Trustee shall continue as though no such proceeding had been instituted.

ARTICLE VII MISCELLANEOUS PROVISIONS

Section 7.1 Interest of Bondholders. The payments to be made by Freddie Mac hereunder are to be pledged by the Trustee to secure payment of the principal or redemption price of and interest on the Bonds (including Purchase Price in connection with any purchase in lieu of redemption of the Bonds pursuant to Section 3.06 of the Supplemental Indenture); provided that in no event shall Freddie Mac be obligated to pay the principal or redemption price of and interest on Purchased Bonds.

Section 7.2 Amendment. This Agreement shall be amended only by an instrument in writing executed on behalf of the parties by their duly authorized representatives.

Section 7.3 No Individual Liability. No covenant or agreement contained in this Agreement shall be deemed to be the covenant or agreement of any member of the Board of Directors of Freddie Mac or any officer, agent, employee or representative of Freddie Mac, or the Trustee, in his or her individual capacity and none of such persons shall be subject to any personal liability or accountability by reason of

the execution of this Agreement, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty, or otherwise.

Section 7.4 Notices. All notices, certificates and other written communications shall be sufficiently given and shall be deemed to be given (unless another form of notice shall be specifically set forth in this Agreement) on the Business Day following the date on which the same shall have been delivered to a national overnight delivery service (receipt of which to be evidenced by a signed receipt for overnight delivery service) with arrangements made for payment of all charges for next business day delivery, addressed as follows (provided that any of such addresses may be changed at any time upon written notice of such change sent, as provided in this Section, to the other party):

FORM OF OPINION OF BOND COUNSEL

April 14, 2010

District of Columbia Housing Finance Agency

Washington, D.C. 20001

\$5,310,000
District of Columbia Housing Finance Agency

Project)
Series 2009A-2

\$3,730,000
District of Columbia Housing Finance Agency
Multifamily Housing Revenue Bonds
(Fort Stevens Place Apartments Project)
Series 2010

Ladies and Gentlemen:

As bond counsel to the District of Columbia Housing Finance Agency (the “Issuer”), we have examined the applicable law, including the District of Columbia Housing Finance Agency Act (Chapter 27, Title 42 of the District of Columbia Code, 2001) (the “Act”), and certified copies of proceedings and documents relating to the organization of the Issuer and the issuance and/or delivery by the Issuer of its \$5,310,000 Multifamily Housing Revenue Bonds (NIB Program – Fort Stevens Place Apartments Project), Series 2009A-2 (the “Series 2009A Bonds”) and its \$3,730,000 Multifamily Housing Revenue Bonds (Fort Stevens Place Apartments Project), Series 2010 (the “Series 2010 Bonds,” and together with the Series 2009A Bonds, the “Bonds”). Reference is made to the form of the Bonds for information concerning their details, including payment and redemption provisions, their purpose and proceedings pursuant to which they are issued. Capitalized terms used but not defined herein have the same meanings as set forth in the Supplemental Indenture, as defined below.

The Series 2009A Bonds are delivered under and are equally and ratably secured by the General Indenture dated as of December 1, 2009, as amended and supplemented (the “General Indenture”) by and between the Issuer and U.S. Bank National Association (the “Trustee”) as amended and supplemented by the First Supplemental Indenture dated as of December 1, 2009 by and between the Issuer and the Trustee (the “First Supplemental Indenture”, and together with the General Indenture, the “Original Indenture”) and the Third Supplemental Indenture dated as of April 1, 2010 by and between the Issuer and the Trustee (the “Supplemental Indenture” and, together with the Original Indenture, the “Indenture”). The Series 2010 Bonds are issued under are equally and ratably secured by the Supplemental Indenture. The Supplemental Indenture assigns to the Trustee, as security for the Bonds the Issuer’s rights (except for its Reserved Rights) under a Financing Agreement dated as of April 1, 2010 (the “Financing Agreement”), by and among the Issuer, the Trustee and the Borrower. The Issuer will lend the proceeds of the Bonds to the Borrower, a limited partnership organized and existing under the laws of the District of Columbia, pursuant to the terms of the Financing Agreement, to finance a portion of the cost of the acquisition, rehabilitation and equipping of a 62-unit multi-family residential rental housing project in the District of Columbia known as Fort Stevens Place Apartments (the “Project”). We also have reviewed the Tax Regulatory Agreement dated as of April 1, 2010 (the “Regulatory Agreement”), among the Issuer, the Trustee and the Borrower and the Bond Purchase Agreement dated as of April 1, 2010 (the “Bond

Purchase Agreement”) by and among the Issuer, the Borrower and Bank of America, N.A. (the “Purchaser”).

Reference is made to the opinion of Klein Hornig, LLP, counsel to the Borrower, dated today, as to, among other things, the due authorization, execution and delivery of the Financing Agreement and related documents and the enforceability of such documents against the Borrower, upon which you are relying as to matters therein.

Without undertaking to verify the same by independent investigation, we have relied on certifications by representatives of the Issuer and the Borrower as to certain facts relevant to both our opinion and requirements of the Internal Revenue Code of 1986, as amended (the “Code”). The Issuer and the Borrower have covenanted to comply with the current provisions of the Code regarding, among other matters, the use, expenditure and investment of proceeds of the Bonds, the use of the Project as a qualified residential rental property within the meaning of Section 142(d)(1) of the Code and the timely payment to the United States of any arbitrage rebate amounts with respect to the Bonds, all as set forth in the proceedings and documents providing for the issuance of the Bonds (the “Covenants”).

Based on the foregoing, and assuming the due authorization, execution and delivery of the documents described below by parties thereto other than the Issuer, we are of the opinion that:

(1) The Issuer is duly organized and validly existing under the Act and has authority under the Act to execute and deliver the Indenture and to issue, sell and/or deliver the Bonds.

(2) The Bonds have been duly authorized and issued in accordance with the Act and constitute valid and binding limited obligations of the Issuer payable as to principal, premium, if any, and interest solely from the revenues and receipts pledged thereto pursuant to the Indenture. The Bonds do not constitute a debt or pledge of the faith and credit of the Issuer or the District.

(3) The Indenture, Financing Agreement, Regulatory Agreement and Bond Purchase Agreement have been duly authorized, executed and delivered by the Issuer, constitute valid and binding agreements of the Issuer and are enforceable against the Issuer in accordance with their terms.

(4) The rights of the holders of the Bonds and the enforceability of such rights including the enforcement by the Trustee of the obligations of the Issuer under the Indenture, and of the obligations of the Issuer under the Financing Agreement, the Regulatory Agreement and the Bond Purchase Agreement, may be limited or otherwise affected by (a) bankruptcy, insolvency, reorganization, moratorium and other laws affecting the rights of creditors generally, and (b) principles of equity, whether considered at law or in equity.

(5) Under current law, interest on the Bonds is not included in gross income for federal income tax purposes, except when held by a “substantial user” of the Project or a “related person” within the meaning of Section 147 of the Code, is not an item of tax preference for purposes of the federal alternative minimum income tax imposed on individuals and corporations, and is not included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum income tax imposed on such corporations. The opinion in the preceding sentence is subject to the condition that there is compliance subsequent to the issuance of the Bonds with all requirements of the Code that must be satisfied in order that interest thereon not be included in gross income for federal income tax purposes. Failure by the Issuer or Borrower to comply with the Covenants, among other things, could cause interest on the Bonds to be included in gross income for federal income tax purposes retroactively to their date of issuance. We express no opinion regarding other federal tax consequences of the ownership of or receipt or accrual of interest on the Bonds.

(6) Under existing law, interest on the Bonds is exempt from taxation by the District, except estate, inheritance and gift taxes.

(7) The Bonds are exempt from registration under the Securities Act of 1933, as amended, and the Indenture is exempt from qualification under the Trust Indenture Act of 1939, as amended.

* * * * *

Our services as bond counsel to the Issuer have been limited to delivering the foregoing opinion based on our review of such proceedings and documents as we deem necessary to approve the validity of the Bonds and the tax-exempt status of the interest on the Bonds. We express no opinion as to the financial resources of the Borrower, its ability to provide for payment of the Bonds or the accuracy or completeness of any information that may have been relied upon by anyone in making the decision to purchase Bonds.

Very truly yours,

HOGAN & HARTSON LLP

(b) Whenever the Borrower obtains knowledge of the occurrence of a Listed Event, the Borrower shall as soon as possible determine if such event would constitute material information for Holders of Bonds, provided, that any event under subsection (a)(11) shall always be deemed to be material.

(c) If the Borrower has determined that knowledge of the occurrence of a Listed Event would be material, the Borrower shall promptly notify the Dissemination Agent in writing. Such notice shall

instruct the Dissemination Agent to report the occurrence pursuant to subsection (e) and shall include sufficient information concerning the Listed Event to enable the Dissemination Agent to report the occurrence.

(d) If the Borrower determines that the Listed Event would not be material, the Borrower shall so notify the Dissemination Agent in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (e).

(e) If the Dissemination Agent has been instructed by the Borrower to report the occurrence of a Listed Event, the Dissemination Agent shall file a notice of such occurrence reporting the information provided by the Borrower with the MSRB. Notwithstanding the foregoing, notice of Listed Events described in subsections (a)(8) and (9) need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to the Holders of affected Bonds pursuant to the Indenture.

Section 6. Termination of Reporting Obligation. The Borrower's obligation under this Disclosure Agreement shall terminate upon the defeasance, prior redemption or payment in full of all of the Bonds. If the Borrower's obligations under the Financing Agreement are assumed in full by some other entity, such person shall be responsible for compliance with this Disclosure Agreement in the same manner as if it were the Borrower and the Original Borrower shall have no further responsibility hereunder.

Section 7. Dissemination Agent. The Borrower may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge any such agent, or such Dissemination Agent may resign upon 30 days prior written notice to the Borrower, with or without the Borrower appointing a successor Dissemination Agent. The Dissemination Agent shall be entitled to reasonable compensation for its services hereunder and reimbursement of its out-of-pocket expenses (including fees and expenses of its counsel).

Section 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Borrower and the Dissemination Agent may amend this Disclosure Agreement and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws acceptable to the Issuer, the Borrower and the Dissemination Agent to the effect that such amendment or waiver would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective on the date hereof but taking into account any subsequent change in or official interpretation of the Rule.

Section 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Borrower from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Borrower chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Disclosure Agreement, the Borrower shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 10. Default. In the event of a failure of the Borrower to comply with any provision of this Disclosure Agreement, the Trustee, subject to prior receipt of indemnification satisfactory to it and payment of its fees and expenses, including fees and expenses of its counsel (whether incurred before trial, at trial, on appeal or in any bankruptcy or arbitration proceeding), at the written request of the Issuer or the holders of at least 25% aggregate principal amount of Outstanding Bonds, shall, or any

Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Borrower to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture or the Financing Agreement, and the sole remedy under this Disclosure Agreement in the event of any failure of the Borrower to comply with this Disclosure Agreement shall be an action to compel performance.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent. Provided the Trustee is acting as Dissemination Agent, Article VII of the Indenture is hereby made applicable to this Disclosure Agreement as if this Disclosure Agreement were (solely for this purpose) contained in the Indenture and the Trustee and Dissemination Agent shall be entitled to the protections, limitations from liability and indemnities afforded the Trustee thereunder. The Dissemination Agent and the Trustee shall have only such duties as are specifically set forth in this Disclosure Agreement, and the Borrower agrees to indemnify and save the Dissemination Agent and the Trustee, their officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses including attorneys fees (whether incurred before trial, at trial, on appeal or in any bankruptcy or arbitration proceeding) incurred in performing its duties hereunder and in defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's or the Trustee's negligence or willful misconduct. The obligations of the Borrower under this Section shall survive resignation or removal of the Dissemination Agent and the Trustee and payment of the Bonds. The Dissemination Agent shall have no obligation or liability for the accuracy or completeness of any Annual Report or report of Listed Event or Events provided in accordance with Sections 3 and 5 hereunder, and no obligation to review or make any determination of materiality made in accordance with Section 5 hereunder. The Dissemination Agent and the Trustee shall have no duty or obligation to review any information provided to them hereunder and shall not be deemed to be acting in any fiduciary capacity for the Issuer, the Borrower, the Bondholders, or any other party. Neither the Trustee nor the Dissemination Agent shall have any liability to the Bondholders or any other party for any monetary damages or financial liability of any kind whatsoever related to or arising from this Agreement.

Section 12. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Borrower, the Trustee, the Dissemination Agent, and holders from time to time of the Bonds, and shall create no rights in any other person or entity.

Section 13. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.
